(57) **CLAIM**

The ornamental design for a personal mobility device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a personal mobility device according to the novel design in a collapsed configuration. FIG. 2 is a left side view of a personal mobility device according to the novel design in an expanded configuration. FIG. 3 is a front view of a personal mobility device according to the novel design in an expanded configuration. FIG. 4 is a top view of a personal mobility device according to the novel design in an expanded configuration; and, FIG. 5 is a front view of a personal mobility device according to the novel design in a collapsed configuration. The broken lines included in the drawings depict elements that are not part of the claimed design.

1 Claim, 5 Drawing Sheets
