(57) **CLAIM**

The ornamental design for a surgical foot pedal, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the surgical foot pedal of the present invention.

FIG. 2 is a bottom perspective view of the surgical foot pedal of the present invention.

FIG. 3 is a top view of the surgical foot pedal of the present invention.

FIG. 4 is a bottom view of the surgical foot pedal of the present invention.

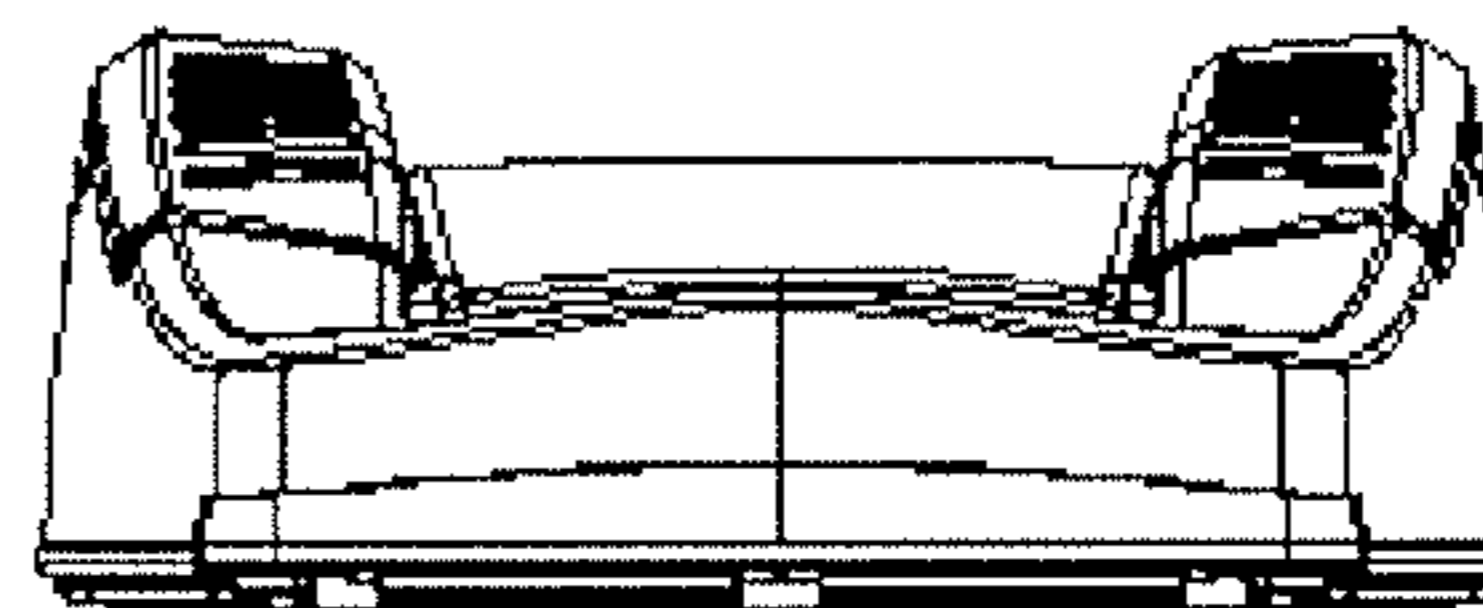

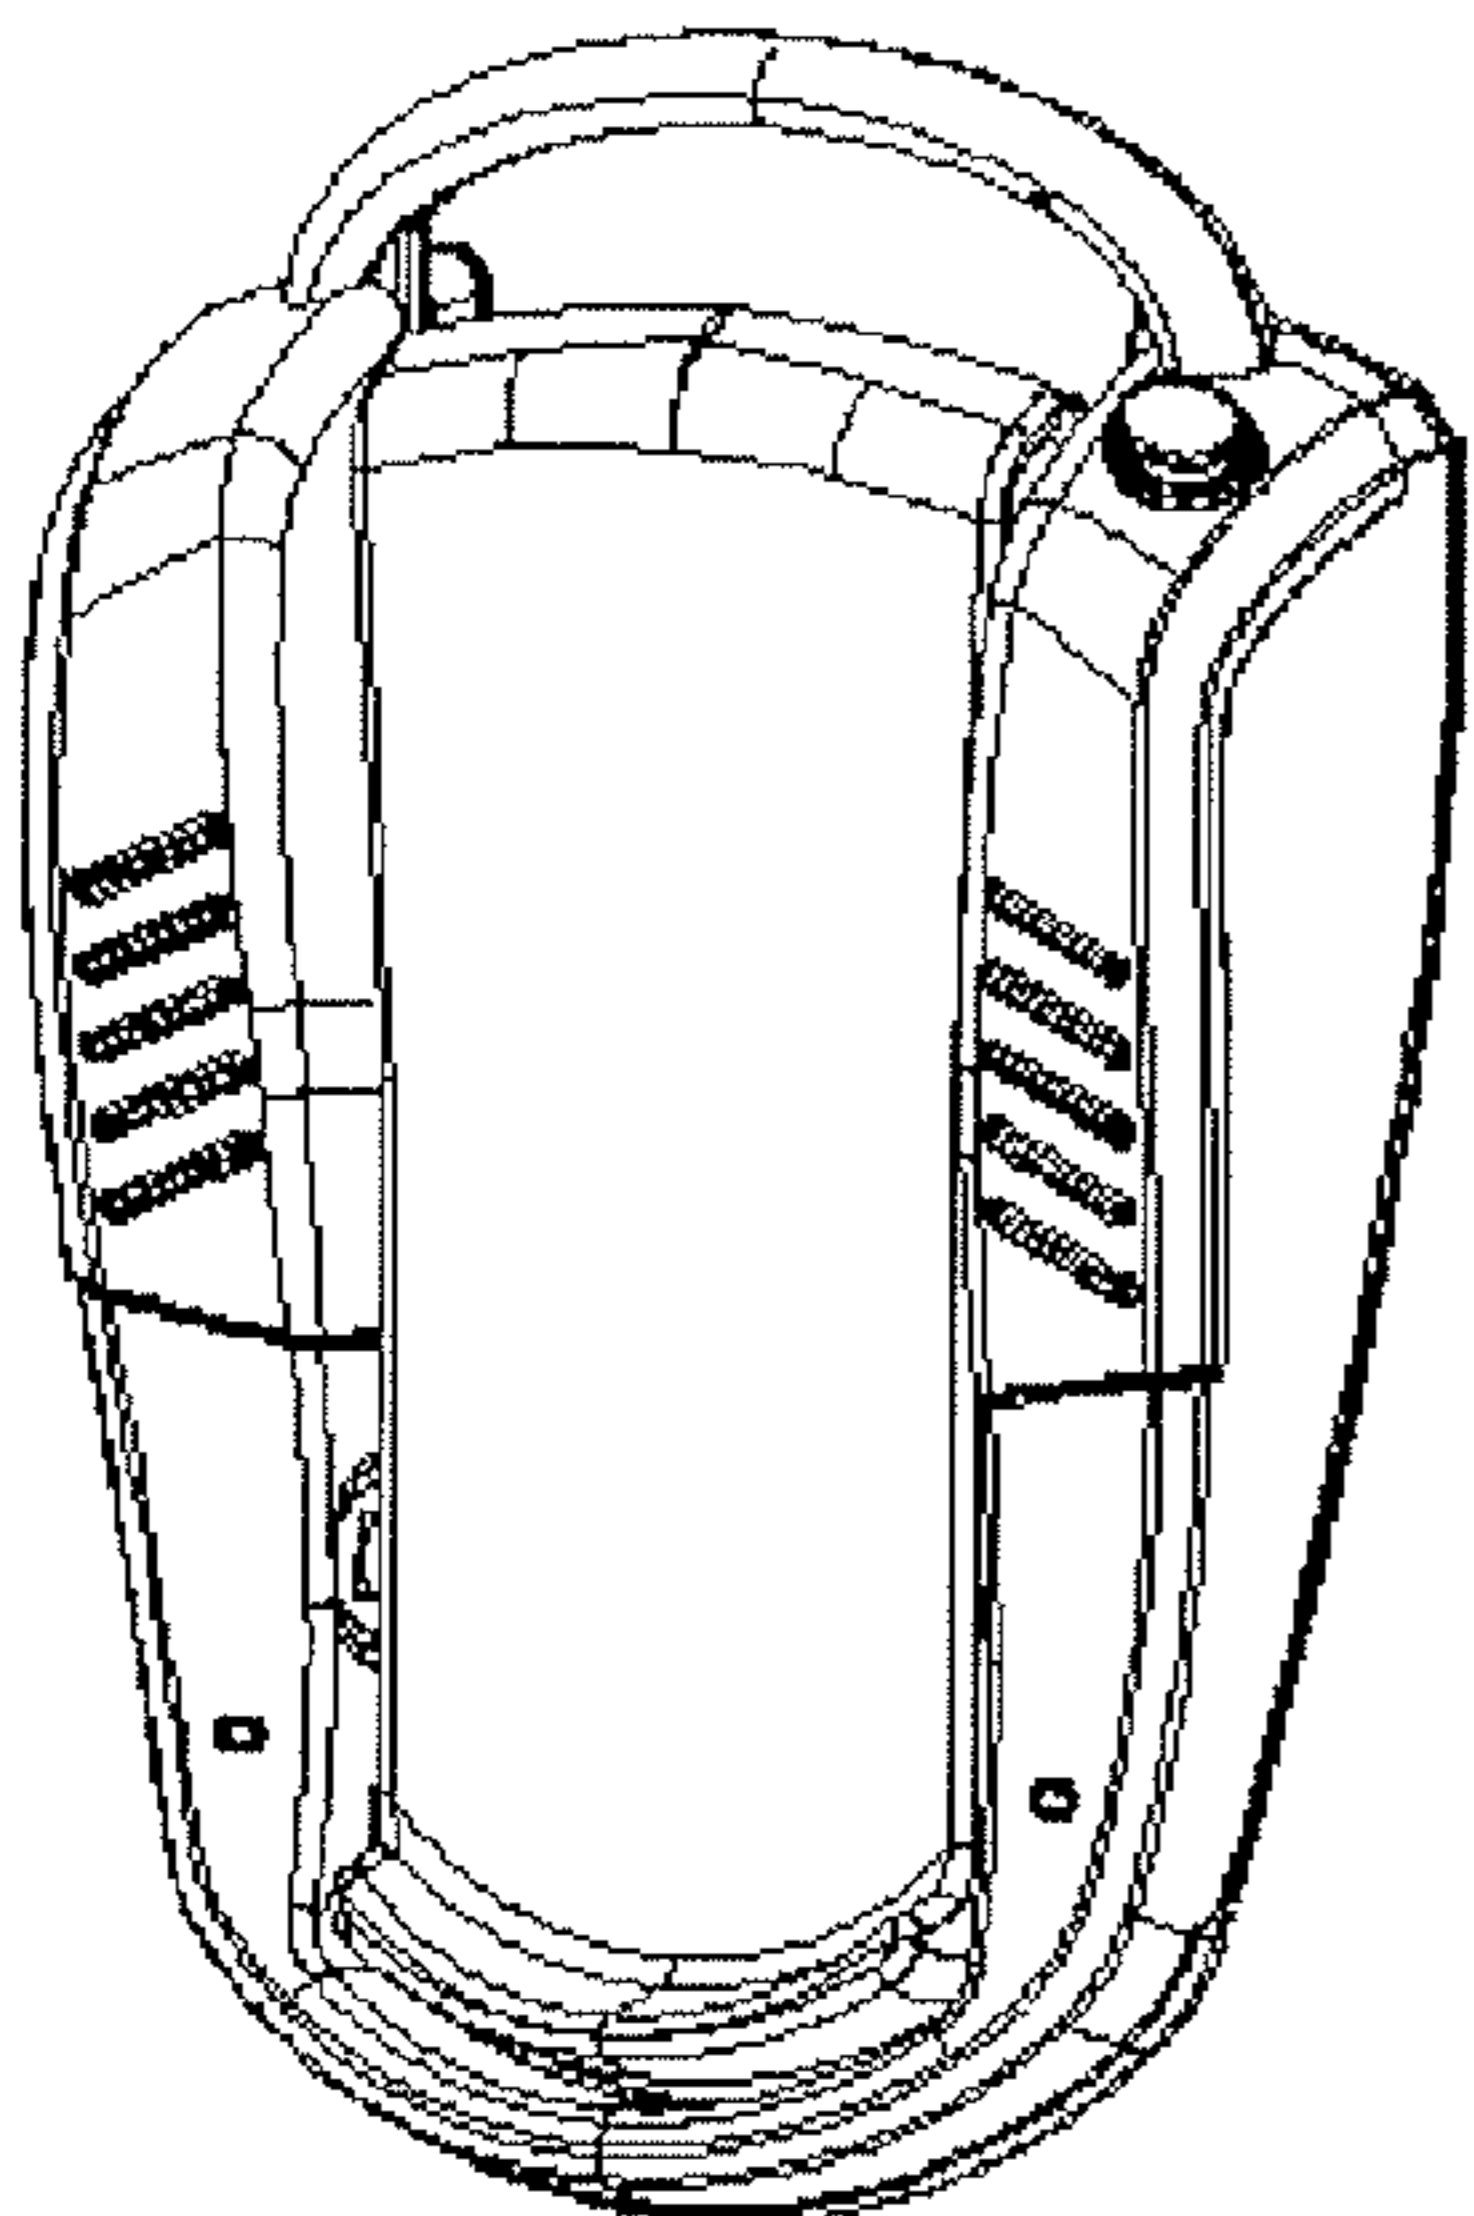

FIG. 5 is a first side view of the surgical foot pedal of the present invention.

FIG. 6 is a second side view of the surgical foot pedal of the present invention; and,

FIG. 7 is a third side view of the surgical foot pedal of the present invention.

The broken lines shown in the figures are included for the purpose of illustrating portions of the surgical foot pedal and form no part of the claimed design.
