DESCRIPTION

FIG. 1 is a perspective view of an orthotic lawn bag holder showing my new design.

FIG. 2 is a top elevational view thereof;

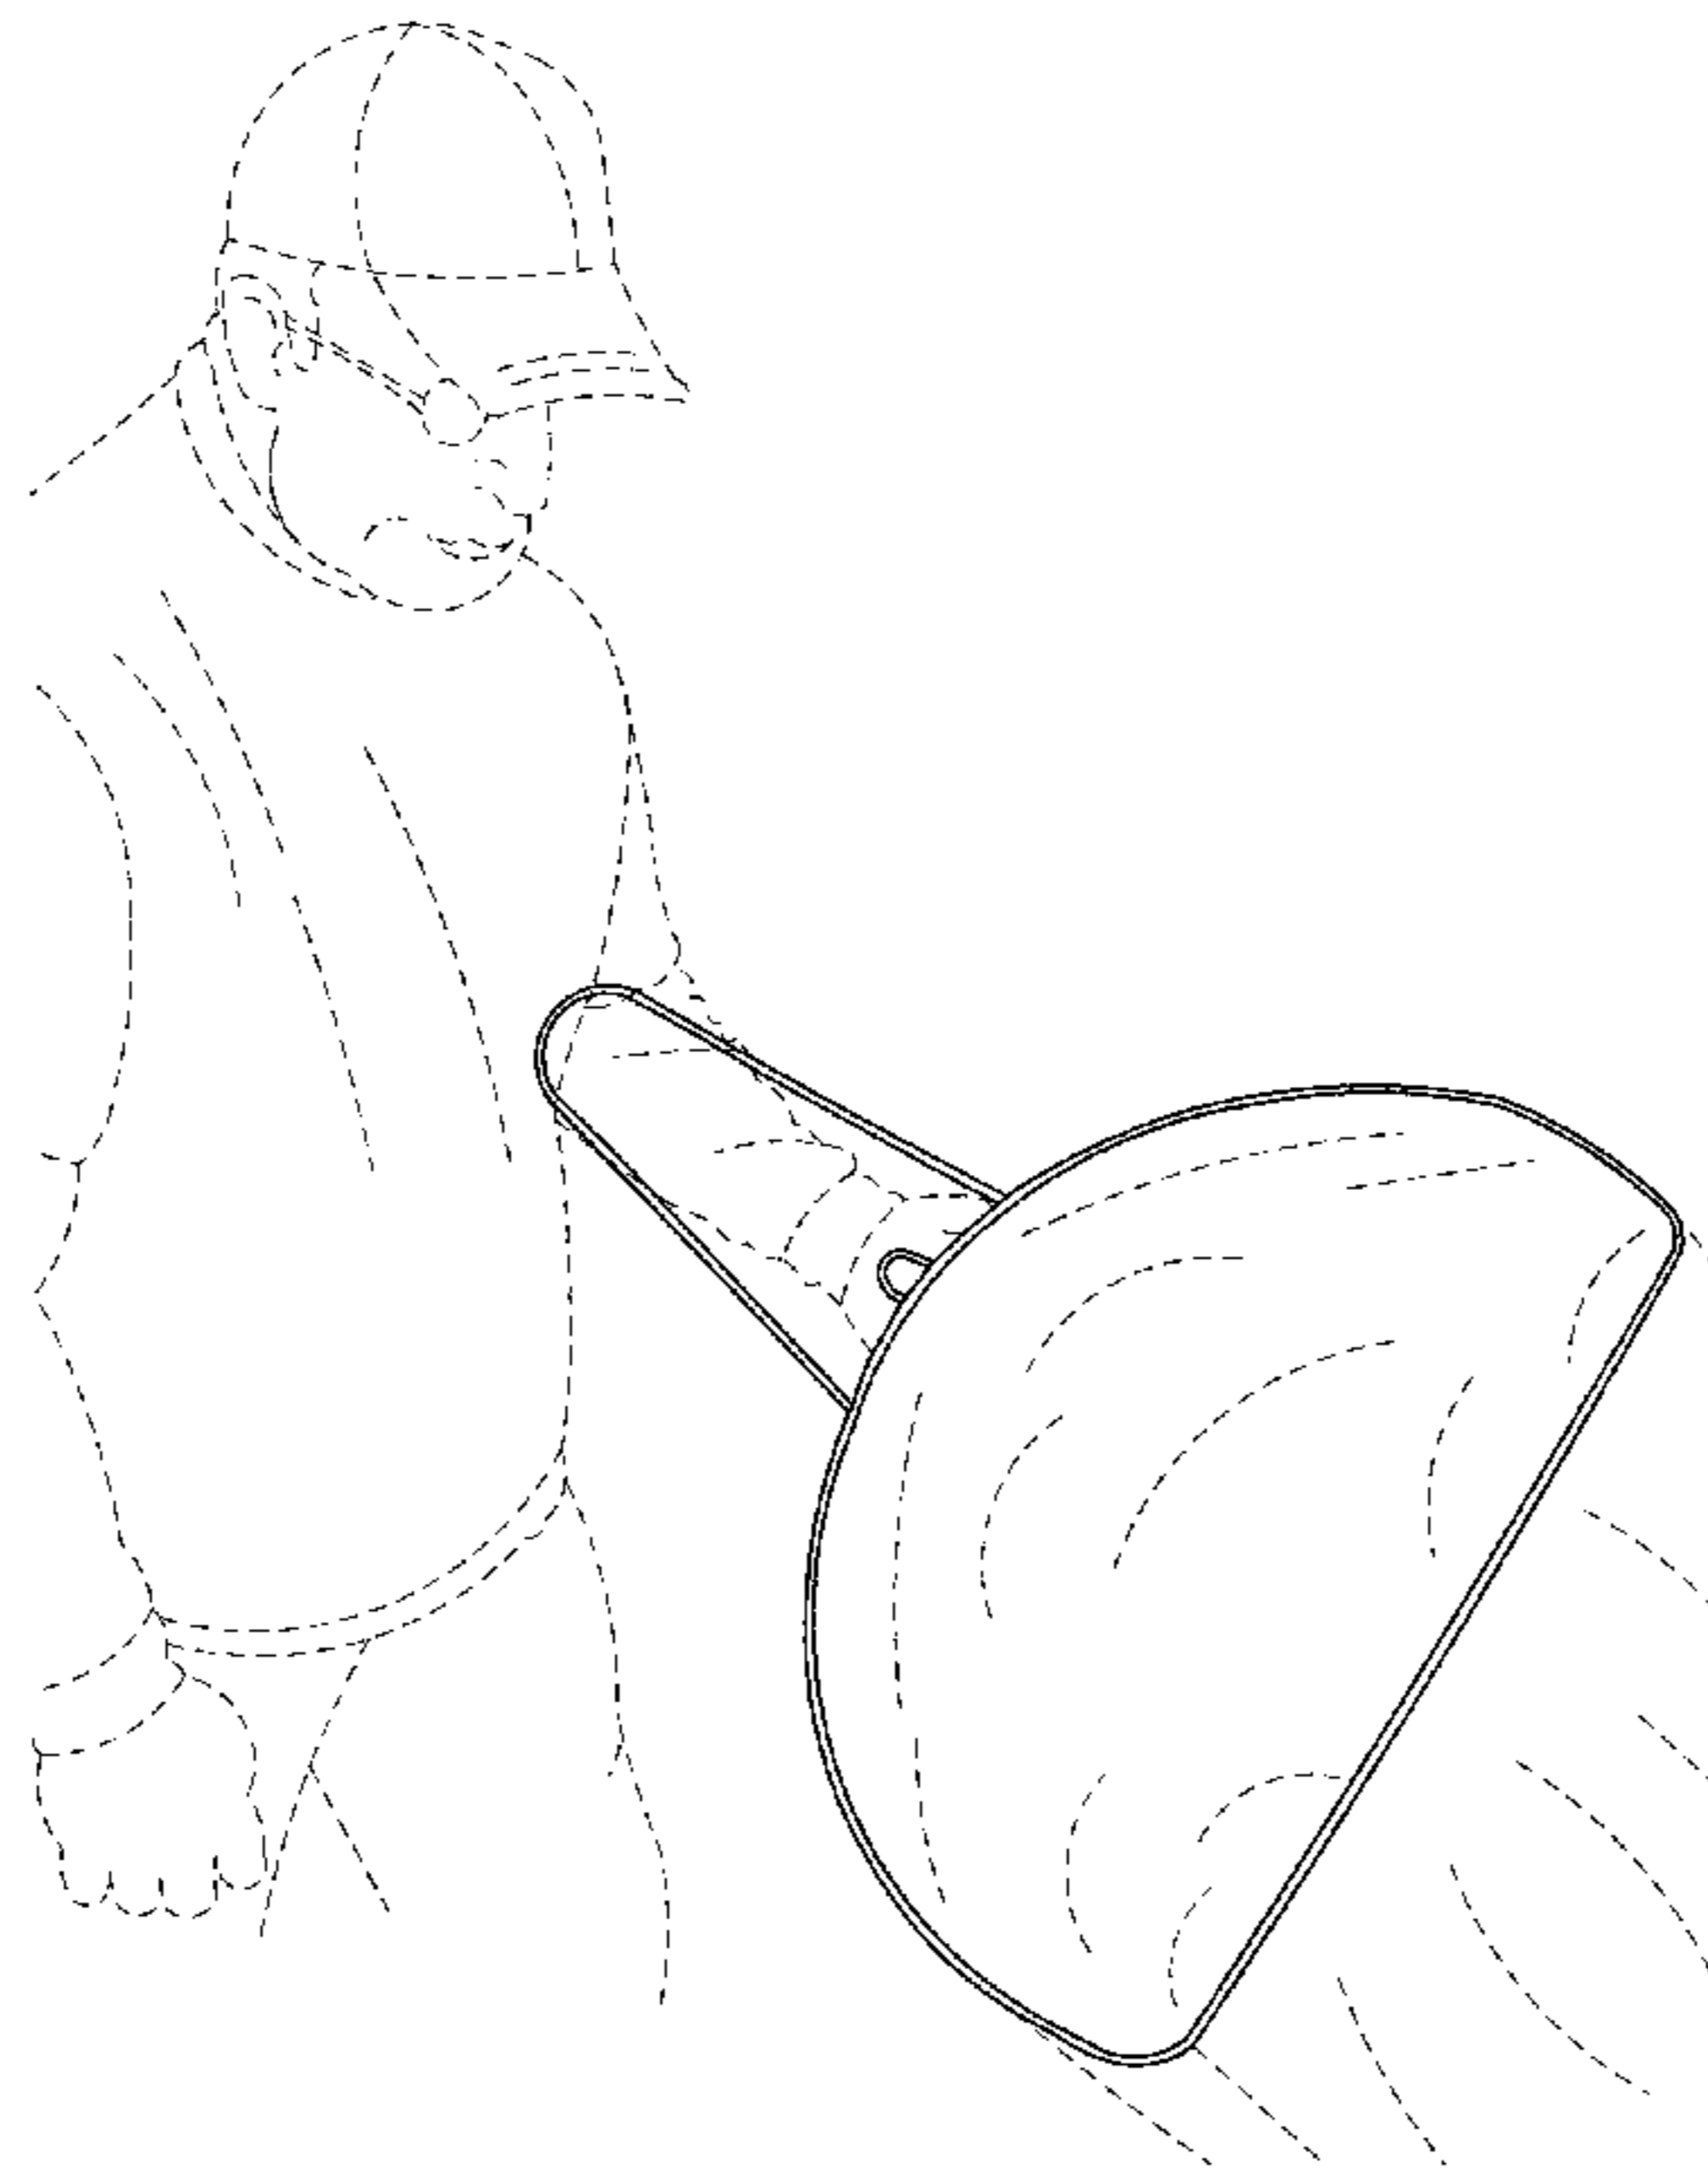

FIG. 3 is a right side elevational view thereof, the left side elevational view being a mirror image of the right side elevational view thereof;

FIG. 4 is a top elevational view of a modified embodiment of the design shown in FIGS. 1-3; and,

FIG. 5 is a side elevational view of a modified embodiment of the design shown in FIGS. 1 through 3, the left side elevational view being a mirror image of the right side elevational view thereof.

The broken lines represent environment and forms no part of the claimed design.
