(57) **CLAIM**

The ornamental design for a mount for a portable electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a front right isometric view of a mount for a portable electronic device showing our new design with an exemplary portable electronic device shown in broken lines;

FIG. 2 is a back right isometric view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is a right side view thereof;

FIG. 5 is a left side view thereof;

FIG. 6 is a back view thereof;

FIG. 7 is a top view thereof; and,

FIG. 8 is a bottom view thereof.

The broken lines are for illustrative purposes only and form no part of the claimed design. Specifically, the broken lines are provided to illustrate the environment in which the mount for a portable electronic device may be used.
