(57) **CLAIM**

The ornamental design for a computer tablet holder and pen holder for a square storage ottoman lid, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a square ottoman and lid constituting an environment for a computer tablet holder and pen holder;

FIG. 2 is an exploded front view of the computer tablet holder and pen holder attached to an underside of a lid of a square storage ottoman;

FIG. 3 is a left side exploded view of the computer tablet holder and pen holder attached to an underside of a lid of a square storage ottoman;

FIG. 4 is a top view of the square ottoman constituting an environment for the computer tablet holder and pen holder;

FIG. 5 is a right side view of the computer tablet holder and pen holder attached to an underside of a lid of a square storage ottoman;

FIG. 6 is a rear exploded view of the computer tablet holder and pen holder attached to an underside of a lid of a square storage ottoman;

FIG. 7 is a top view of the square ottoman constituting an environment for the computer tablet holder and pen holder;

FIG. 8 is a top view of the computer tablet holder and pen holder attached to the underside of the lid of the square ottoman;

FIG. 9 is a top view, with the lid removed, depicting the inside of the square ottoman constituting an environment for a computer tablet holder and pen holder.

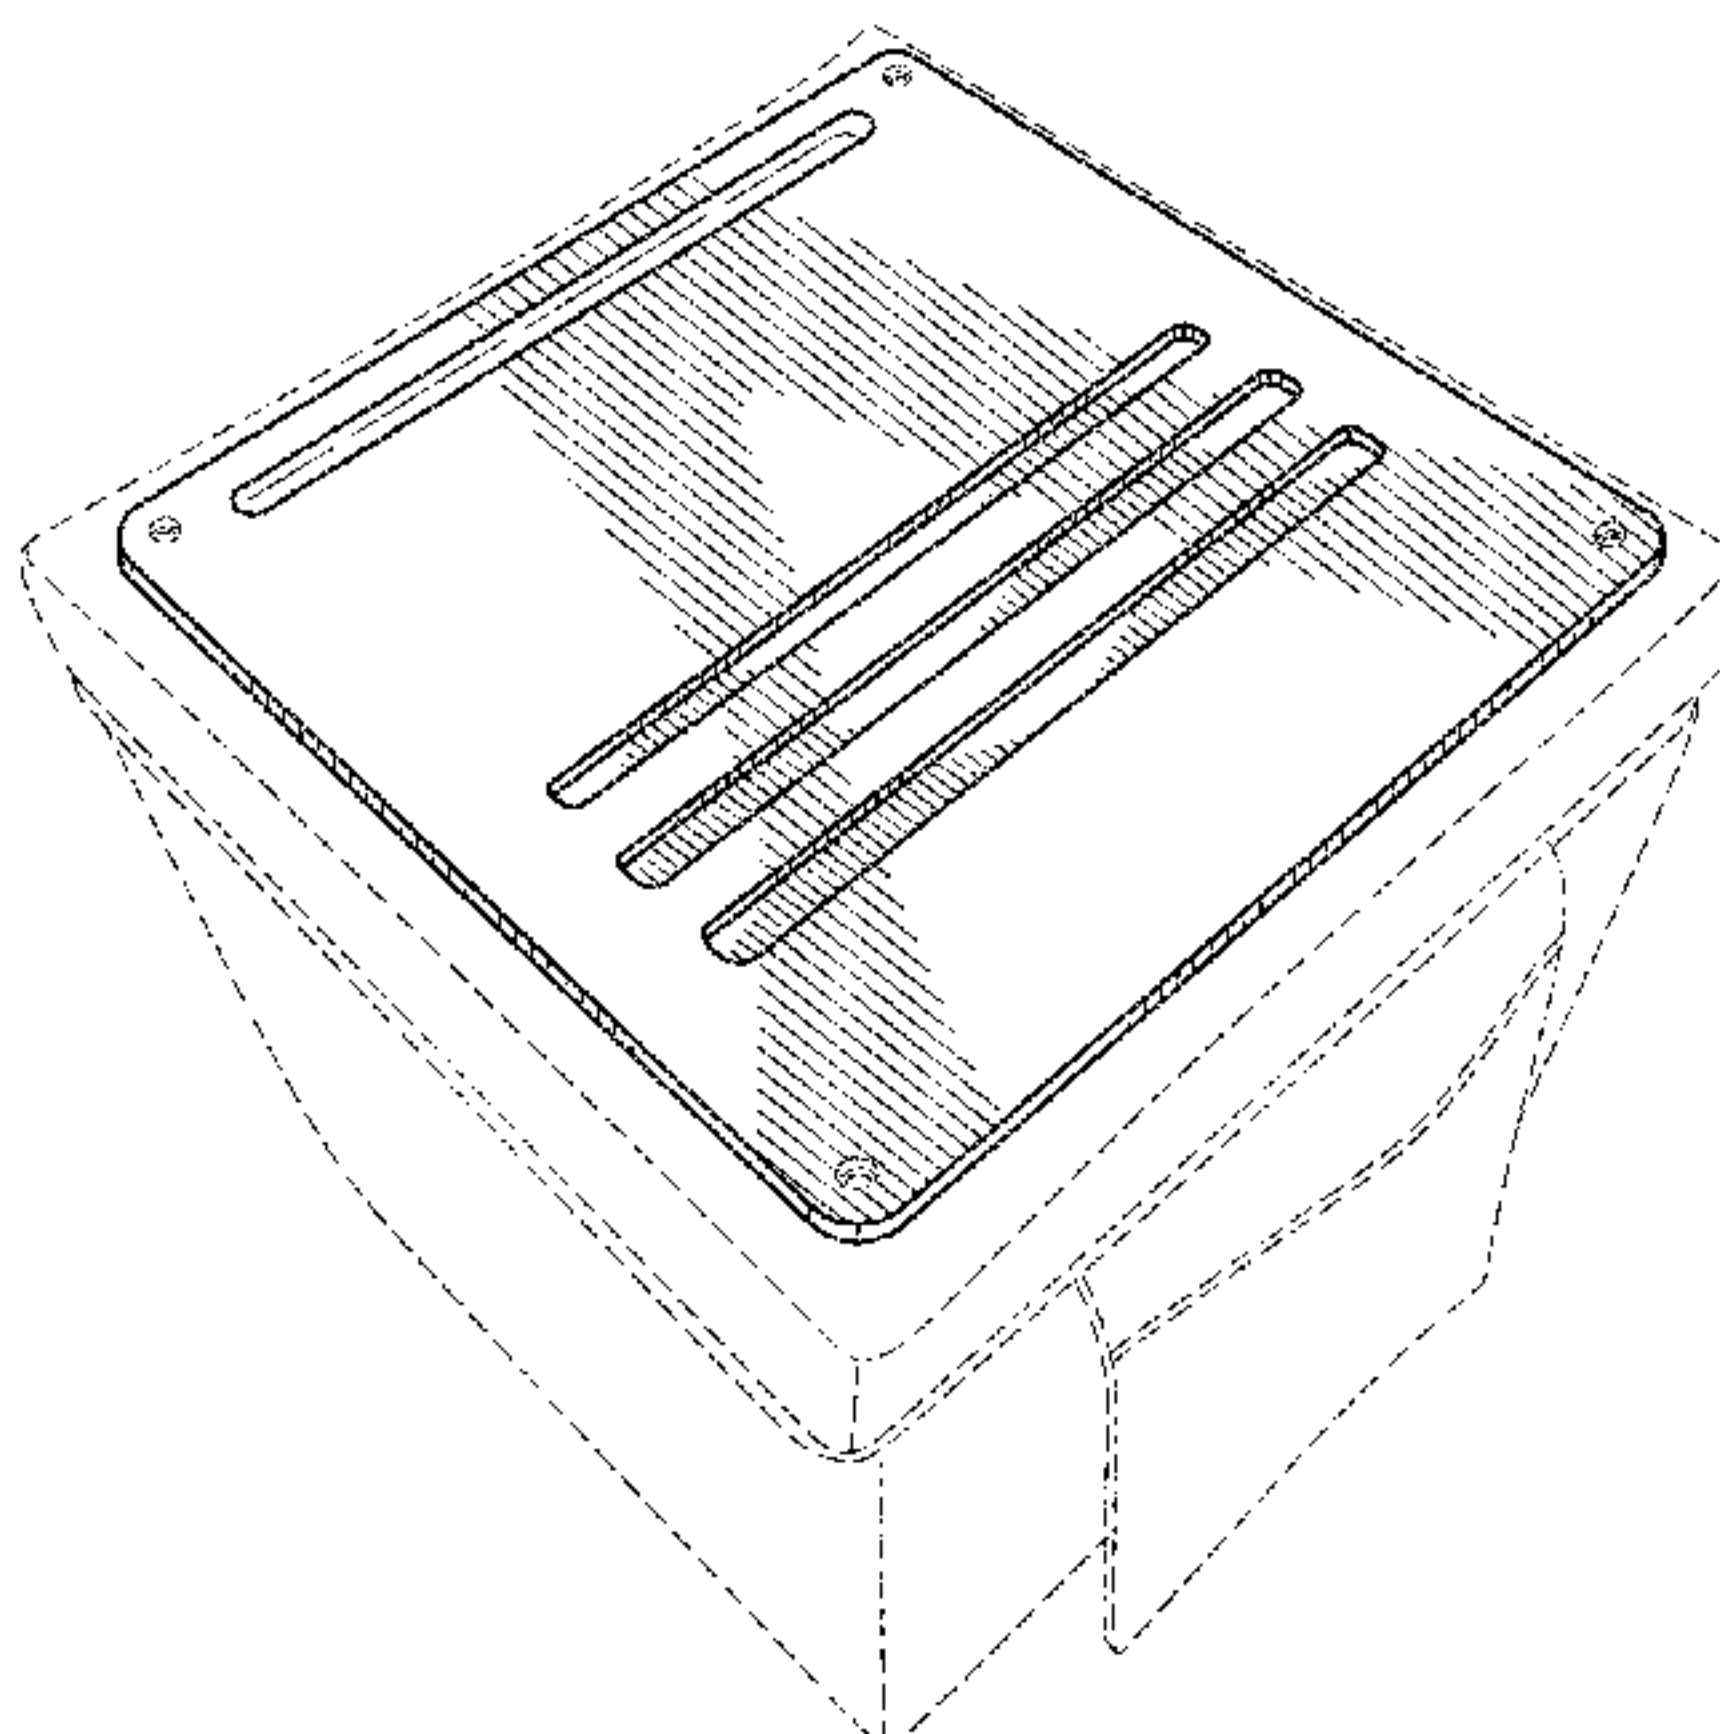

FIG. 10 is a perspective view of the computer tablet holder and pen holder attached to the underside of the lid of the square ottoman;

FIG. 11 is a sectional view through the line 11'-11' in FIG. 8, of the computer tablet holder and pen holder attached to the underside of the lid of the square ottoman and lid constituting an environment for the computer tablet holder and pen holder; and,

FIG. 12 is a bottom view of the computer tablet holder and pen holder.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.
