(57) **CLAIM**

The ornamental design for a combined surface for a shipping box and shipping box, as shown and described.

DESCRIPTION

FIG. 1 is a view of a shipping box showing a first embodiment of the new design, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, the rectangular border to the new design in broken lines, the “Antibacterial” text in broken lines, and the broken line encircling the design, are for illustrative purposes only and form no part of the claimed design.

FIG. 2 is a front view of a shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, the rectangular border to the new design in broken lines, the “Antibacterial” text in broken lines, and the broken line encircling the design, are for illustrative purposes only and form no part of the claimed design.

FIG. 3 is a rear view of the shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, are for illustrative purposes only and form no part of the claimed design.

FIG. 4 is a left side view of the shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, are for illustrative purposes only and form no part of the claimed design.

FIG. 5 is a right side view of the shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, are for illustrative purposes only and form no part of the claimed design.

FIG. 6 is a top view of the shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, are for illustrative purposes only and form no part of the claimed design.

FIG. 7 is a bottom view of the shipping box of FIG. 1, wherein the portions of the drawings shown in broken lines, i.e., the broken line edges of the box, are for illustrative purposes only and form no part of the claimed design; and,

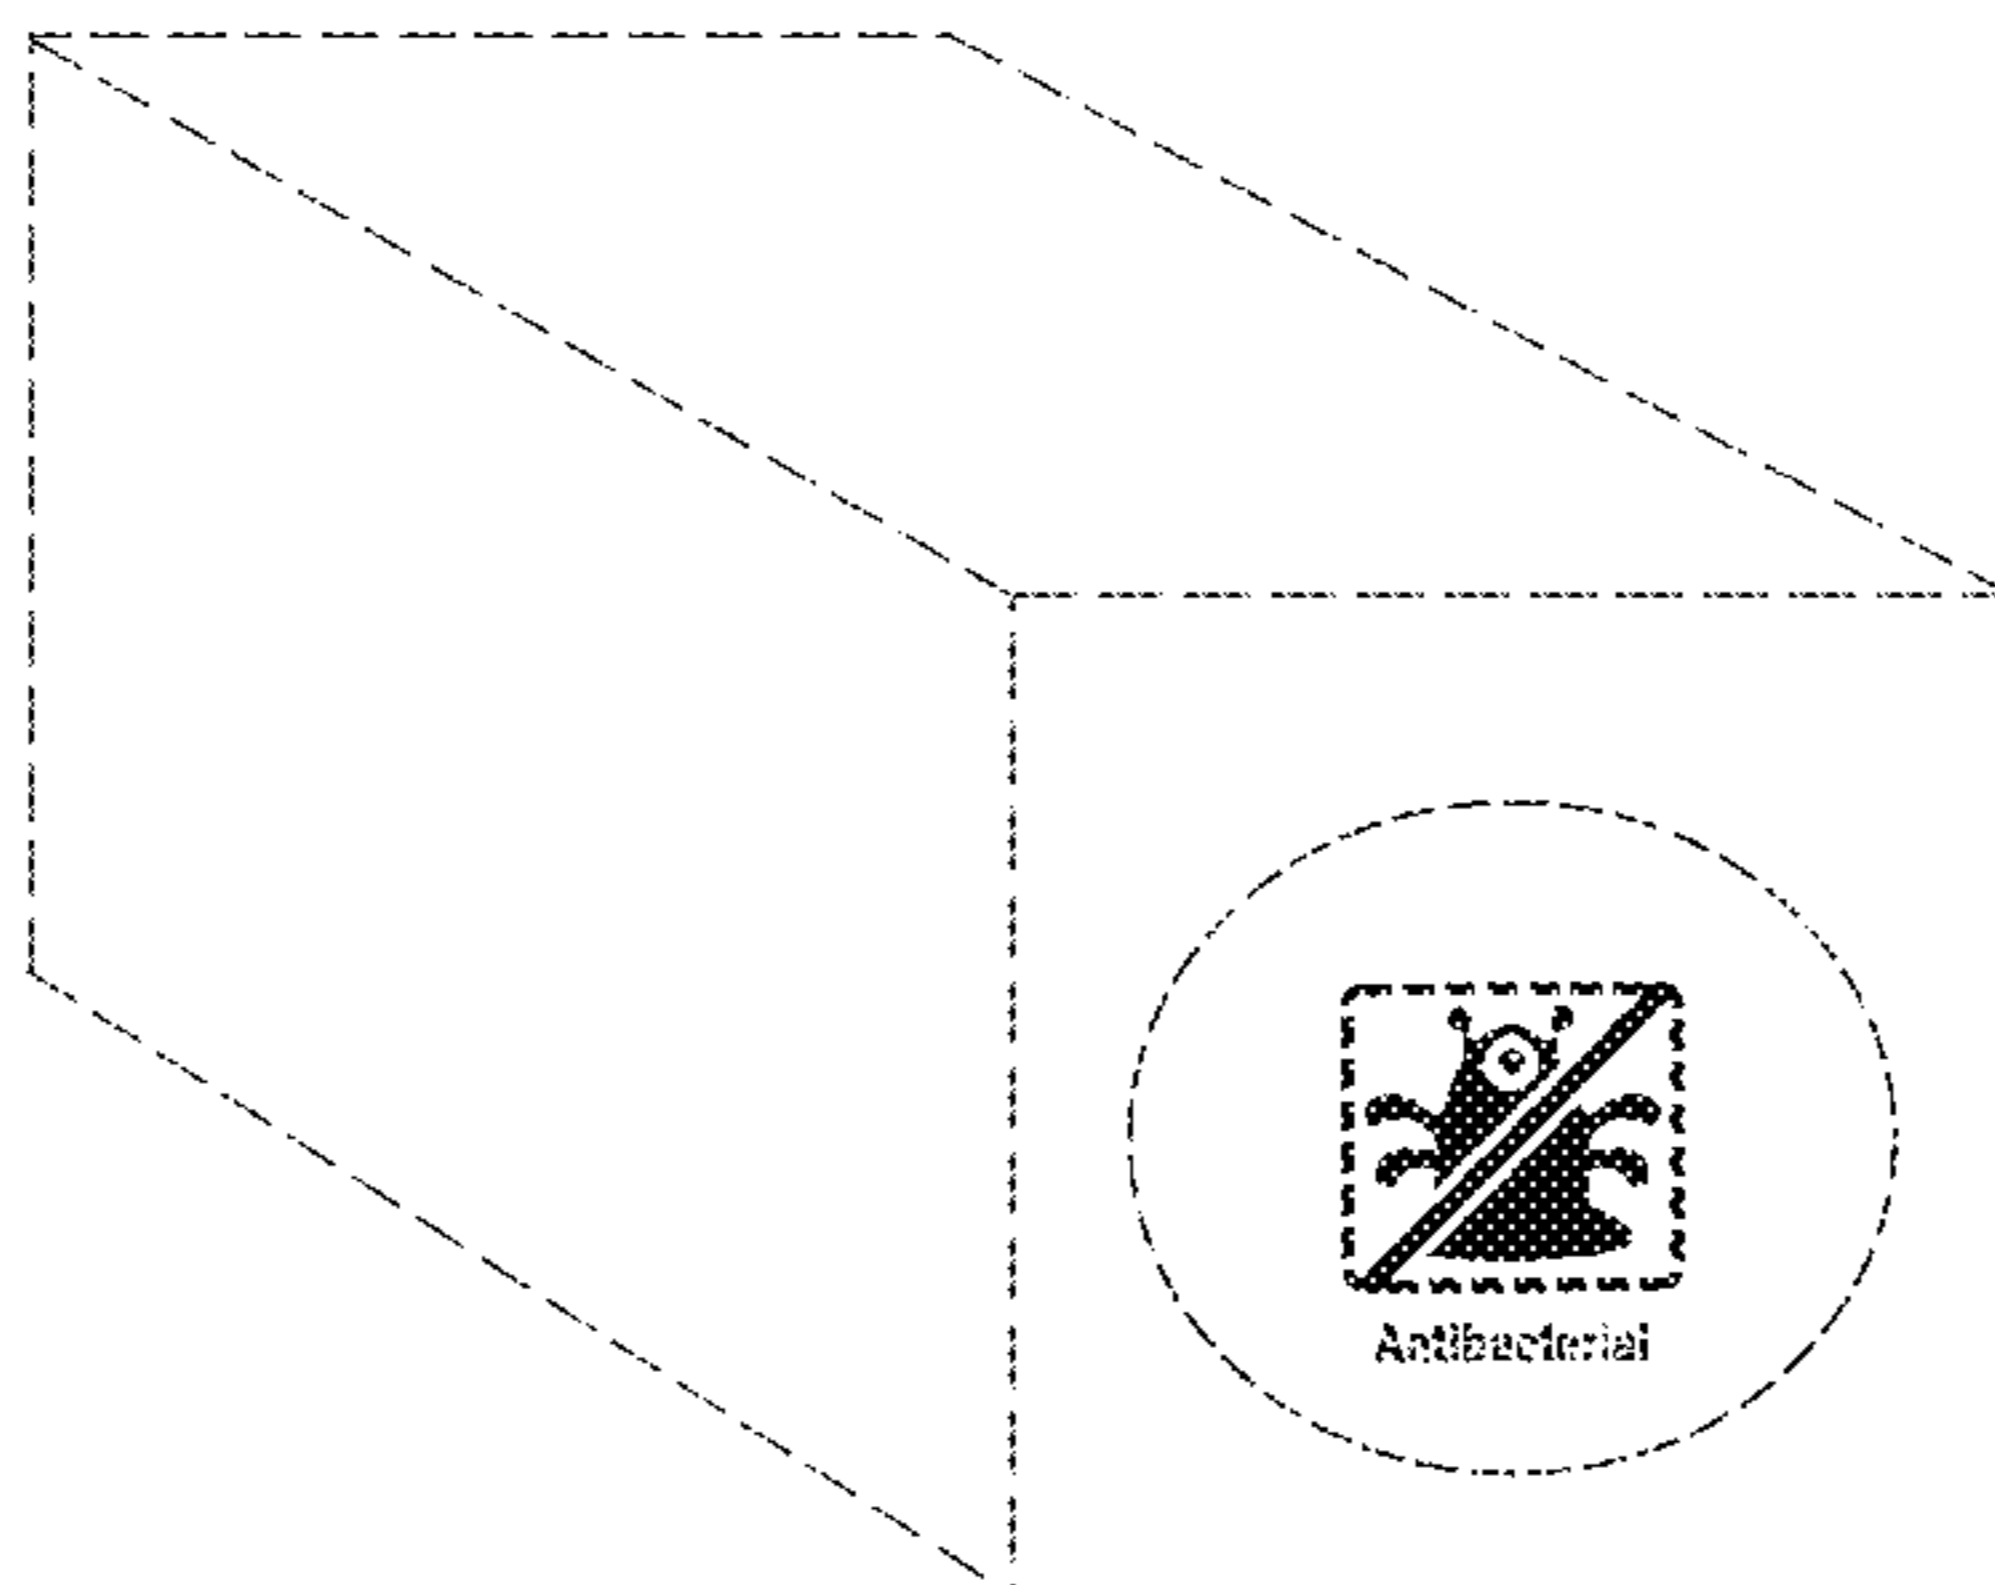

FIG. 8 is a view of a portion of a surface for a shipping box showing an embodiment of the new design, wherein the portion of the drawings shown in broken lines, i.e., the rectangular border to the new design in broken lines, the “Antibacterial” text in broken lines, and the broken line encircling the design, are for illustrative purposes only and form no part of the claimed design.

