(57) **CLAIM**

The ornamental design for an article of clothing for the upper torso, as shown and described.

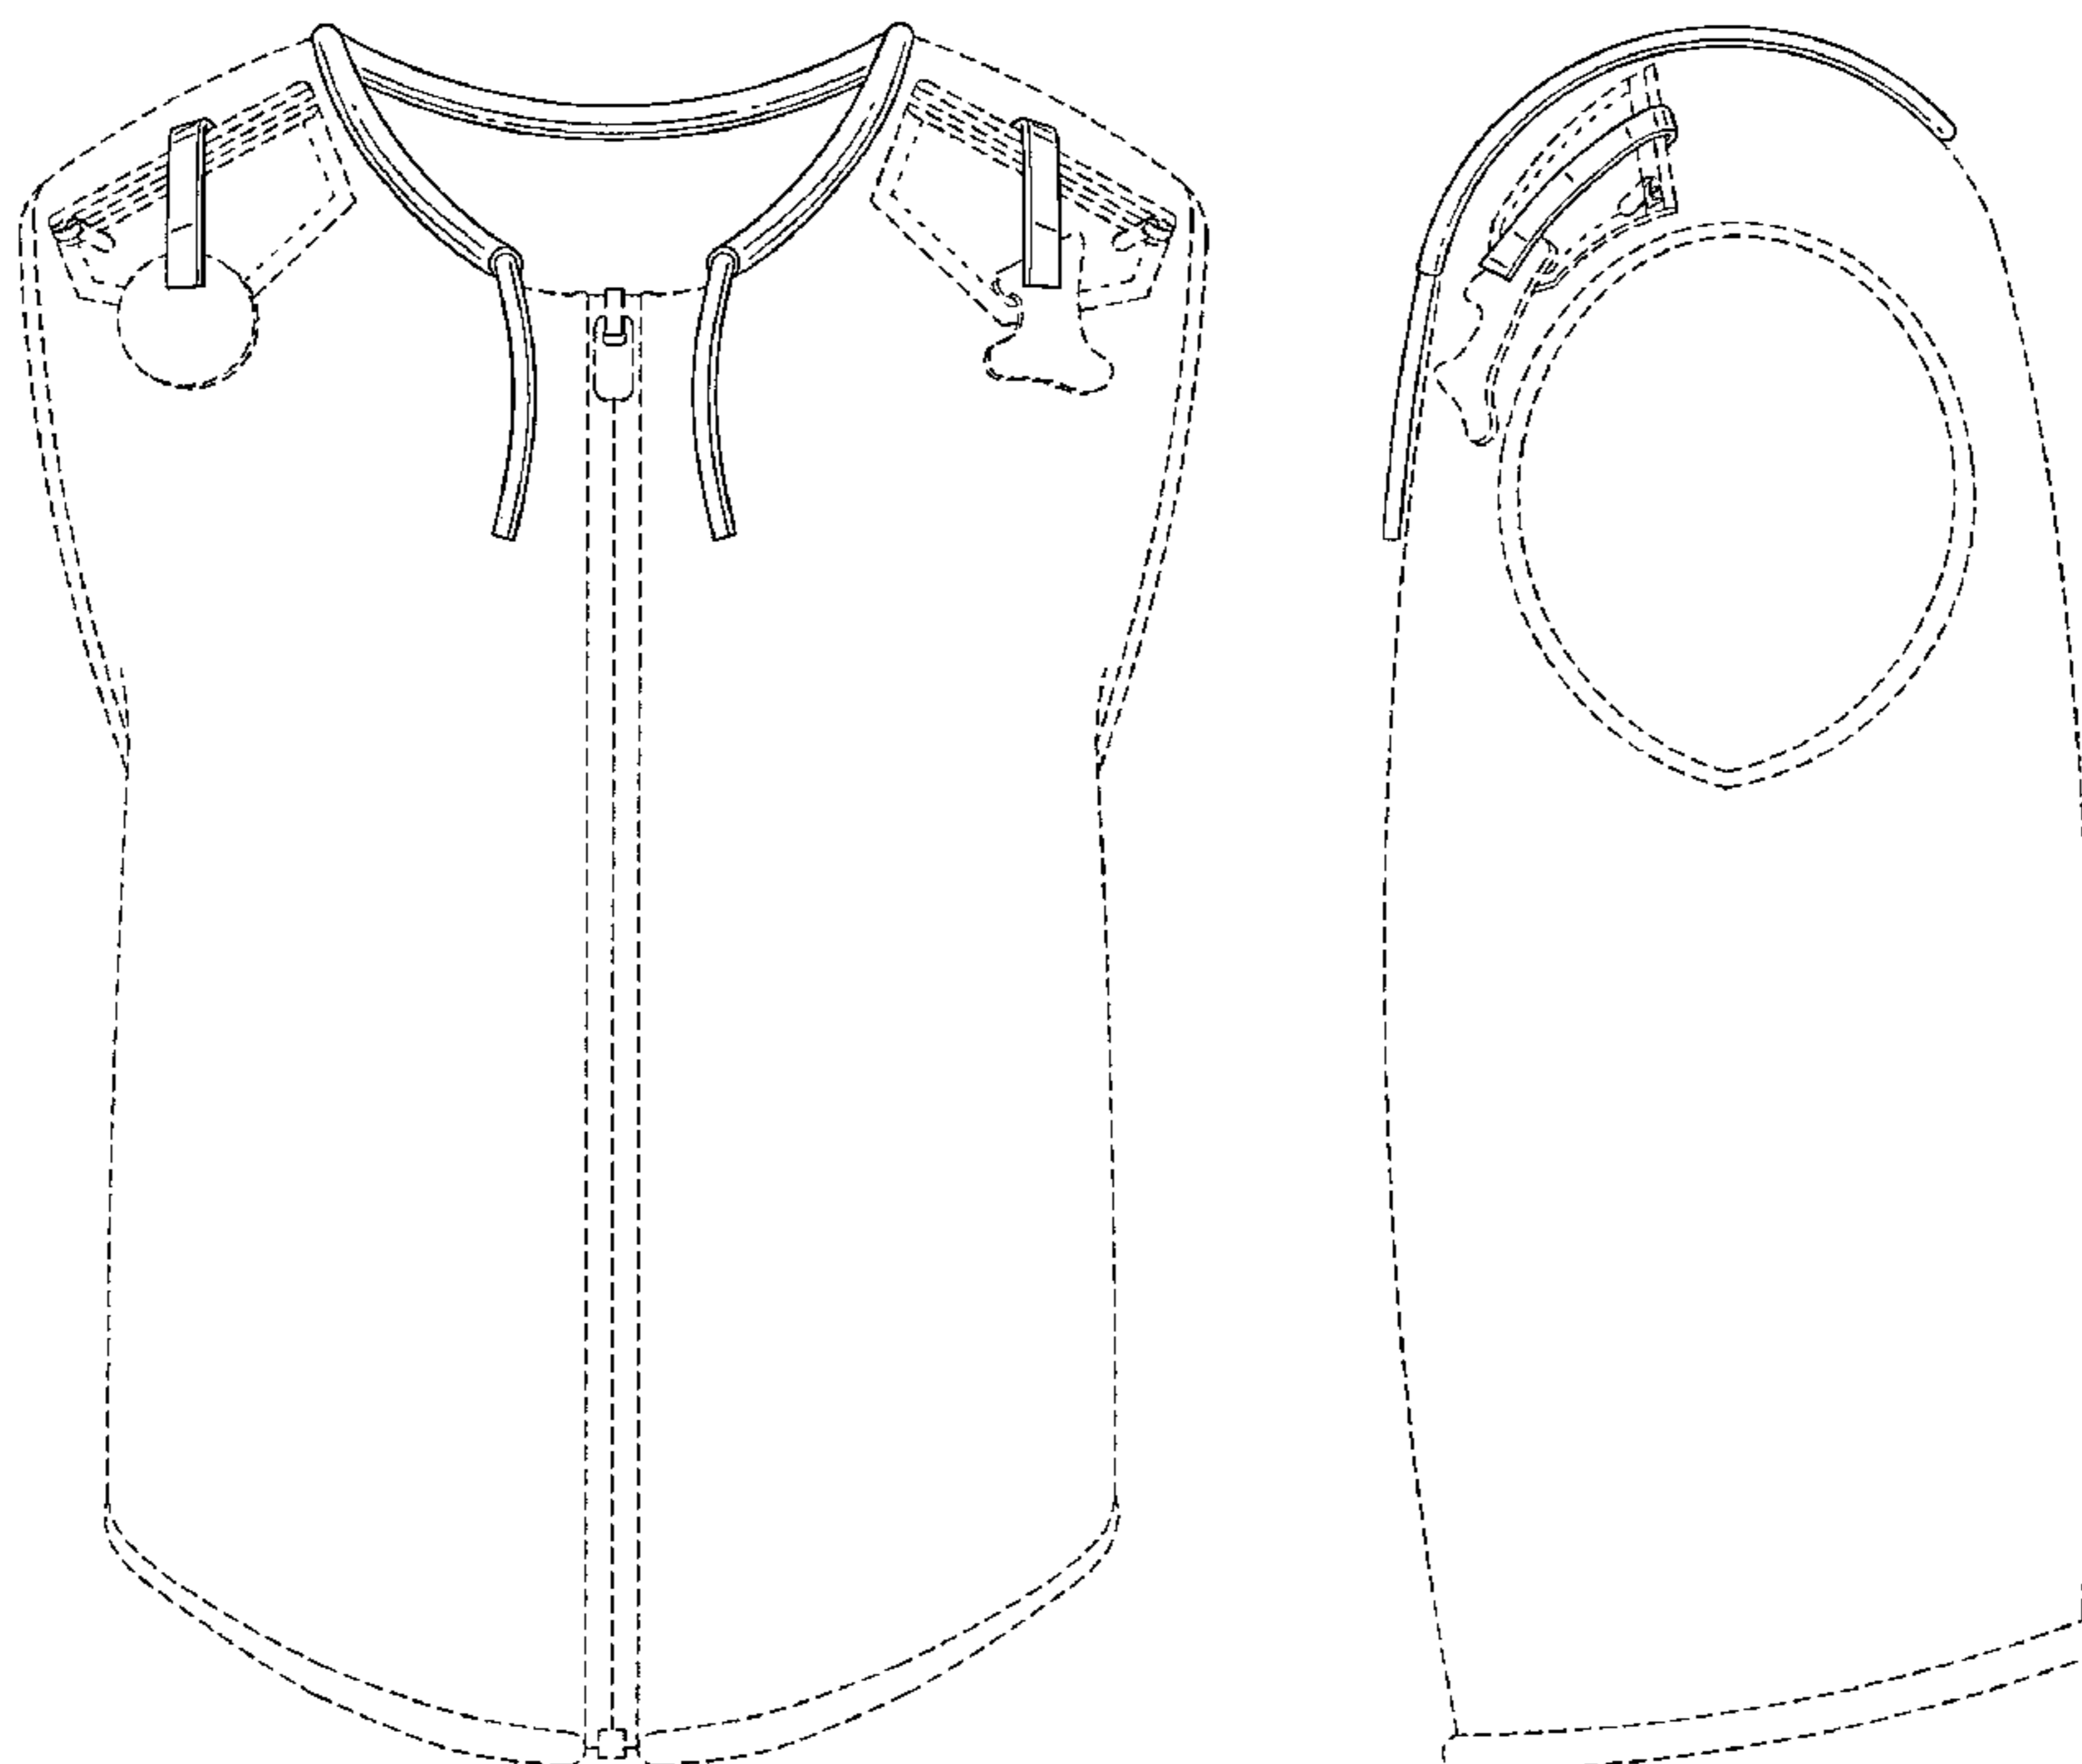

DESCRIPTION

FIG. 1 is a front elevational view of the article of clothing for the upper torso including two flexible straps adapted for the attachment of toys as well as ends of a string extending from the neck of the article of clothing for the upper torso. FIG. 2 is a left side perspective view thereof.

FIG. 3 is a right side perspective view thereof; and, FIG. 4 is a right side view thereof.

The broken lines showing the remainder of the article of clothing for the upper torso are for illustrative purposes as showing the environment of the design and form no part of the claimed design.
