(57) **CLAIM**

The ornamental design for a welding system wire feeder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the design for the welding system wire feeder;
FIG. 2 is a left side view of the design for the welding system wire feeder of FIG. 1;
FIG. 3 is a right side view of the design for the welding system wire feeder of FIG. 1;
FIG. 4 is a front view of the design for the welding system wire feeder of FIG. 1;
FIG. 5 is a rear view of the design for the welding system wire feeder of FIG. 1;
FIG. 6 is a top view of the design for the welding system wire feeder of FIG. 1; and,
FIG. 7 is a bottom view of the design for the welding system wire feeder of FIG. 1.

In these drawings, the solid lines illustrate the claimed ornamental design, whereas the broken lines illustrate environmental features that form no part of the claimed ornamental design.
