(57) **CLAIM**

The ornamental design for a wall corner panel with simulated stacked stone, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a wall corner panel with simulated stacked stone according to the present invention. FIG. 2 is a right side view of the wall corner panel with simulated stacked stone of FIG. 1. FIG. 3 is a rear view of the right side view of the wall corner panel with simulated stacked stone of FIG. 2. FIG. 4 is a left side view of the wall corner panel with simulated stacked stone of FIG. 1. FIG. 5 is a rear view of the left side view of the wall corner panel with simulated stacked stone of FIG. 4. FIG. 6 is a top view of the wall corner panel with simulated stacked stone of FIG. 1; and, FIG. 7 is a bottom view of the wall corner panel with simulated stacked stone of FIG. 1. The portions of the design shown in dashed lines do not form a part of the claimed invention.

1 Claim, 4 Drawing Sheets
