DESCRIPTION

FIG. 1 is a perspective view of a compressor for vehicles according to the present design;
FIG. 2 is a front view of the compressor for vehicles according to the present design;
FIG. 3 is a rear view of the compressor for vehicles according to the present design;
FIG. 4 is a left side view of the compressor for vehicles according to the present design;
FIG. 5 is a right side view of the compressor for vehicles according to the present design;
FIG. 6 is a plan view of the compressor for vehicles according to the present design; and,
FIG. 7 is a bottom view of the compressor for vehicles according to the present design.
