See application file for complete search history.

The appearance of the animated graphical user interface sequentially transitions between the images shown in FIGS. 1-16 and in FIGS. 17-32. The process or period in which one image transitions to another forms no part of the claimed design. The broken line showing of the device having the display screen in FIGS. 17-32 is for environmental purposes only and forms no part of the claimed design.
