(57) **CLAIM**

The ornamental design for a portable device carrying case, as
shown and described.

DESCRIPTION

FIG. 1 is an outer front perspective view of a portable device
carrying case showing the new design in use;

FIG. 2 is an outer rear perspective view of a portable device
carrying case shown in use;

FIG. 3 is an outer rear elevation view, shown in an open and
flat position;

FIG. 4 is a rear inner elevation view, shown in an open and flat
position;

FIG. 5 is an outer rear perspective view shown in a closed
position;

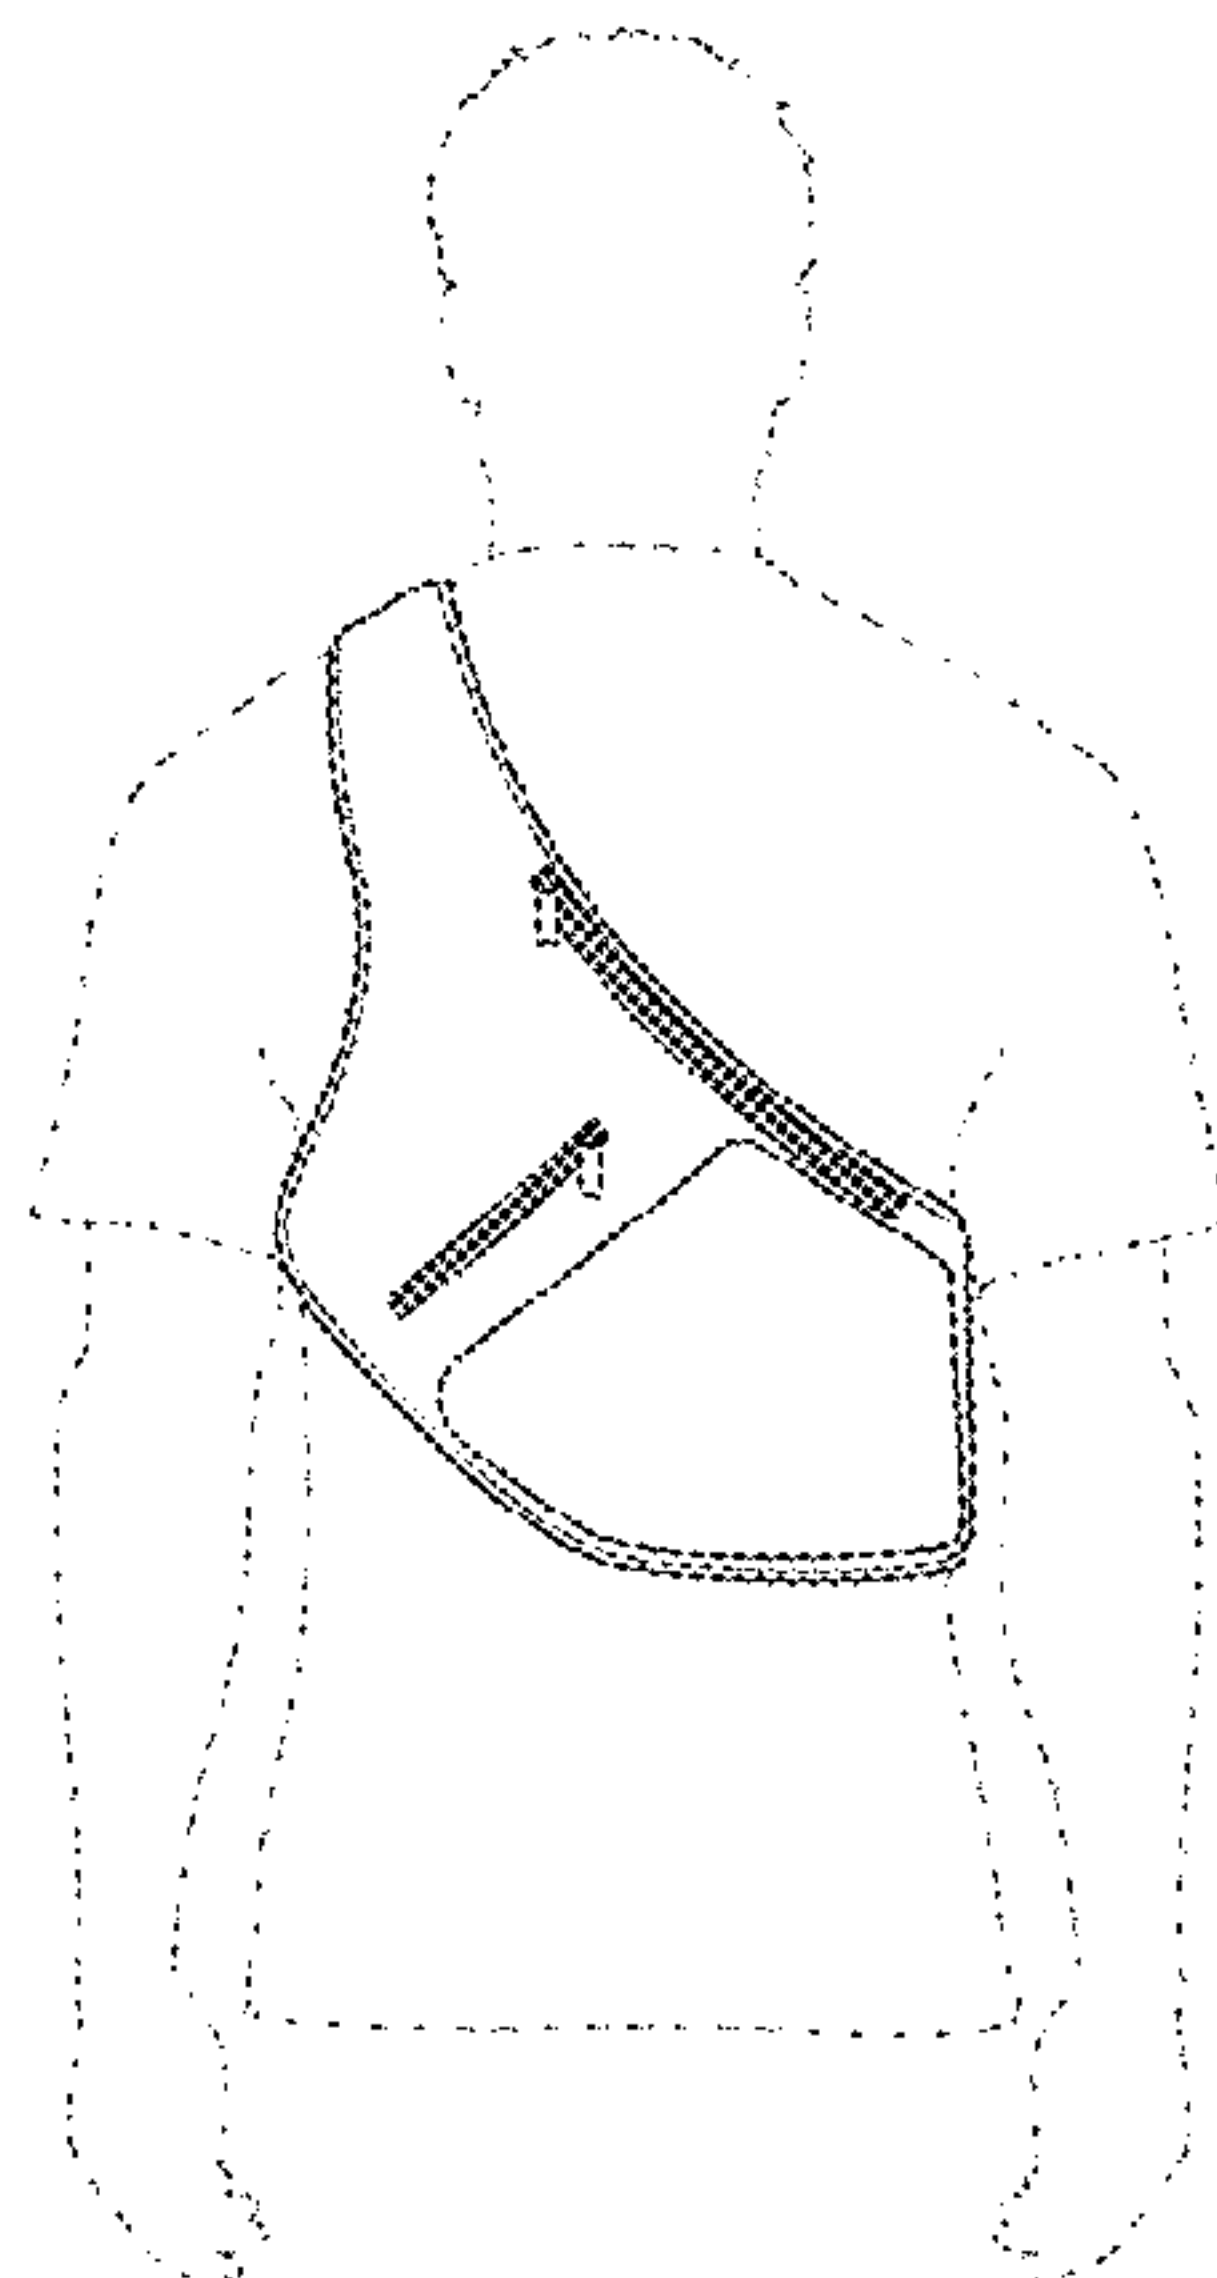

FIG. 6 is a partial view of the end closure;

FIG. 7 is a partial view of the opposite end closure; and,

FIG. 8 is an inner rear perspective view, shown in an open
position.

The broken lines in the figures showing a wearer of the
portable device carrying case, a portable device for placement
in a pouch of the portable device carrying case, and other
portions of the body of the portable device carrying case are
for the purposes of illustrating environment and form no part
of the claimed design.
