(57) **CLAIM**

The ornamental design for a lens mount, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the lens mount having the lens inserted. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design. FIG. 2 is a front view of the lens mount having the lens removed.

FIG. 3 is a rear view of the lens mount having the lens inserted. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design.

FIG. 4 is a top view of the lens mount. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design.

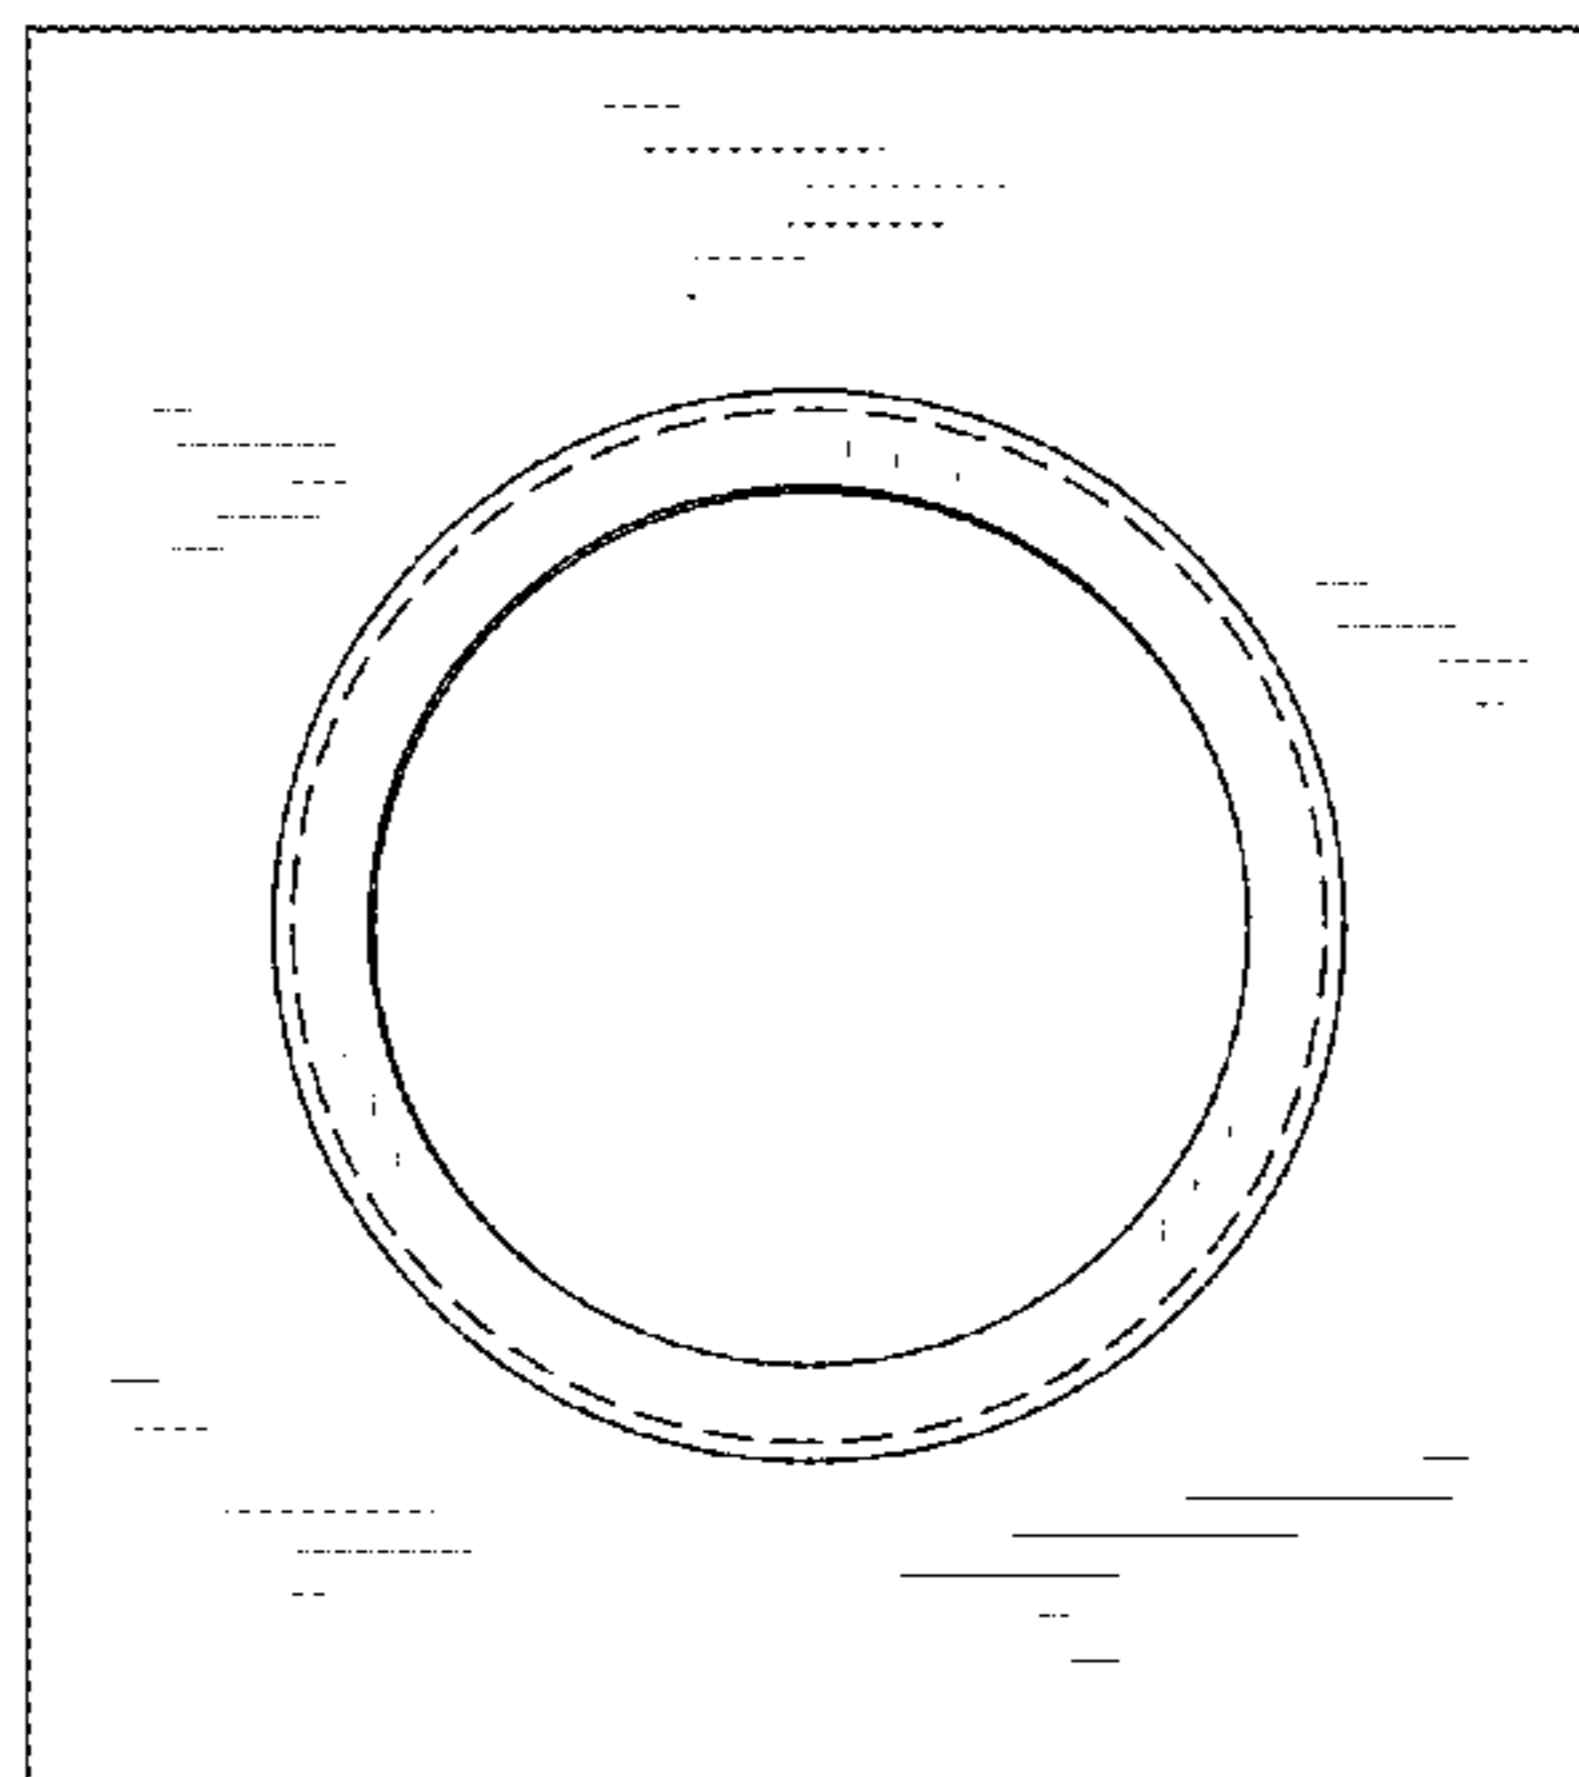

FIG. 5 is a bottom view of the lens mount. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design.

FIG. 6 is a right side view of the lens mount. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design.

FIG. 7 is a left side view of the lens mount. The broken line disclosure (the lens) is for illustrative purposes only and forms no part of the claimed design; and,

FIG. 8 is a left side view of the lens mount.
