(57) **CLAIM**

I claim the ornamental design for a data transmission device, as shown and described.

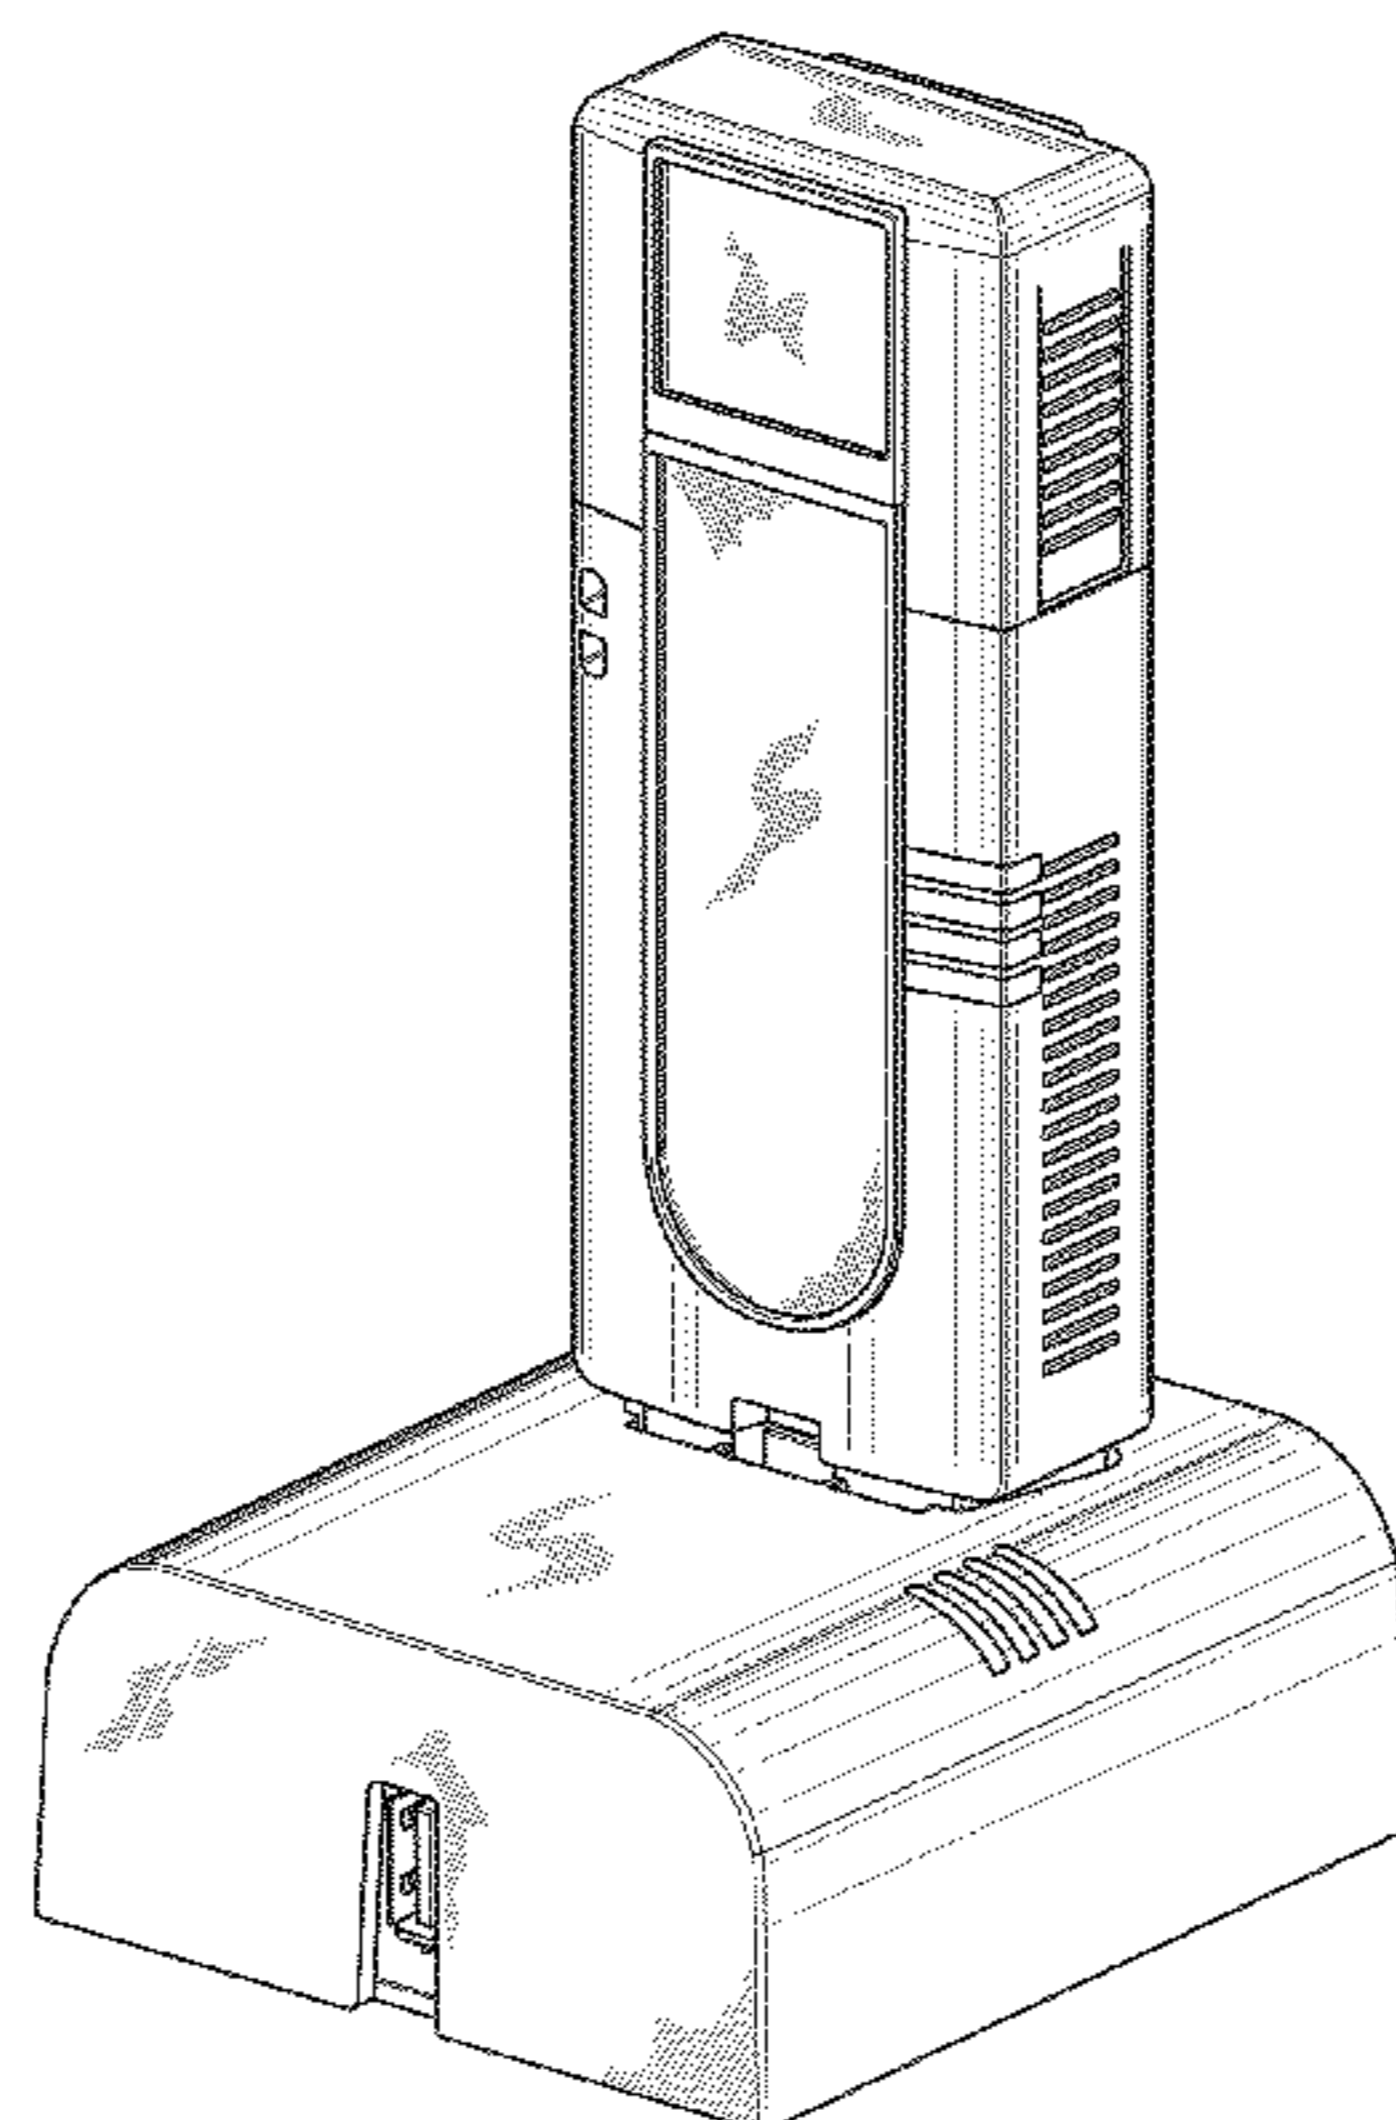

DESCRIPTION

FIG. 1 is a top plan view of a data transmission device;
FIG. 2 is a right side elevation view of a data transmission device;
FIG. 3 is a rear elevation view of a data transmission device;
FIG. 4 is a left side elevation view of a data transmission device;
FIG. 5 is a front elevation view of a data transmission device;
FIG. 6 is a perspective view of a data transmission device;
and,
FIG. 7 is a second perspective view of a data transmission device.

The bottom of a data transmission device, not shown, forms no part of the claimed design.

Broken line areas show portions of the data transmission device which form no part of the claimed design.

1 Claim, 7 Drawing Sheets
