(57) **CLAIM**
The ornamental design for a display panel with a video playback panel of a programmed computer system with a graphical user interface, as shown and described.

DESCRIPTION

The single FIGURE is a front view of a display panel of a video playback panel of a programmed computer system with a graphical user interface showing our new design. The broken lines shown in the drawings illustrate portions of the graphical user interface that form no part of the design.

1 Claim, 1 Drawing Sheet
