(57) **CLAIM**

The ornamental design for a firearm magazine bench loader,
as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of our firearm magazine bench loader and including a slider that is part of the bench loader, taken from above and slightly to the left.

FIG. 2 is a top plan view of the bench loader including the slider.

FIG. 3 is a bottom view of the bench loader.

FIG. 4 is an elevational view of the bench loader including the slider taken from the back side.

FIG. 5 is a perspective view of the bench loader including the slider taken from slightly above and the right.

FIG. 6 is an elevational view of the bench loader including the slider taken from the left end.

FIG. 7 is a perspective view of the loader with the slider removed to show detail taken from above and the right end.

FIG. 8 is a perspective view of the loader taken from below and the front side.

FIG. 9 is a perspective view of the loader taken from below and the rear from the right side.

FIG. 10 is a perspective view of the loader taken from below and from the right rear.

FIG. 11 is a perspective view of the loader taken from above and the left rear; and,

FIG. 12 is a perspective view of the loader taken from above and the rear.
