(57) **CLAIM**

We claim the ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material that is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the United States Patent and Trademark Office patent files or records, but otherwise reserves all copyright rights whatsoever.

The FIGURE is a front view of a display screen with graphical user interface.

The broken lines showing in a portion of a display screen, text and other elements in the FIGURES are for illustrative purposes only and form no part of the claimed design.
