(57) **CLAIM**

I claim the ornamental design for an exercise band connector,  
as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of an exercise band connector  
according to the present design;

FIG. 2 is a top view of the exercise band connector;

FIG. 3 is a front view of the exercise band connector, the back  
view being a mirror image thereof;

FIG. 4 is a bottom view of the exercise band connector;

FIG. 5 is a left side view of the exercise band connector, the  
right side being a mirror image thereof;

FIG. 6 is a perspective view of the exercise band connector  
with a portion of an exercise resistance band shown in phan-  
tom lines, the exercise resistance band forming no part of the  
claimed design; and,

FIG. 7 is a further view of the exercise band connector with a  
portion of the exercise resistance band shown in phantom  
lines, the exercise resistance band forming no part of the  
claimed design.
