(57) **CLAIM**

We claim the ornamental design for an identification helix for stemware, mugs, and steins, as shown and described in the drawings attached.

DESCRIPTION

FIG. 1 is a front isometric view of the identification helix for stemware, mugs, and steins, showing our new design;
FIG. 2 is a top elevational view of the identification helix for stemware, mugs, and steins;
FIG. 3 is a bottom elevational view of the identification helix for stemware, mugs, and steins;
FIG. 4 is left side-elevational view of the identification helix for stemware, mugs, and steins; and,
FIG. 5 is a right side-elevational view of the identification helix for stemware, mugs, and steins.
