(57) **CLAIM**

The ornamental design for a steering wheel tray, as shown and described.

DESCRIPTION

FIG. 1 shows a perspective view of the steering wheel tray in a working state.

FIG. 2 shows an overhead view of the steering wheel tray of the present invention.

FIG. 3 shows an underside view of the steering wheel tray of the present invention.

FIG. 4 shows a first side view of the steering wheel tray of the present invention.

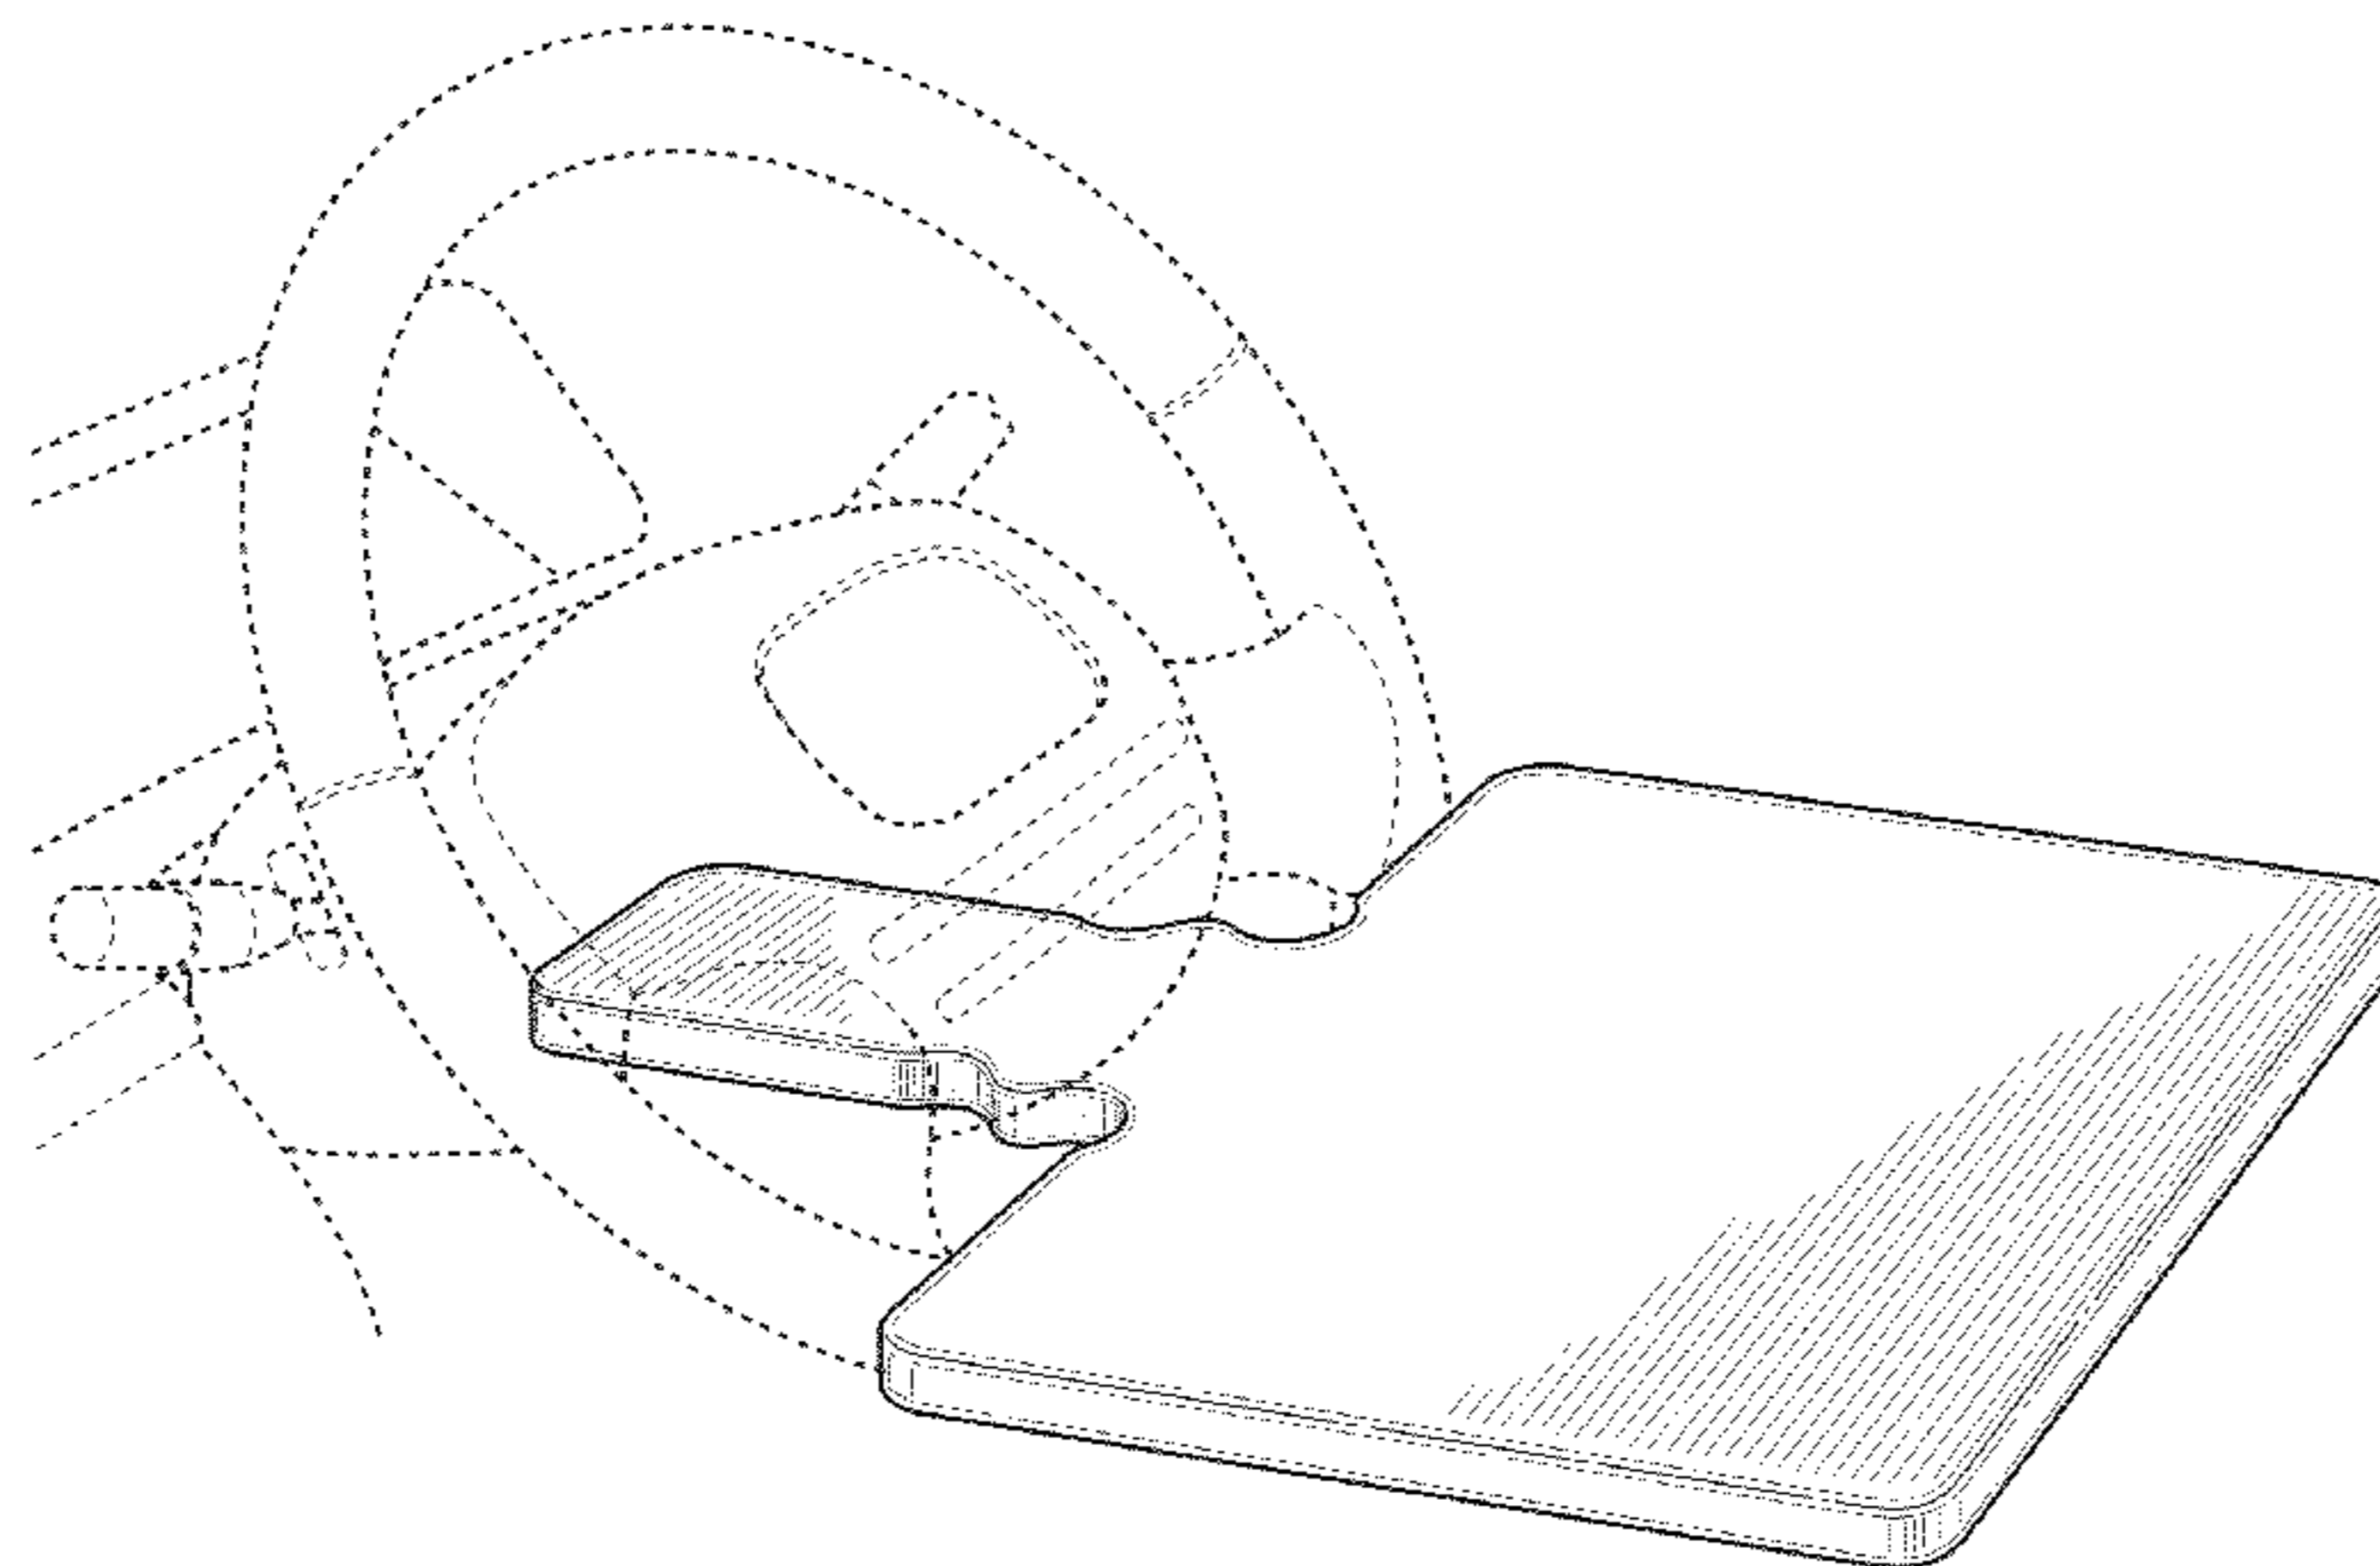

FIG. 5 shows a second view of the steering wheel tray of the present invention.

FIG. 6 shows a first end view of the steering wheel tray of the present invention; and,

FIG. 7 shows a second end view of the steering wheel tray of the present invention.

The broken lines shown in FIG. 1 are for the purpose of illustrating environmental structure and form no part of the claimed design.

1 Claim, 4 Drawing Sheets
