(57) **CLAIM**

The ornamental design for material with printed pattern, as shown and described.

DESCRIPTION

FIG. 1 is a front view of one embodiment of a material with printed pattern showing my new design.

FIG. 2 is a front view of another embodiment of a material with printed pattern showing my new design.

FIG. 3 is a front view of another embodiment of a material with printed pattern showing my new design.

FIG. 4 is a front view of another embodiment of a material with printed pattern showing my new design.

FIG. 5 is a front view of another embodiment of a material with printed pattern showing my new design.

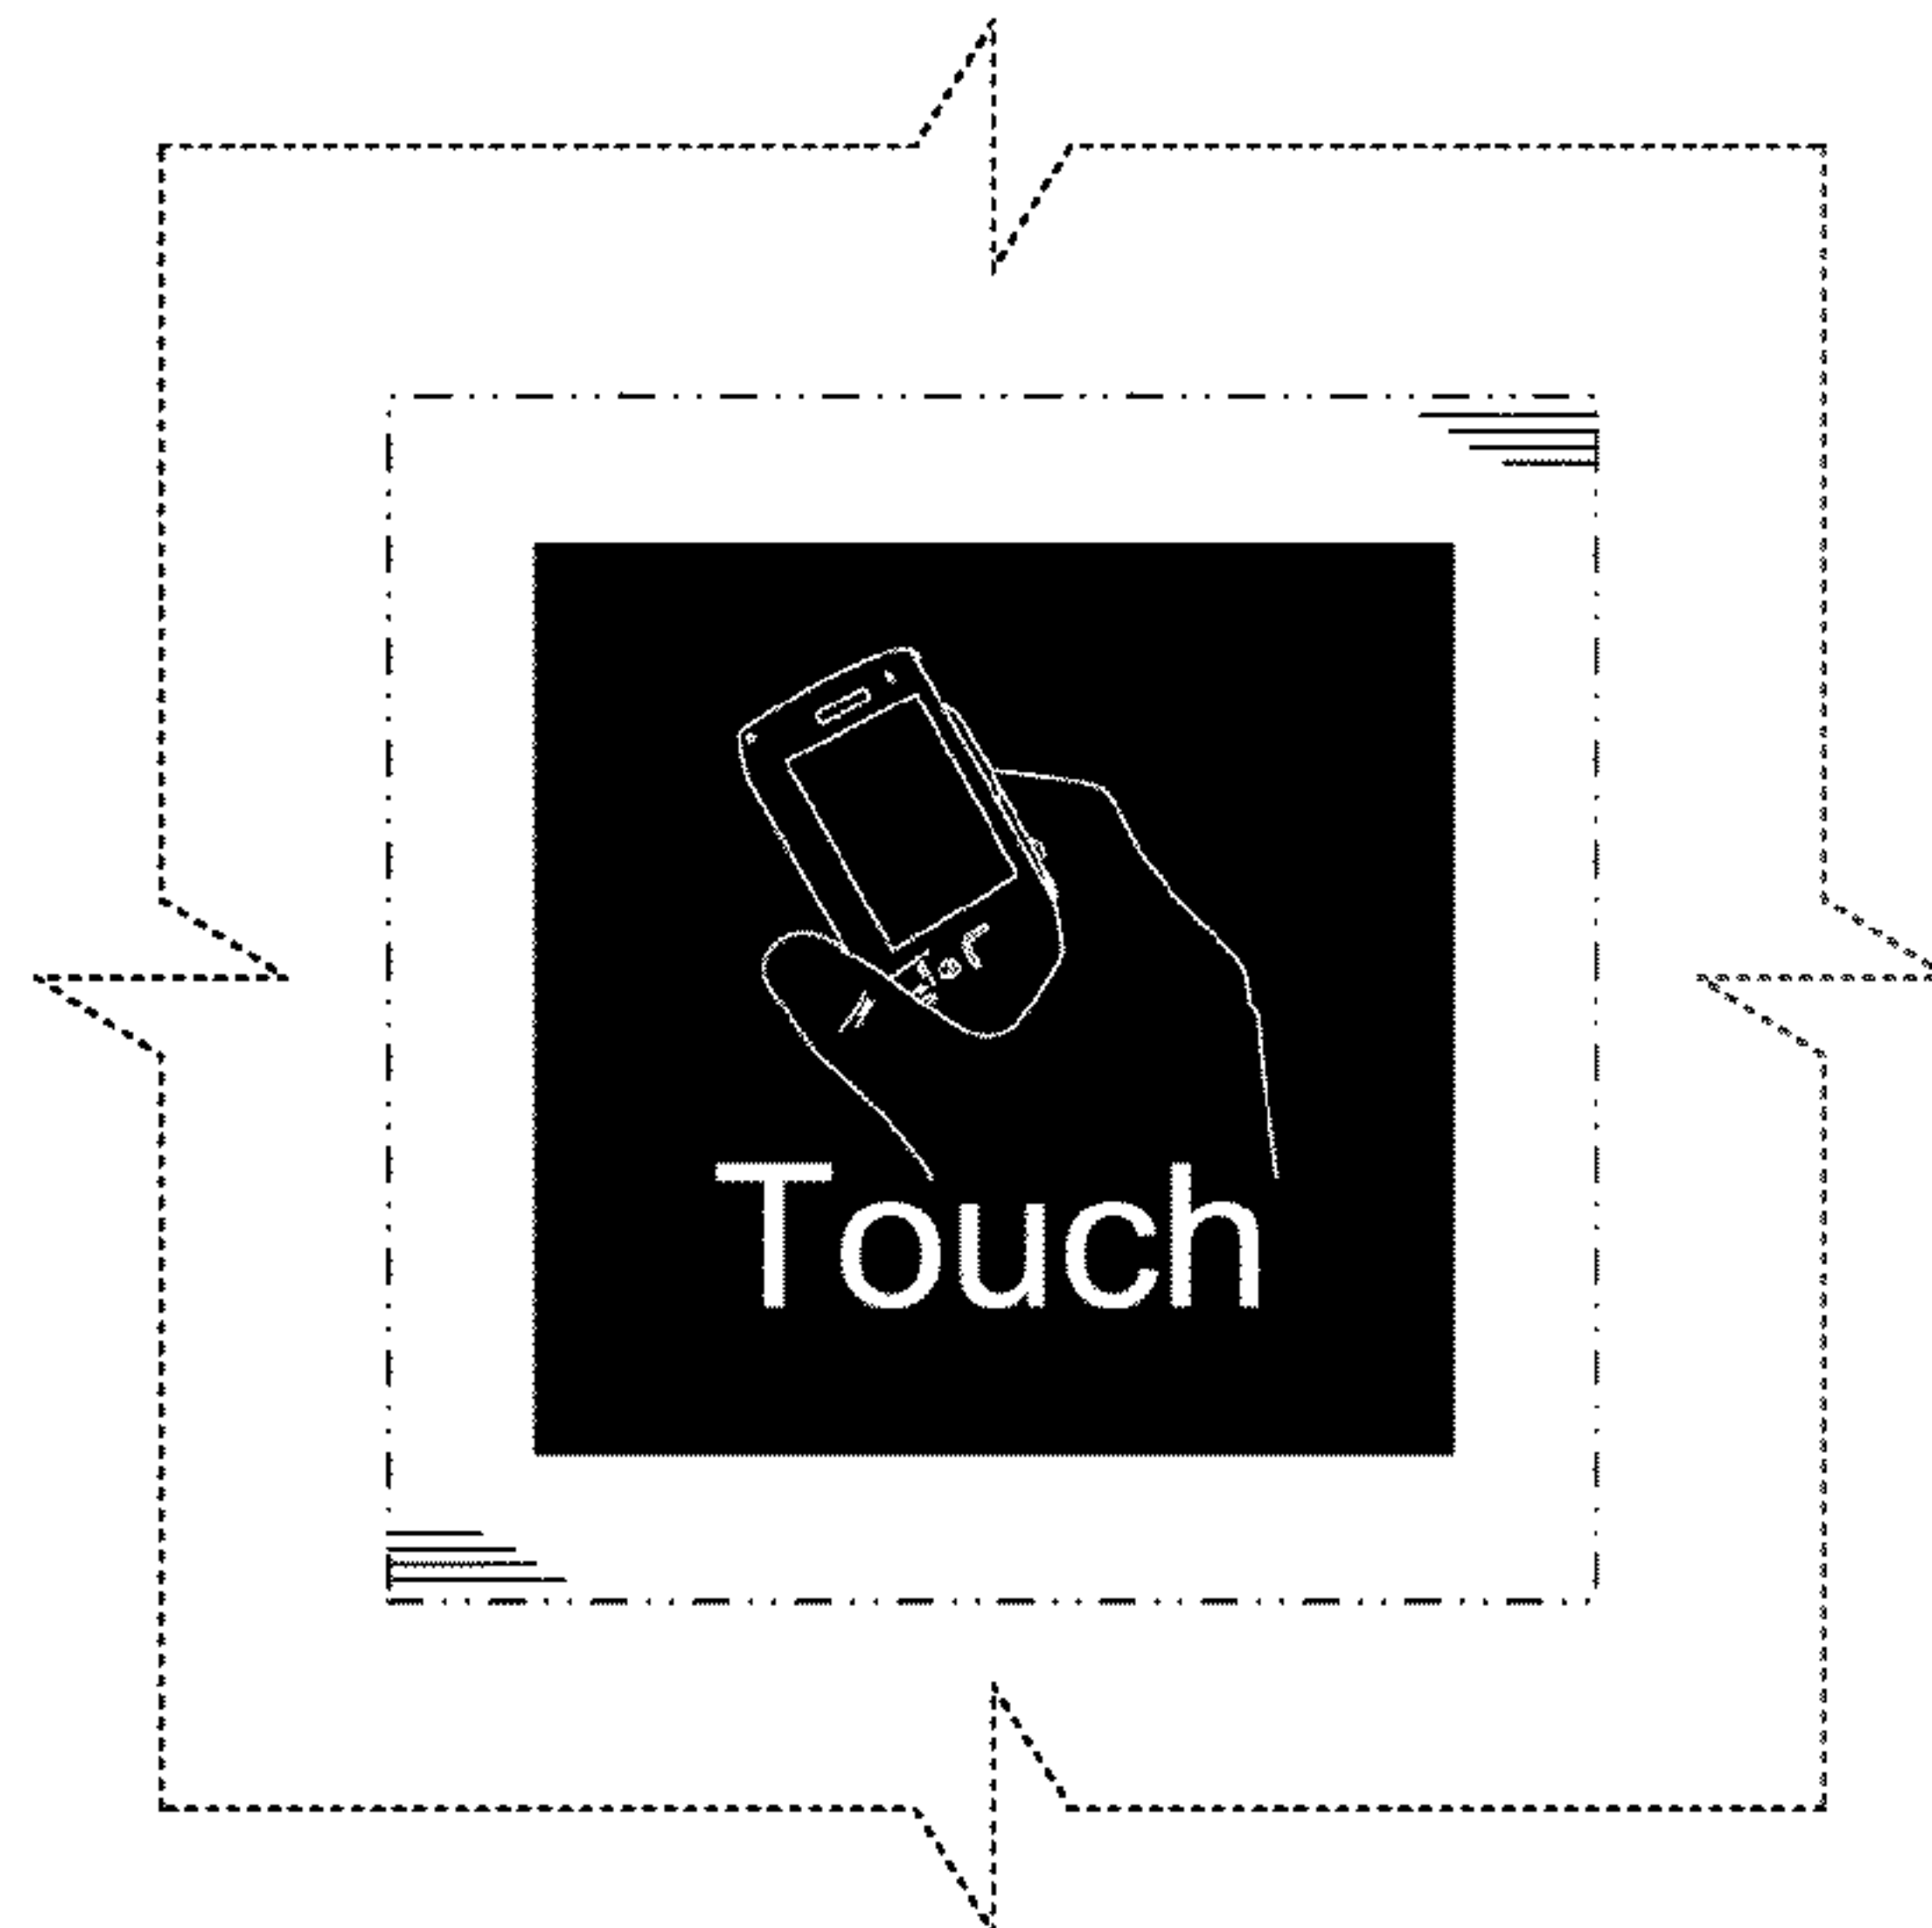

FIG. 6 is a front view of another embodiment of a material with printed pattern showing my new design.

FIG. 7 is a front view of another embodiment of a material with printed pattern showing my new design; and,

FIG. 8 is a front view of another embodiment of a material with printed pattern showing my new design.

The evenly spaced broken lines illustrate environment and form no part of the claimed design. The dot-dot-dash broken lines represent the boundaries of the claimed design and form no part thereof.
