(57) **CLAIM**

The ornamental design for a positionable power receptacle, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the positionable power receptacle showing the first embodiment of our new design; FIG. 2 is a side perspective view thereof; FIG. 3 is a side view of FIG. 1 in use after in-wall installation; FIG. 4 is a front view showing the second embodiment of our new design; FIG. 5 is a side perspective view thereof; and, FIG. 6 is a side view of FIG. 4 in use after in-wall installation. In the drawings a symbolic break is shown in the power receptacle's length. The appearance of any portion of the article between the break lines forms no part of the claimed design. In the drawings, the broken lines depict environmental subject matter only and form no part of the claimed design.
