(57) **CLAIM**
The ornamental design for a hose protection device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a hose protection device showing my new design;
FIG. 2 is a front view, the back view, left side view, and right side view being a mirror image thereof;
FIG. 3 is a top view, the bottom view being a mirror image thereof; and,
FIG. 4 is a perspective view of a hose protection device shown in use.
In the drawings, the broken lines showing a ground anchor illustrate environment and form no part of the claimed design.
