(57) **CLAIM**

I claim the ornamental design for the integrated bed storage unit, as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of the integrated bed storage unit.

FIG. 2 is a second perspective view of the integrated bed storage unit.

FIG. 3 is a front view of the integrated bed storage unit.

FIG. 4 is a left side view of the integrated bed storage unit.

FIG. 5 is a back view of the integrated bed storage unit.

FIG. 6 is a top view of the integrated bed storage unit.

FIG. 7 is a bottom view of the integrated bed storage unit.

FIG. 8 is the first perspective view of the integrated bed storage unit with slideouts in open position.

FIG. 9 is the second perspective view of the integrated bed storage unit with slideouts in open position.

FIG. 10 is the front view of the integrated bed storage unit with slideouts in open position.

FIG. 11 is the left side view of the integrated bed storage unit with slideouts in open position.

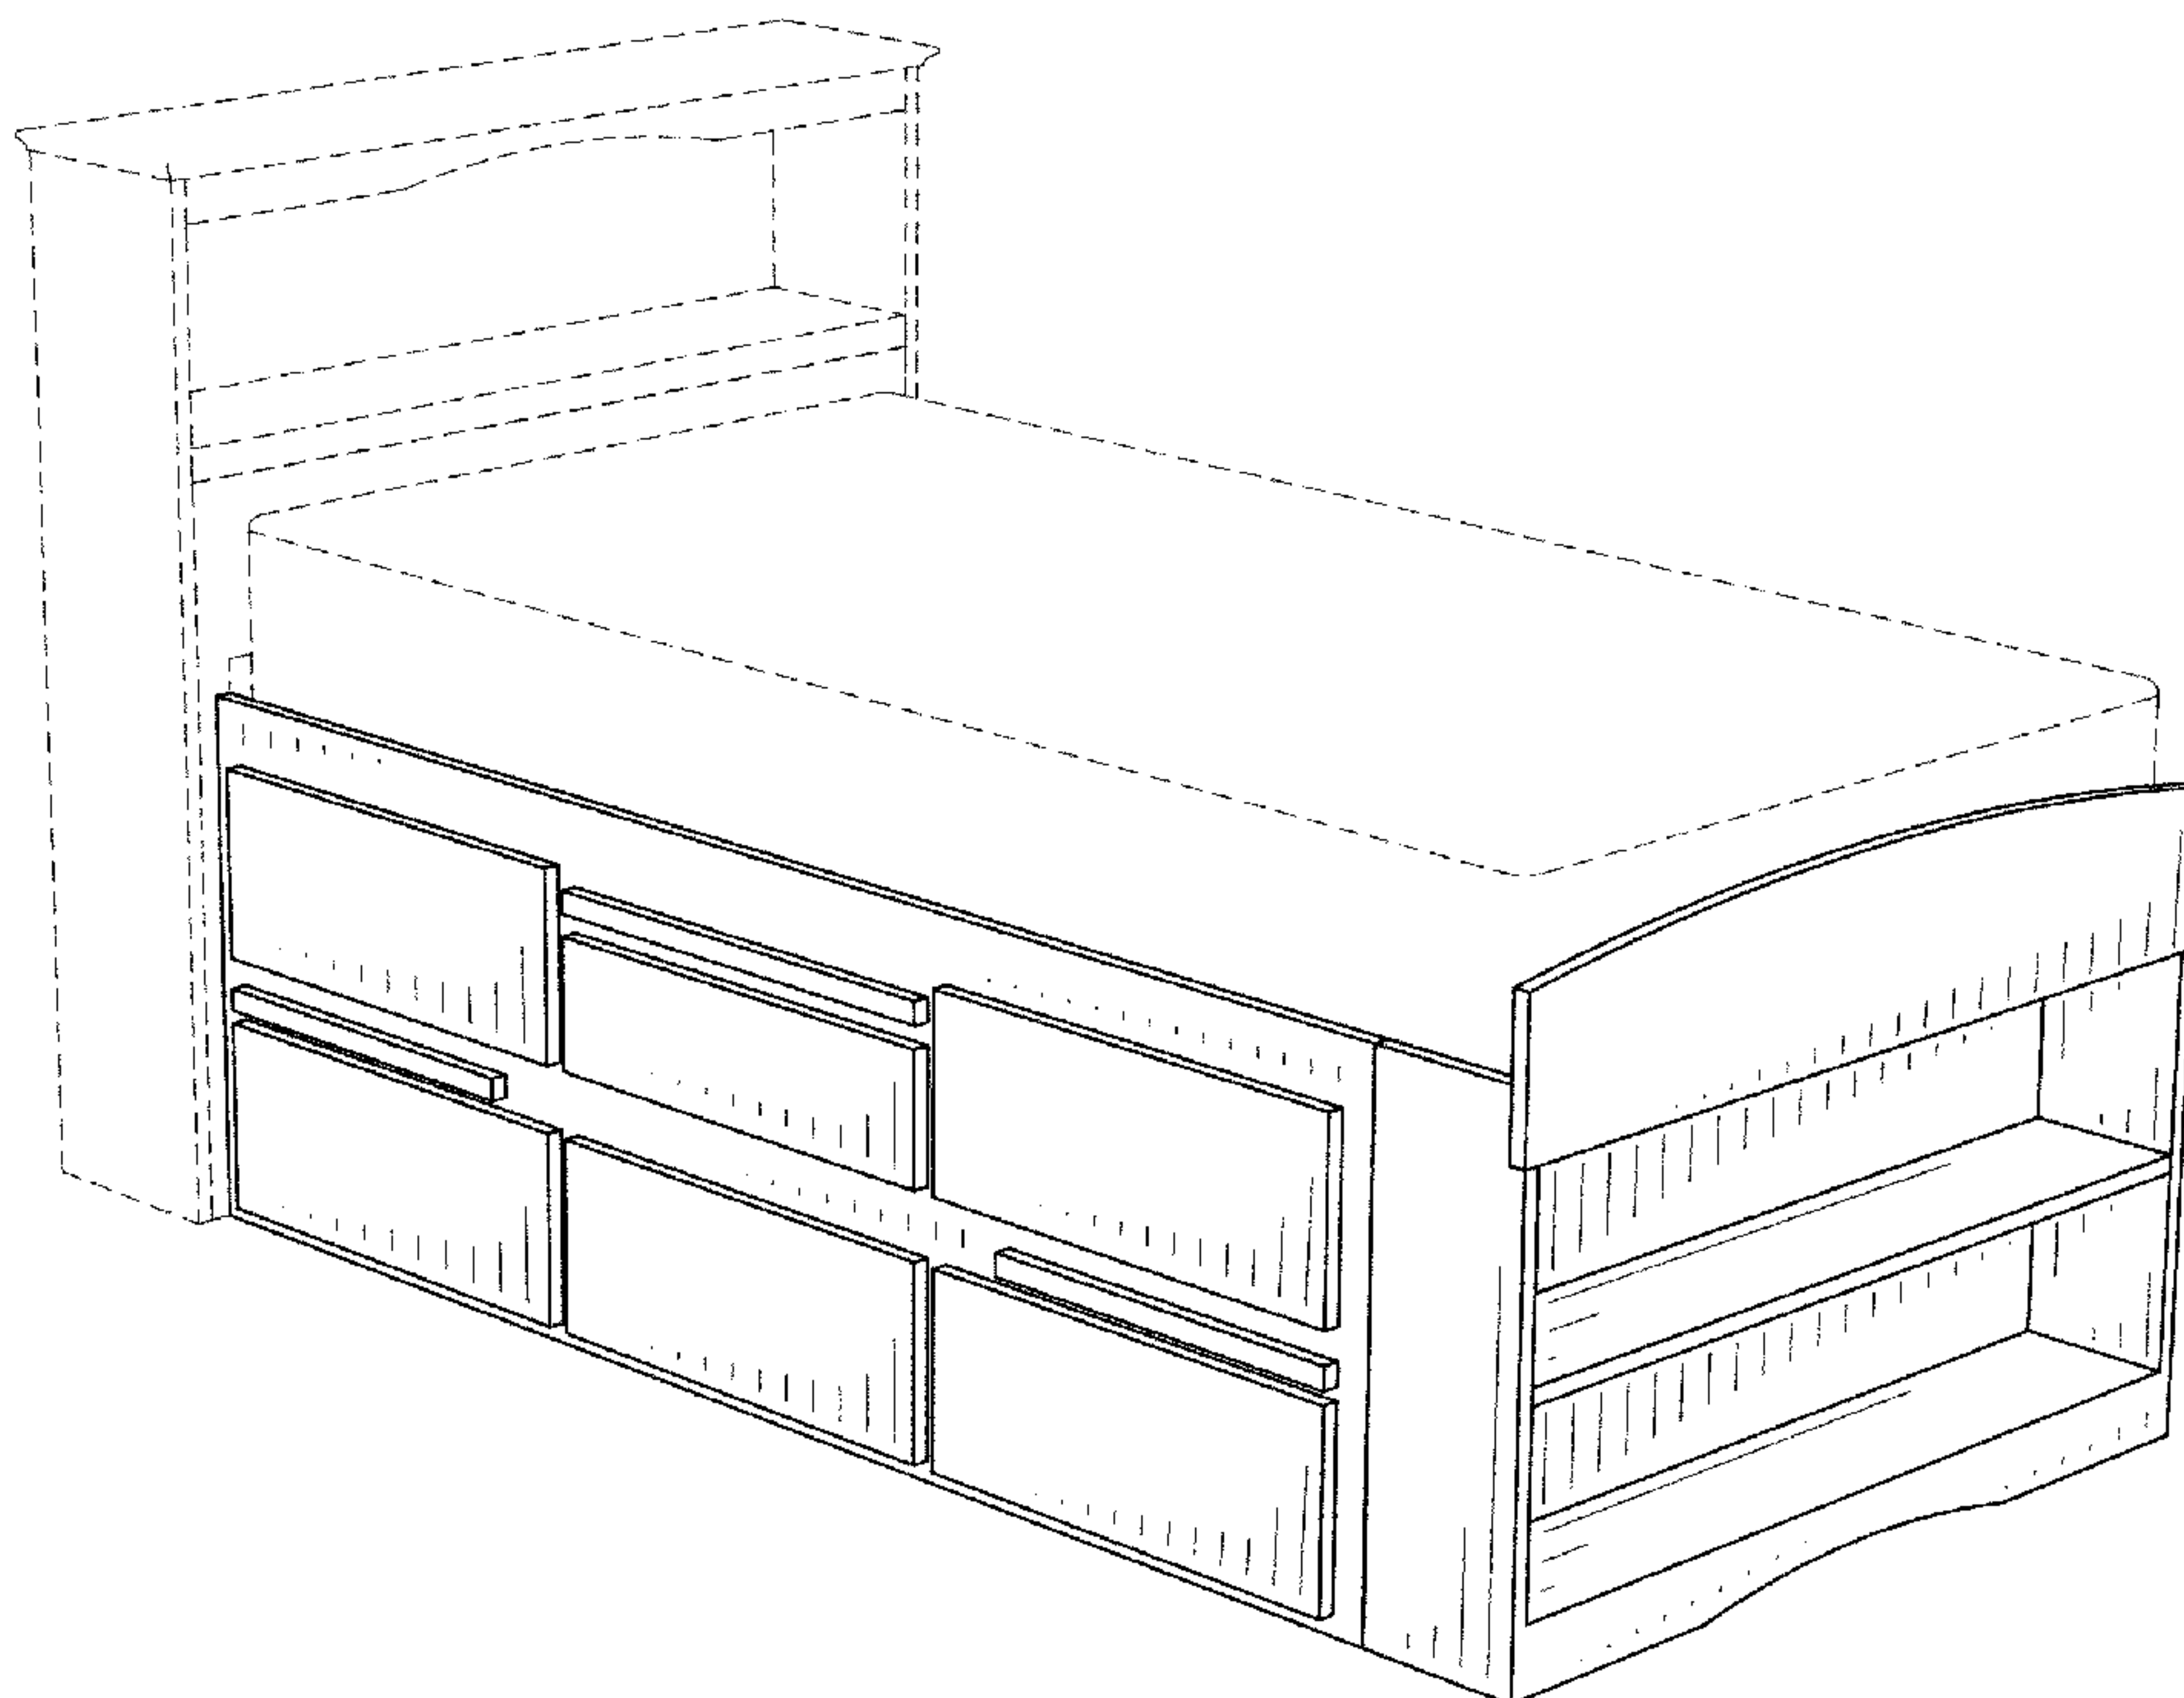

FIG. 12 is the back view of the integrated bed storage unit with slideouts in open position.

FIG. 13 is the top view of the integrated bed storage unit with slideouts in open position; and,

FIG. 14 is the bottom view of the integrated bed storage unit with slideouts in open position.

Features illustrated in phantom lines are intended to show a preferred environment for the integrated bed storage system and form no portion of the claimed invention.
