(57) **CLAIM**

The ornamental design for a display screen or portion thereof
with graphical user interface, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains
material to which a claim for copyright and trademark is
made. The copyright and trademark owner has no objection to
the reproduction of the patent document of the patent disclo-
sure, as it appears in the U.S. Patent Office records, but
reserves all other copyright and trademark rights whatsoever.
The FIGURE is a front view of a display screen or portion
thereof with graphical user interface.

The broken lines showing a display screen or portion thereof
and all text in dots form no part of the claimed design.
