The broken lines in FIGS. 1 and 7 are included for the purpose of illustrating portions of the environment in which the grill for a cooktop is used. The broken lines in FIGS. 1 and 7 form no part of the claimed design. The left and right elevation views of the first embodiment of the grill are identical. The left and right elevation views of the second embodiment of the grill are identical. The front and back elevation views of the first embodiment of the grill are identical. The front and back elevation views of the second embodiment of the grill are identical. Thus, only one view of the left and right elevation views and only one view front and back elevation views has been included.
