(57) **CLAIM**

We claim the ornamental design for a washing machine displaying graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a washing machine displaying graphical user interface showing our new design; and, FIG. 2 is an enlarged view of FIG. 1 wherein the graphical user interface is shown separately for clarity of illustration.

The broken line showing of the washing machine in FIG. 1 illustrates environmental structure and forms no part of the claimed design. The broken line in the drawings of the wording illustrate portions of the washing machine displaying graphical user interface which form no part of the claimed design.
