(57) **CLAIM**

I claim, the ornamental design for a closed beach umbrella base, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a beach umbrella base showing my new design;
 FIG. 2 is a bottom perspective view thereof;
 FIG. 3 is a rear view thereof;
 FIG. 4 is a front view thereof;
 FIG. 5 is a side view thereof;
 FIG. 6 is a top view thereof; and,
 FIG. 7 is a bottom view thereof.

The broken lines in the figures depict portions of the beach umbrella base that form no part of the claimed design.

The surface shading lines (e.g., the vertical and horizontal parallel lines) on the claimed portion are provided only to indicate the character and/or any contour or curvature of the surfaces. They do not indicate color, texture, or markings that actually exist thereon, indicia, graphic representations, surface treatment, or any other ornamentation applied to the beach umbrella base.

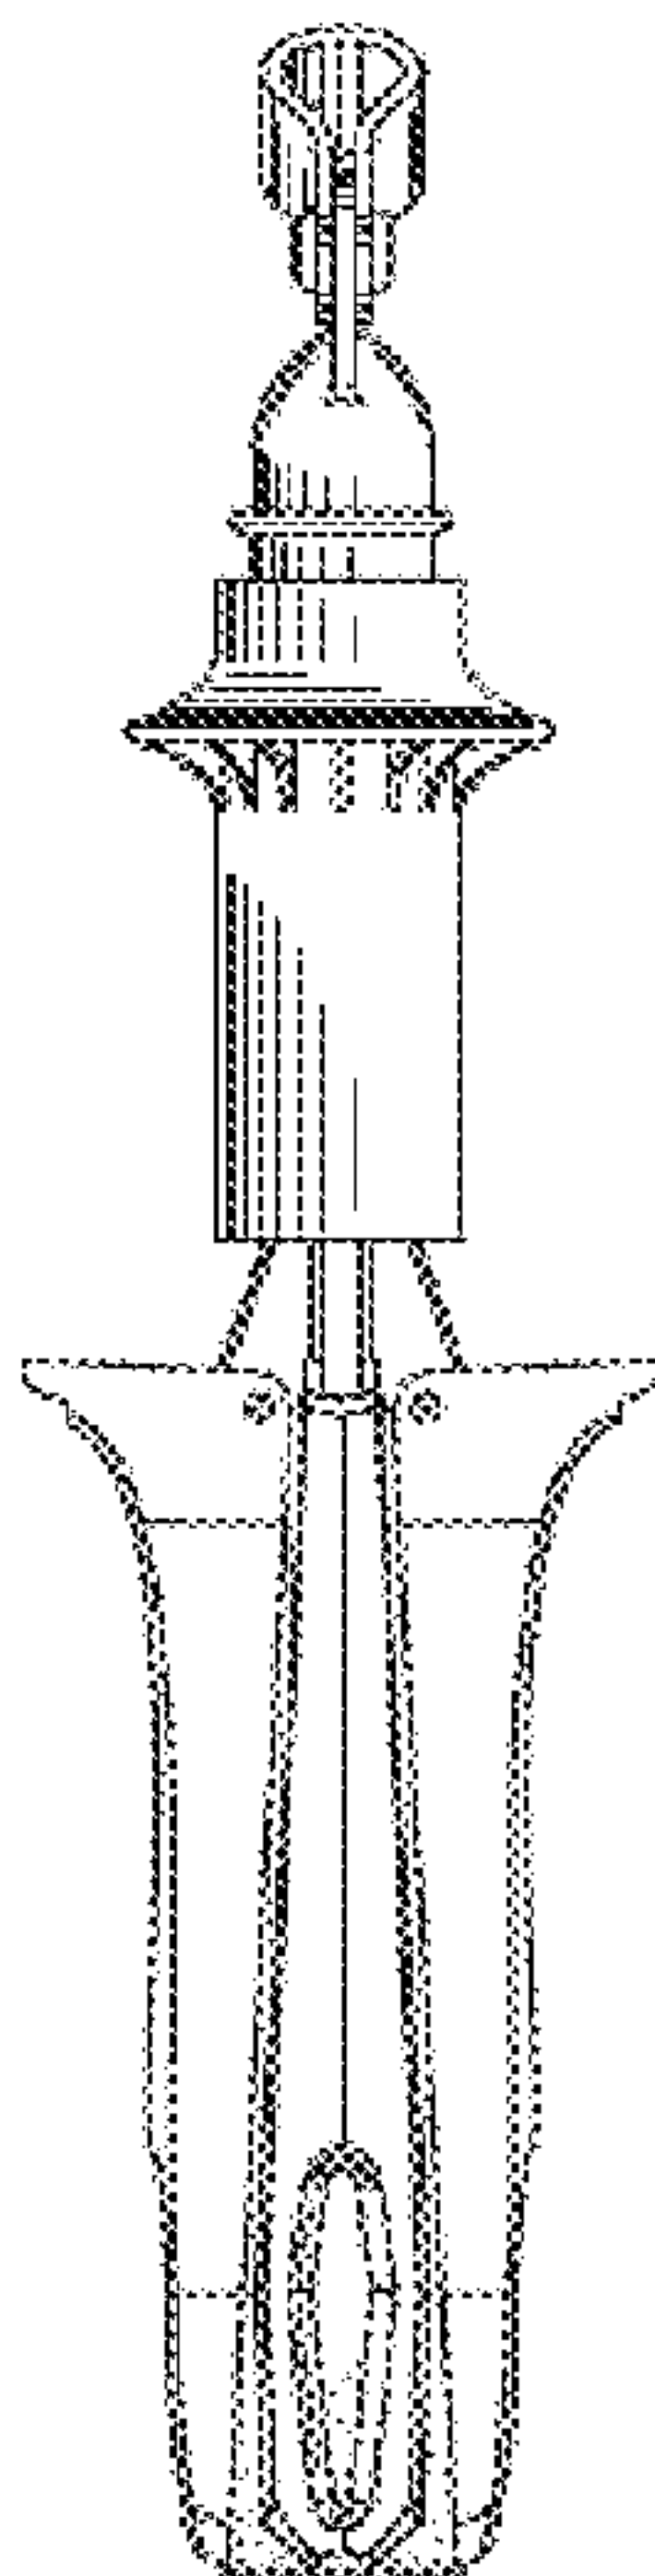

The matting of the beach umbrella base in FIGS. 1-5 through the beach umbrella base legs, is shown with stippling, to indicate a soft texture.
