(57) **CLAIM**

The ornamental design for a work vehicle body, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, left perspective view of a work vehicle body showing our new design with example work vehicle environment;
FIG. 2 is a left side elevational view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a front end view thereof;
FIG. 5 is a rear end view thereof;
FIG. 6 is a top plan view thereof; and,
FIG. 7 is a bottom plan view thereof.

The broken line representations in the figures, including the broken line work vehicle environment, show unclaimed environment or boundaries, and thus form no part of the claimed design.

The nature of this product is an exterior body for a vehicle, such as a work vehicle used in the construction industry, for example a power head for a dump truck.
