Primary Examiner — Kevin Rudzinski

(57) **CLAIM**
I claim the ornamental design for a foldable light diffuser, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the first embodiment of a foldable light diffuser shown in the folded configuration, showing my new design;
FIG. 2 is a front elevation view thereof;
FIG. 3 is a back elevation view thereof;
FIG. 4 is a right side elevation view thereof, the left side elevation view being the same;
FIG. 5 is a top plan view thereof;
FIG. 6 is a bottom plan view thereof;
FIG. 7 is a right side elevation view shown with the fastening hitch closed;
FIG. 8 is a front view of a foldable light diffuser in an unfolded configuration;
FIG. 9 is a perspective view of a foldable light diffuser in a partially folded configuration;
FIG. 10 is a perspective view of a foldable light diffuser in a partially folded configuration;
FIG. 11 is a front elevation view of a foldable light diffuser shown attached to a representative light-emitting devices depicted by broken lines; and,
FIG. 12 is a right side elevation view thereof, the left side elevation view being the same.
The broken lines shown in the drawings illustrate portions of light-emitting devices that form no part of the claimed design.
