(57) **CLAIM**

The ornamental design for an exercise and balance device, as shown and described.

DESCRIPTION

FIG. 1 is plan view of the exercise and balance device of the present invention;

FIG. 2 is an elevational view of the exercise and balance device;

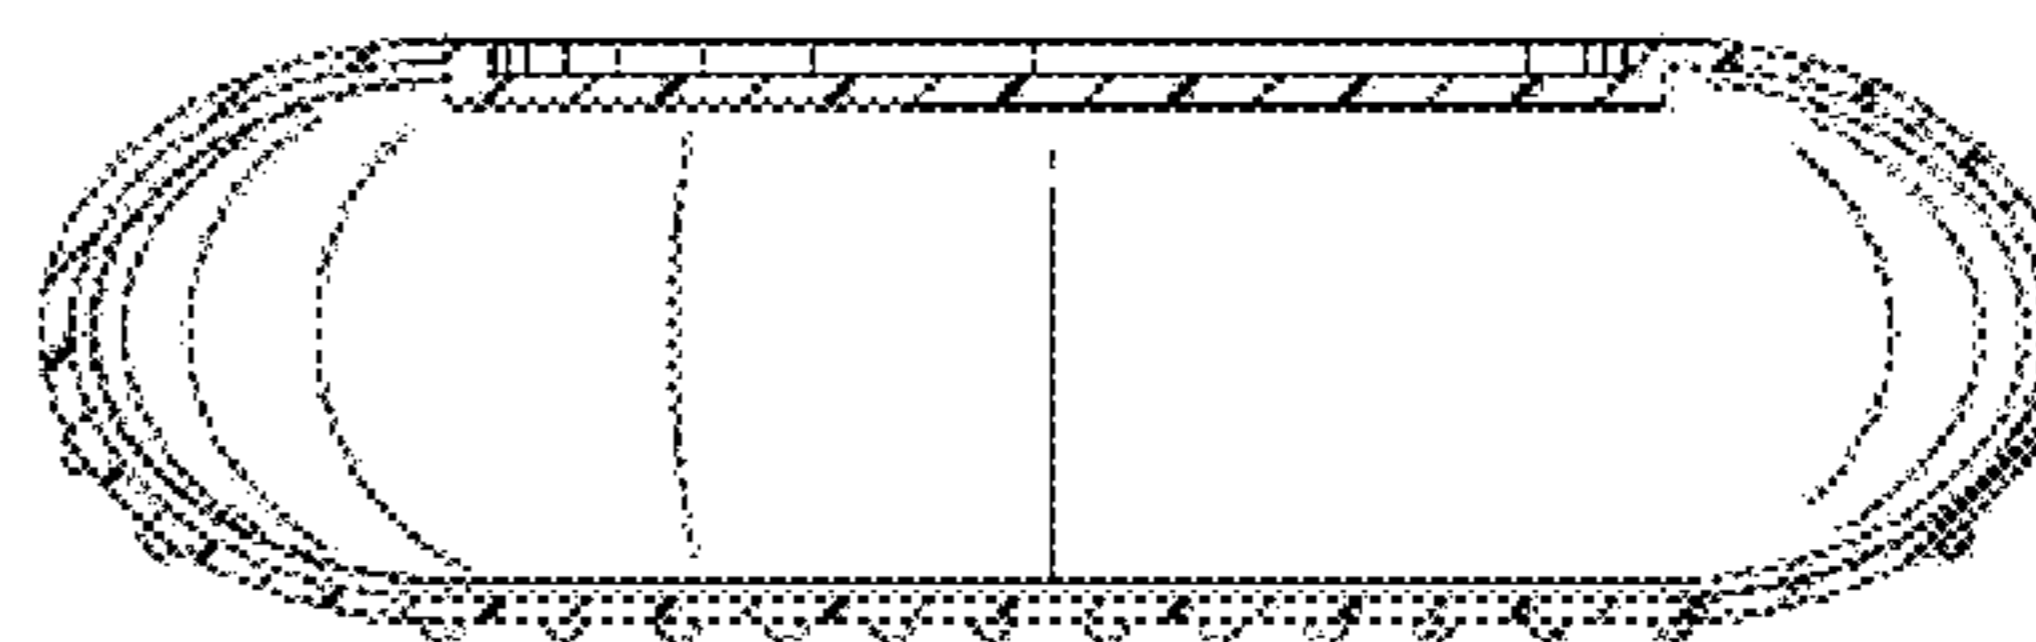

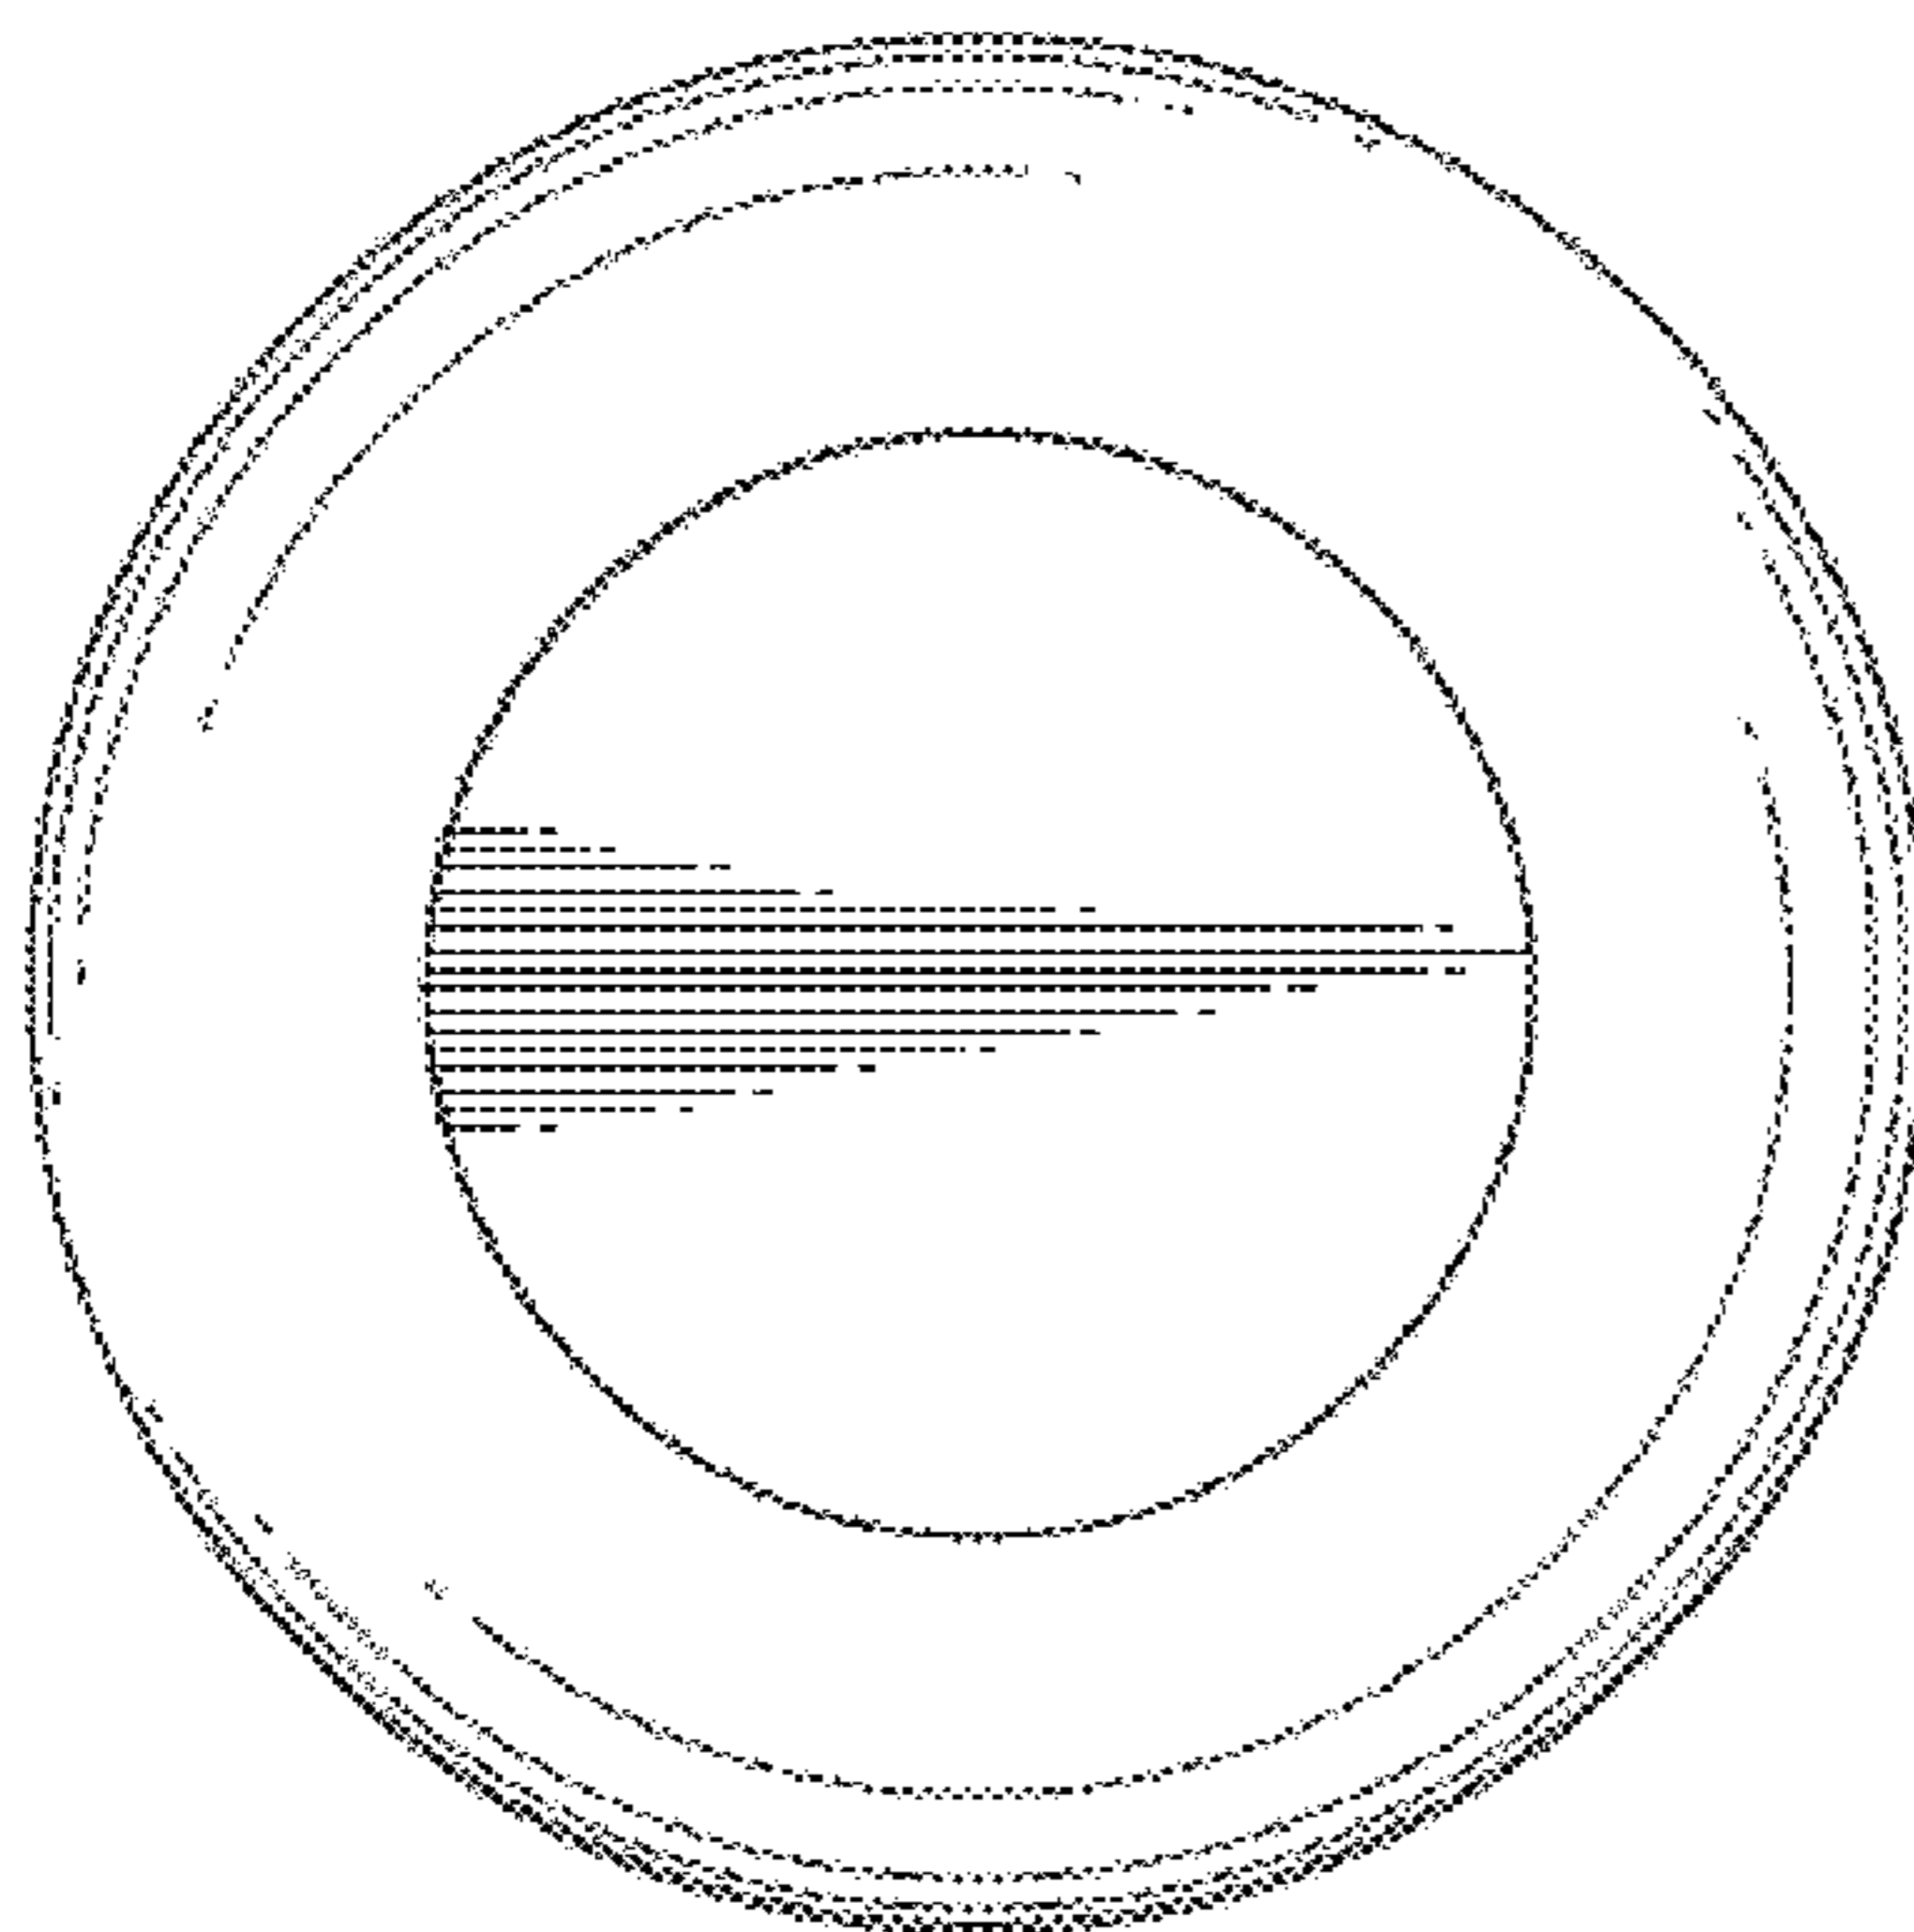

FIG. 3 is a cross-sectional view of the exercise and balance device taken on the line 3-3 of FIG. 2;

FIG. 4 is a perspective view of a person using a pair of the devices of this invention to do push-ups while undergoing balance training; and,

FIG. 5 is a perspective view of a person using a pair of the devices of this invention for balance training while lifting weights.

The broken lines shown on the exercise and balance device are for the purpose of illustrating portions of the article that form no part of the claimed design. The broken line shown in FIGS. 4 and 5 are for the purpose of illustrating environment that forms no part of the claimed design.
