(57) **CLAIM**

I claim the ornamental design for a data transmission cable, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a data transmission cable;
FIG. **2** is a second perspective view of a data transmission cable;
FIG. **3** is a third perspective view of a data transmission cable;
FIG. **4** is a front elevation view of a data transmission cable;
FIG. **5** is a bottom plan view of a data transmission cable;
FIG. **6** is a top plan view of a data transmission cable; and,
FIG. **7** is a right side elevation view of a data transmission cable, the mirror of which constitutes a left side elevation view of the same.
