(57) **CLAIM**

The ornamental design for a computer display screen with icon, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a computer display screen with icon according to one embodiment; and, FIG. 2 is another perspective view of a computer display screen with icon according to one embodiment. The broken lines in FIGS. 1-2 depicting the computer display screen are for environmental purposes only and form no part of the claimed design.
