(57) **CLAIM**

The ornamental design for a handset for interactive learning, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

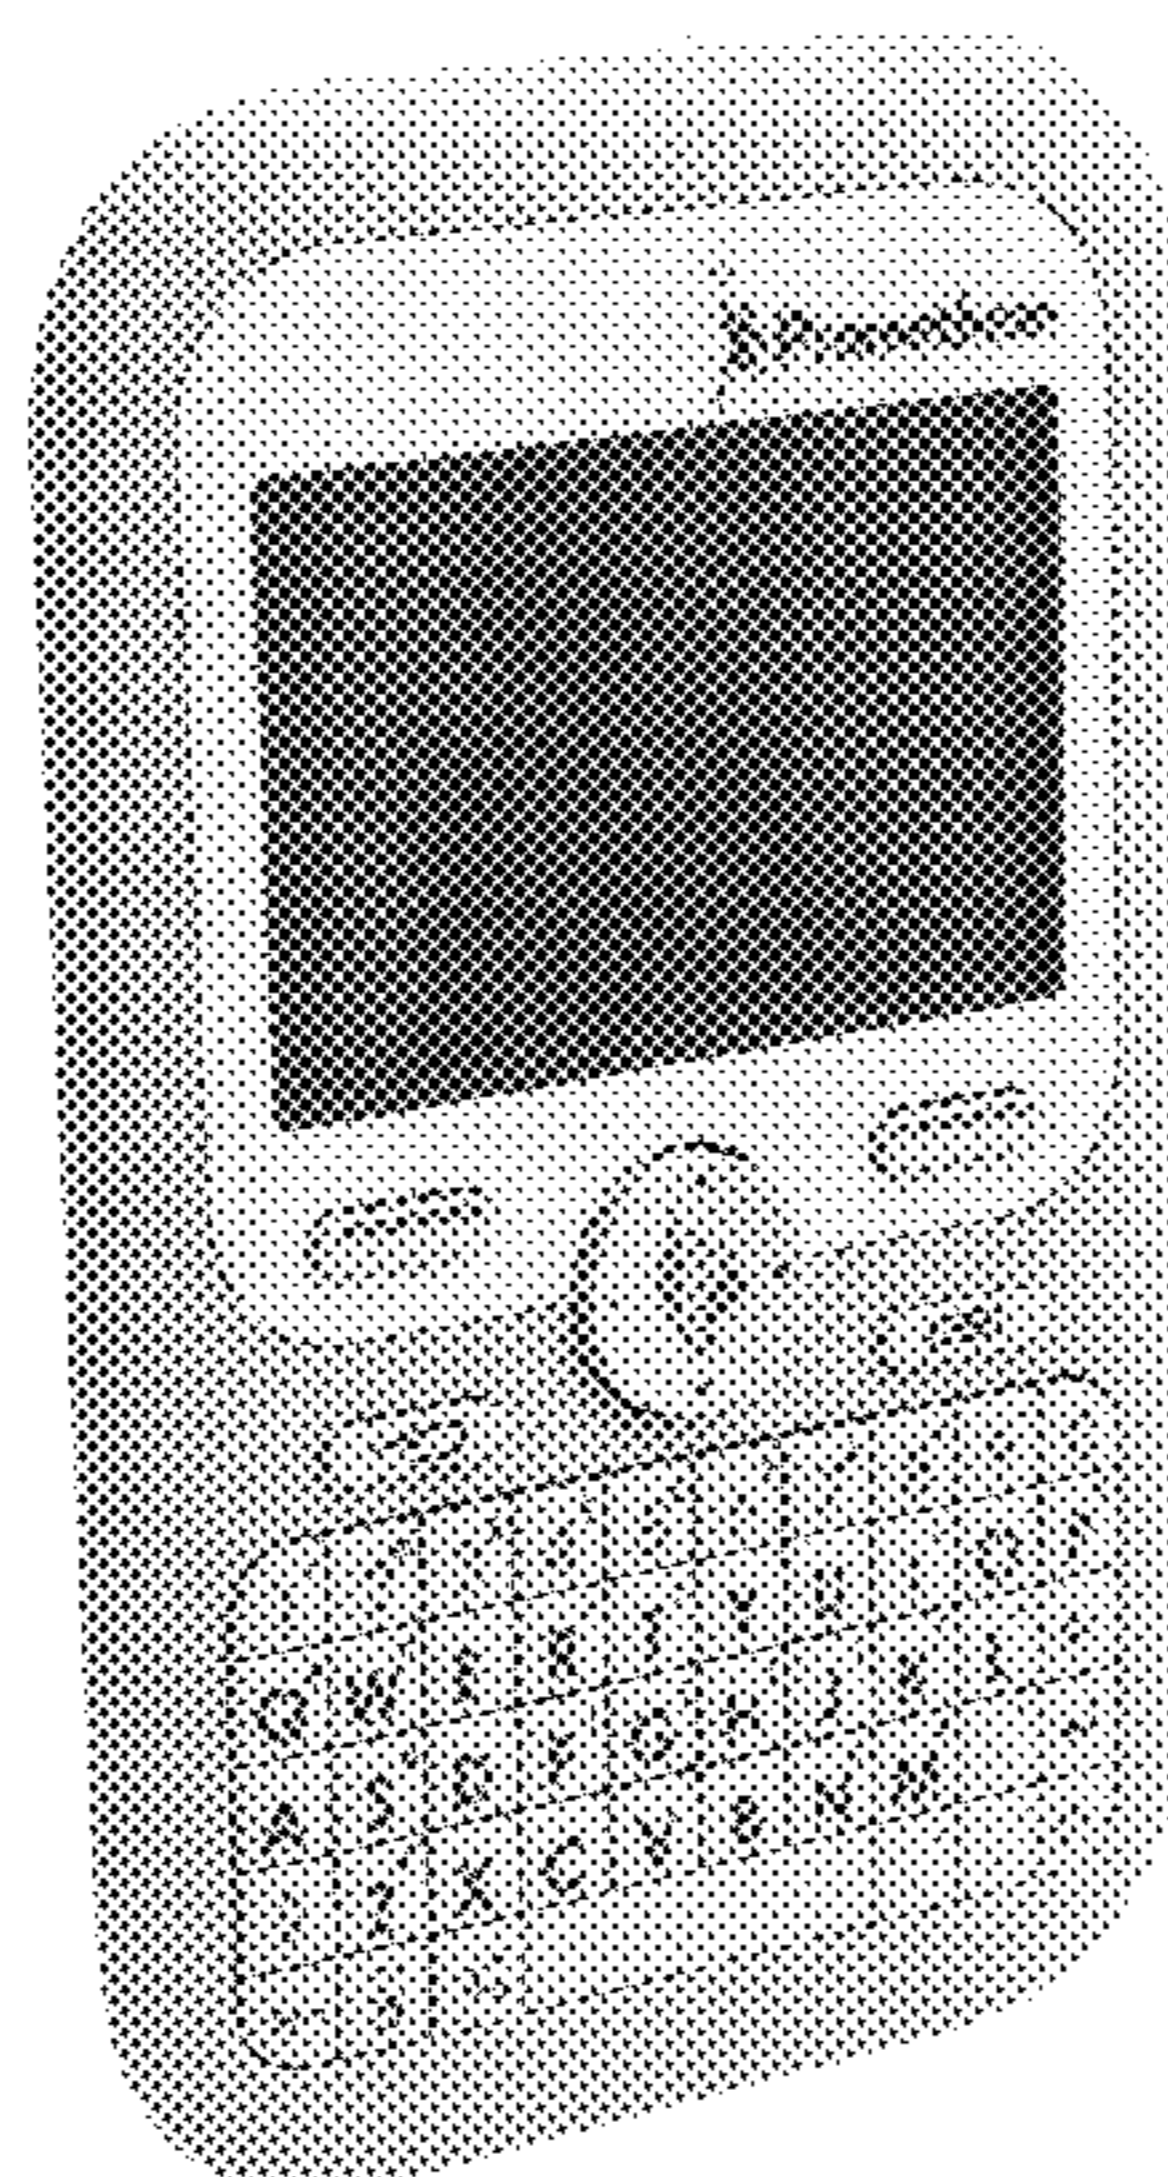

FIG. 1 is a perspective left front view of a handset for interactive learning of the claimed design; and,

FIG. 2 is a front view of the handset for interactive learning shown in FIG. 1.

The rear edge of the top and left side as shown in FIG. 1 represents the termination of a substantially quarter-round surface that does not include any inward curvature.

“Promethean” forming part of the claimed design is a registered trademark of Promethean Limited Corporation, Blackburn Lancashire, United Kingdom.
