(57) **CLAIM**

The ornamental design for an ice shaping device, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the ice shaping device shown in the context of how the device is used;
FIG. 2 is a side plan view of the ice shaping device, the view of all sides being identical; and,
FIG. 3 is a top plan view.

The bottom of the device does not comprise any ornamental aspect of the design and, therefore, is not shown. Any elements shown in broken lines form no part of the claimed invention in this application, and are instead included to show environmental aspects of the claimed invention.
