(57) **CLAIM**

The ornamental design for the pair of eye black stickers, as shown and described.

DESCRIPTION

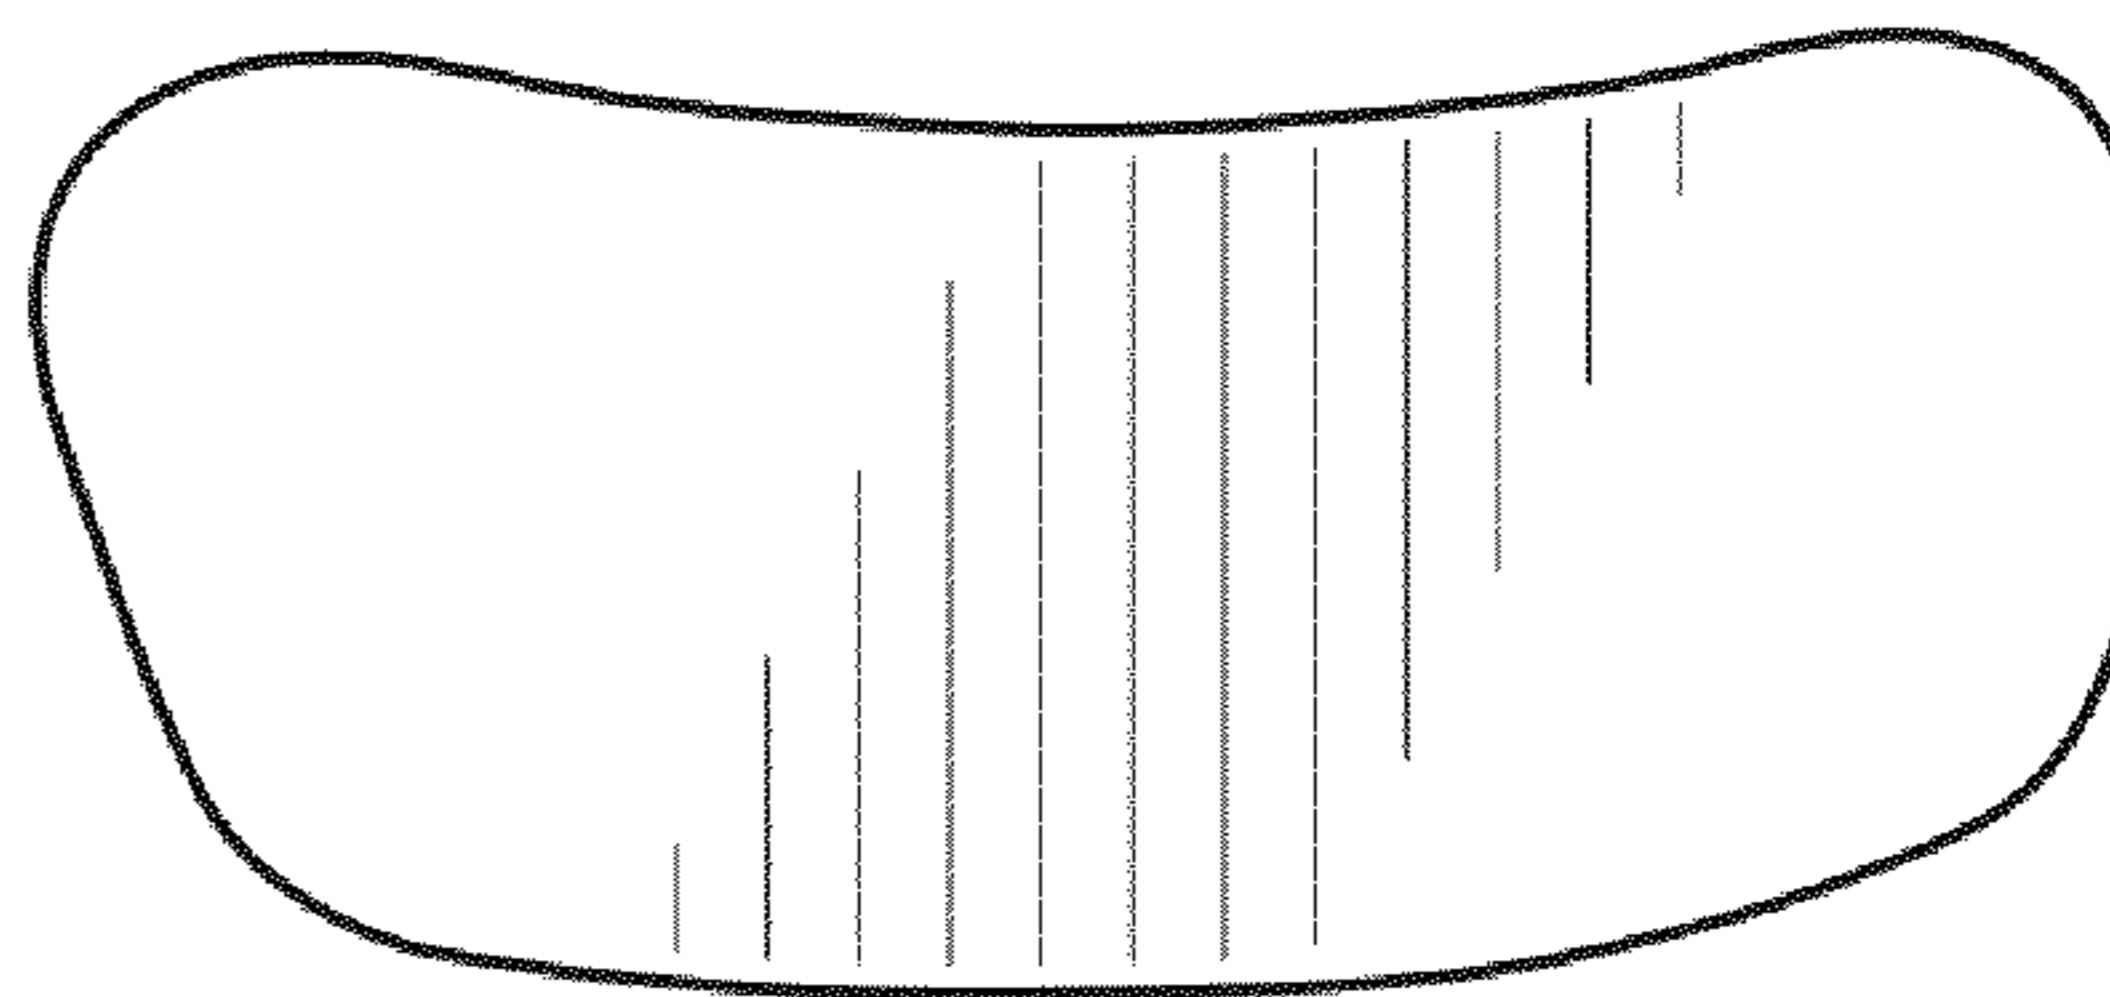

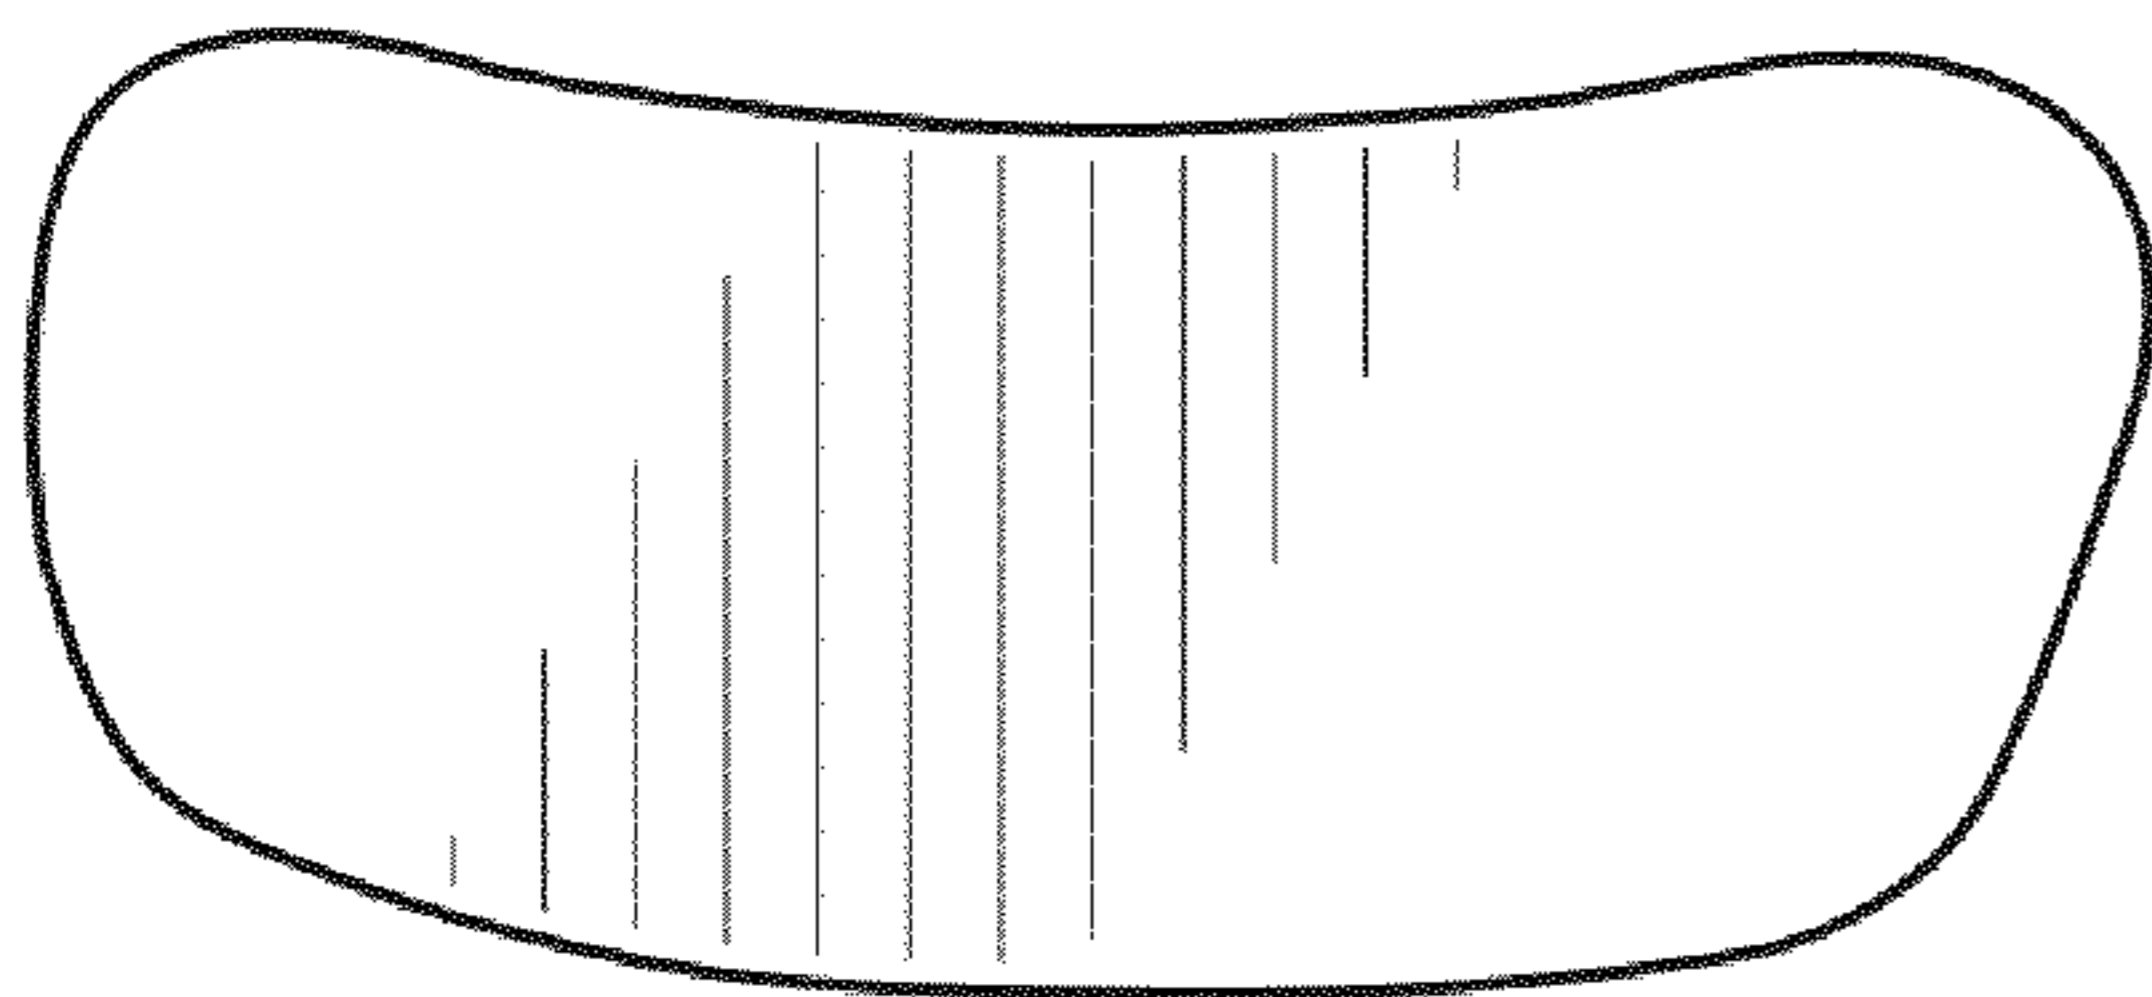

FIG. 1 is a front elevation view showing the first component of my new design for a pair of eye black stickers, the rear elevation view being a mirror image of the front;

FIG. 2 is a front elevation view of the second component thereof, the rear elevation view being a mirror image of the front;

FIG. 3 is a side elevation view of the component shown in FIG. 1, the opposing side being identical to the side shown; and,

FIG. 4 is a side elevation view of the component shown in FIG. 2, the opposing side being identical to the side shown.
