(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing the new design.

The symbols shown in broken lines in the upper white bar in the sole FIGURE are unclaimed features. The mobile terminal shown in broken lines constitutes environmental subject matter that forms no part of the claimed design.