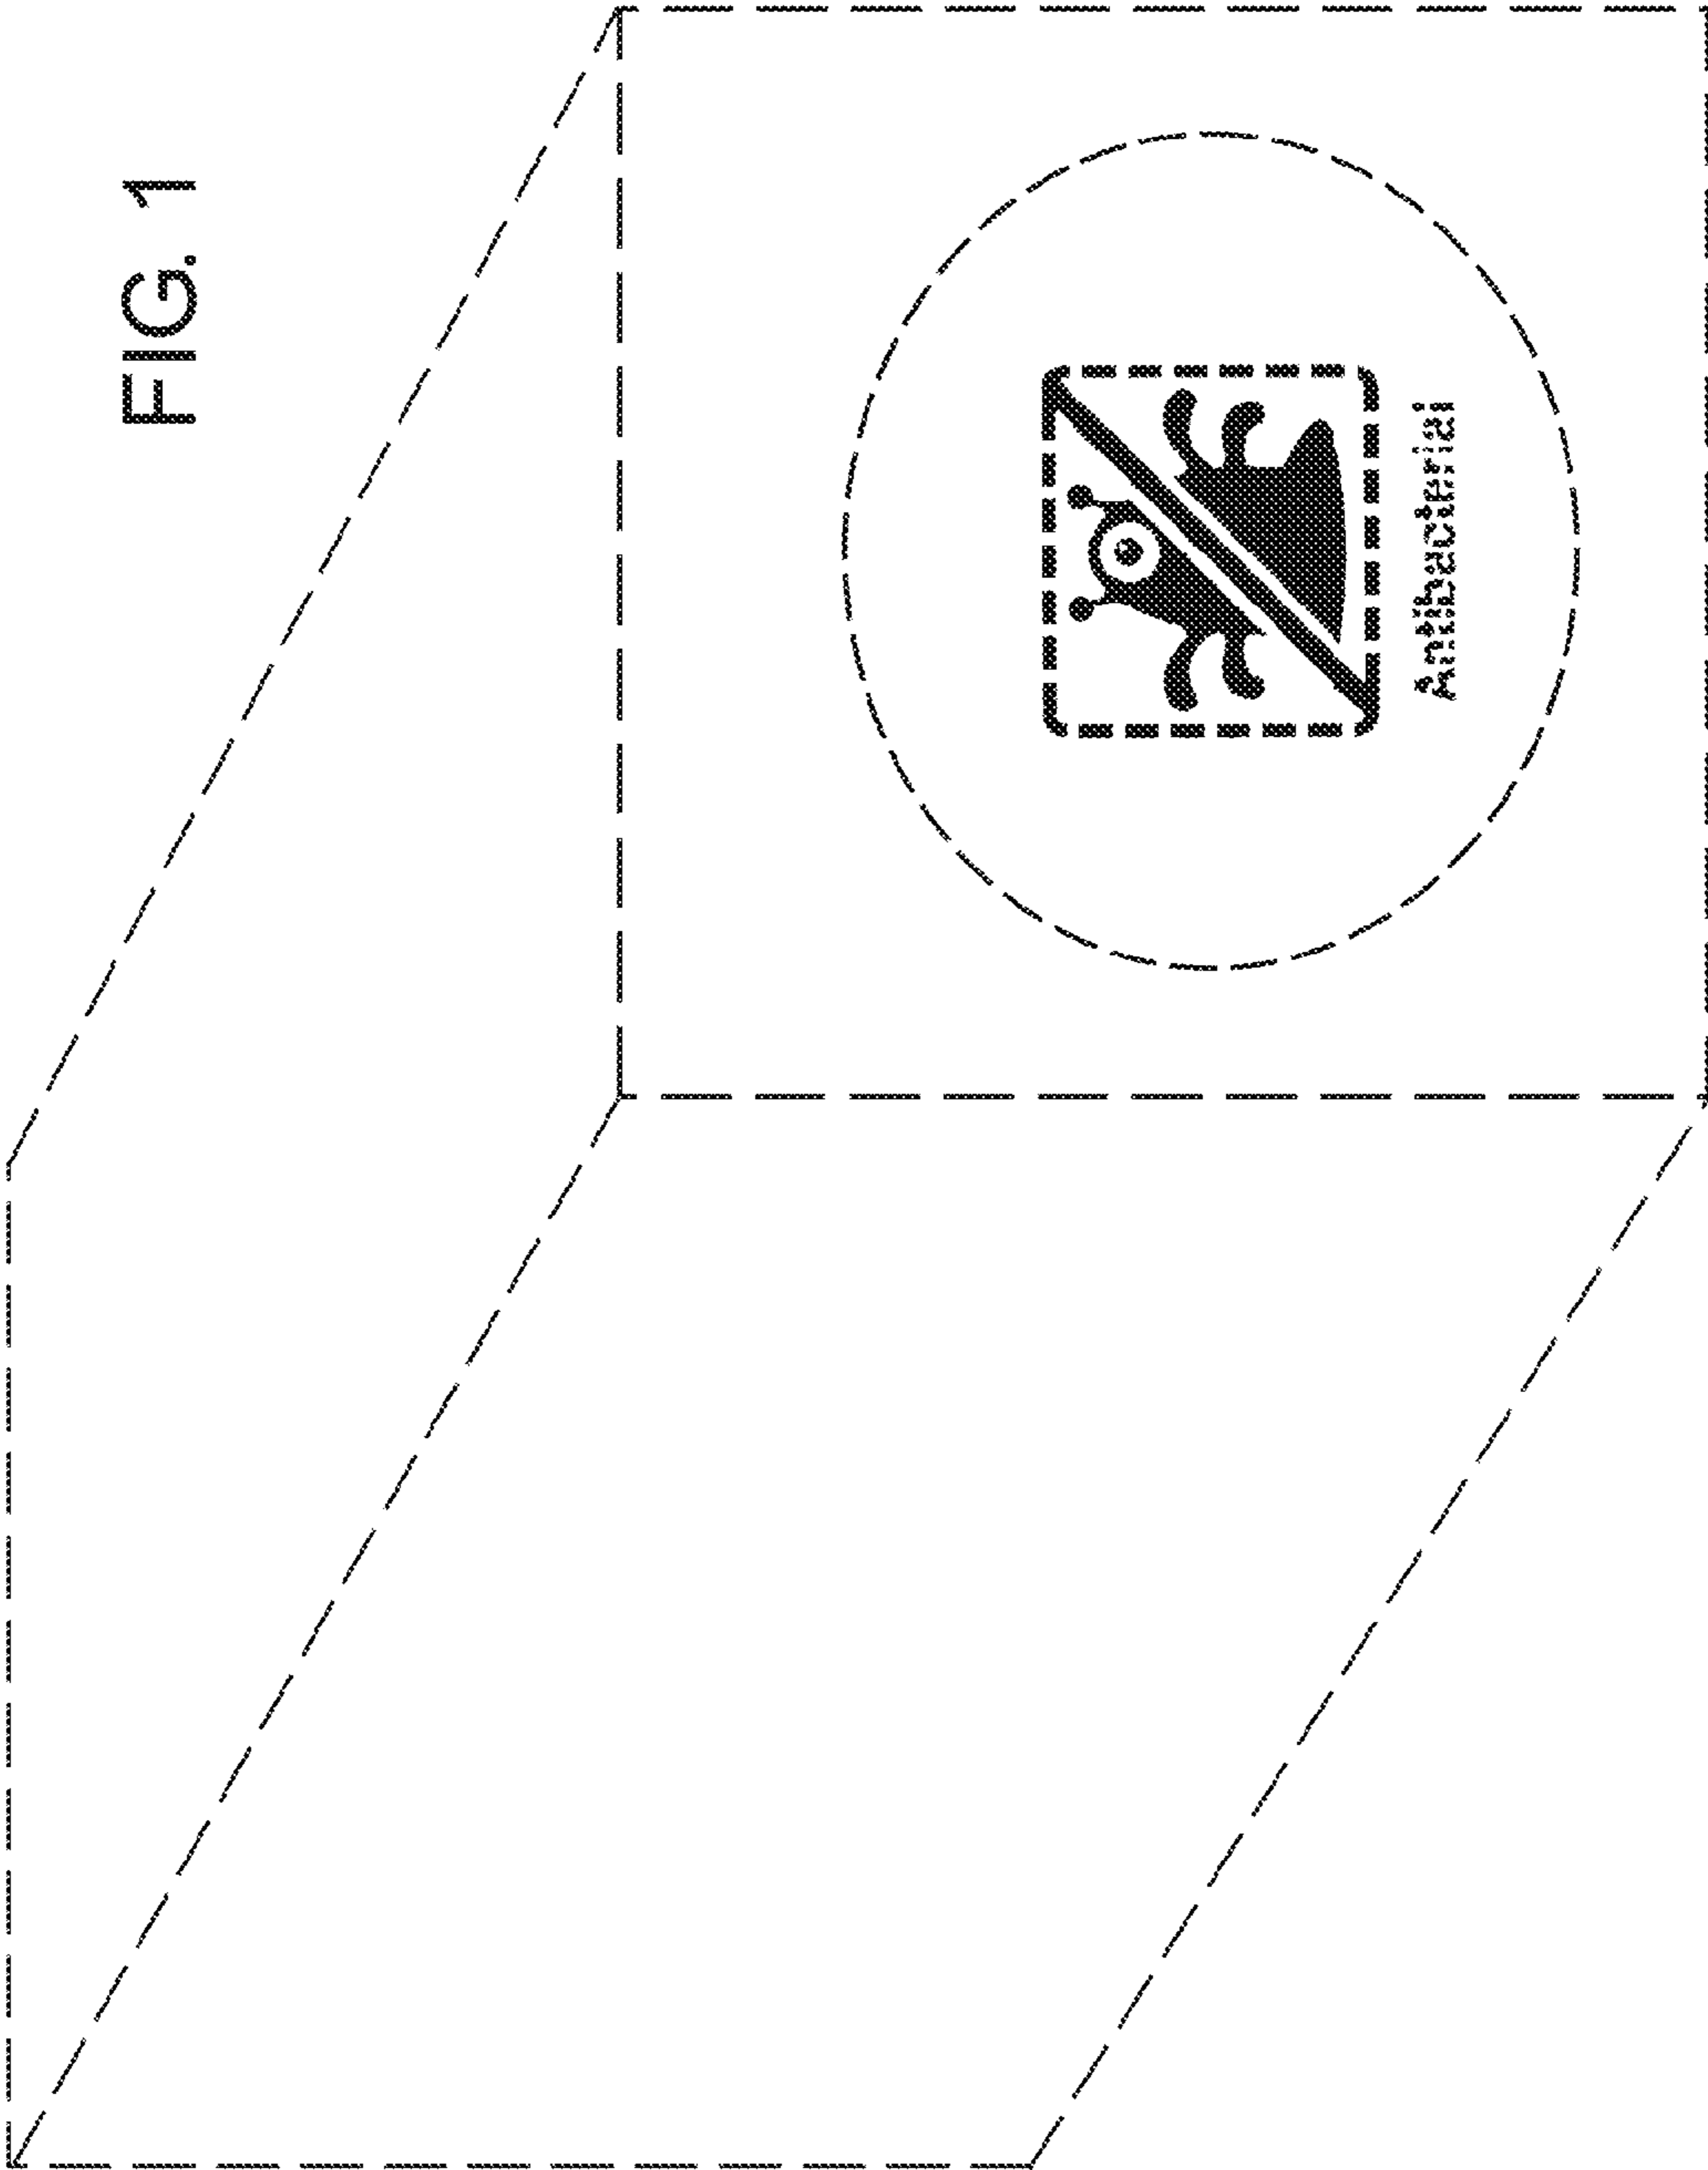

The scope of the claimed design is not limited to having the claimed design on any particular face or on any particular location on any particular face.

The scope of the claimed design is not limited to having the shape of the box shown in broken lines in the drawings. The claimed design can be on a box of any size or shape.

The portions of the drawings shown in broken lines, i.e., the edges of the box, the rectangular border to the new design in broken lines, the “Antibacterial” text in broken lines, are for illustrative purposes only and form no part of the design to be patented.
