(57) **CLAIM**

The ornamental design for an image display for mobile communication terminal, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

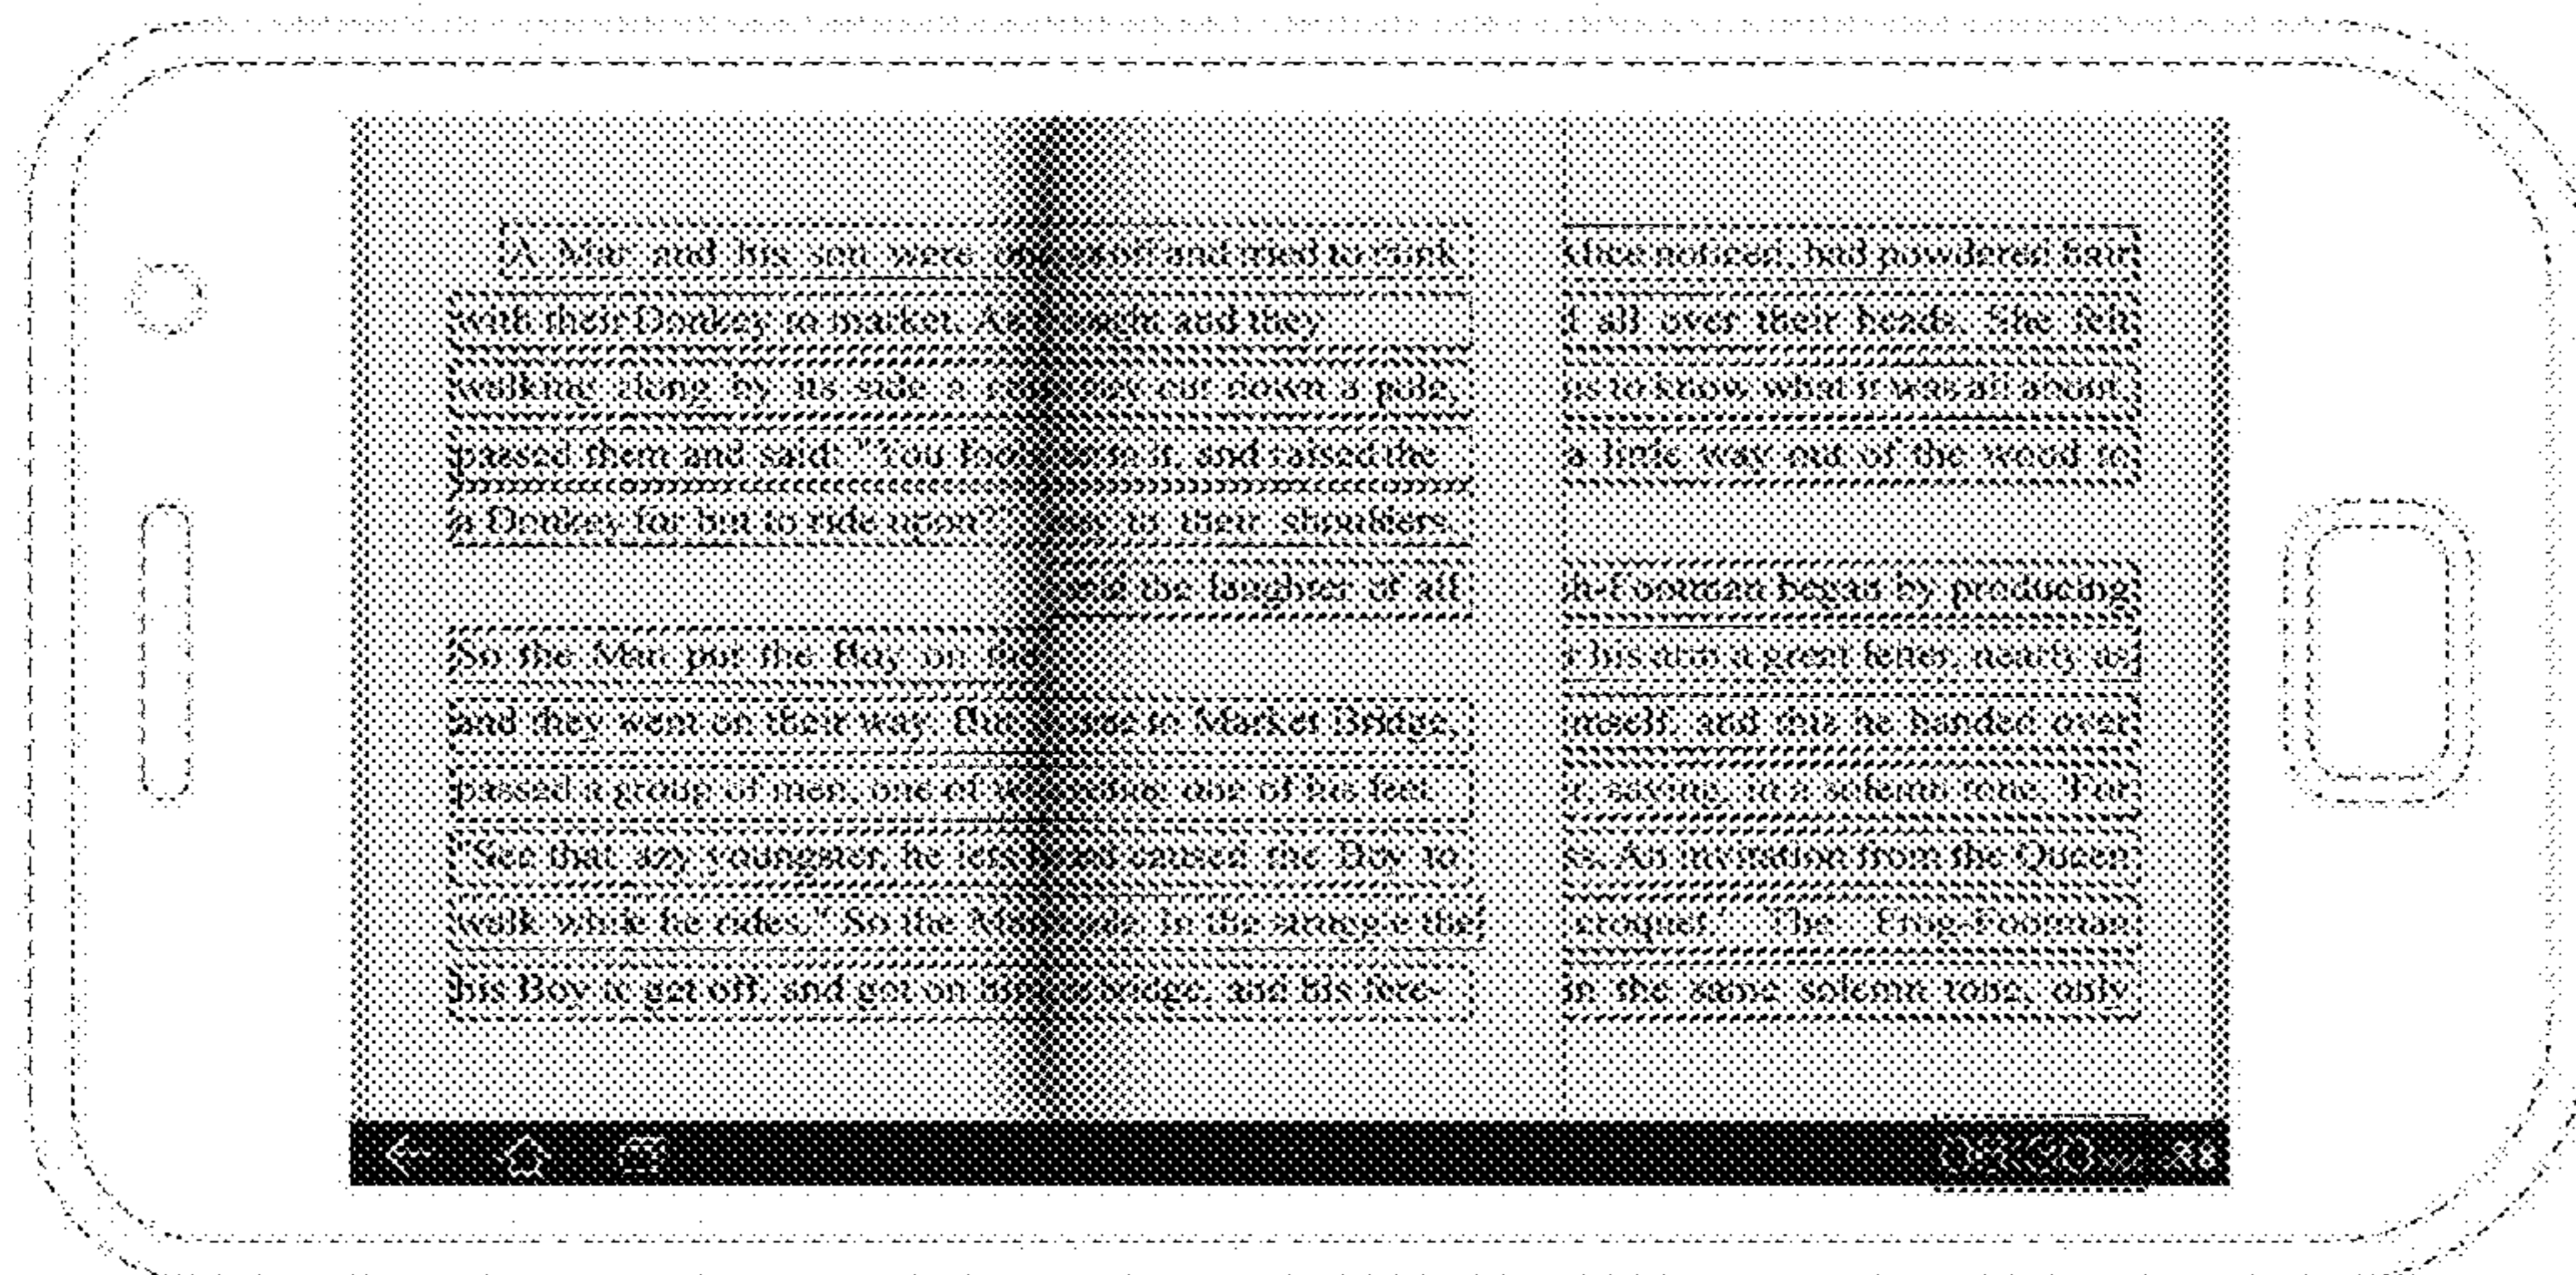

FIG. 1 is a front perspective view of an image display for mobile communication terminal;

FIG. 2 is another front perspective view the image display for mobile communication terminal of FIG. 1; and,

FIG. 3 is another front perspective view of the image display for mobile communication terminal of FIG. 1.

The broken line showing of FIGS. 1-3 are for the purpose of illustrating the present invention and forms no part of the claimed design.
