(57) **CLAIM**

The ornamental design for a display screen with a graphical user interface of a social networking presentation system, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen with a graphical user interface of a social networking presentation system, showing our new design; and, FIG. 2 is a front view thereof, showing additional unclaimed environmental detail of our new design. The broken line showing of the display screen, text and symbols are for illustrative purposes only and form no part of the claimed design. The text and symbols are illustrative only and do not form part of the claimed design other than to show layout.
