(57) **CLAIM**

The ornamental design for a propane tank bag, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a propane tank bag showing my new design;

FIG. 2 is a front view of the propane tank bag shown in FIG. 1;

FIG. 3 is a right side view of the propane tank bag shown in FIG. 1, the left side is a mirror image of the right side;

FIG. 4 is a rear view of the propane tank bag shown in FIG. 1; and,

FIG. 5 is a top view of the propane tank bag shown in FIG. 1. The broken line showing of the propane tank illustrates the environment. The remaining broken lines illustrate stitching. None of the broken lines form part of the claimed design.
