(57) **CLAIM**

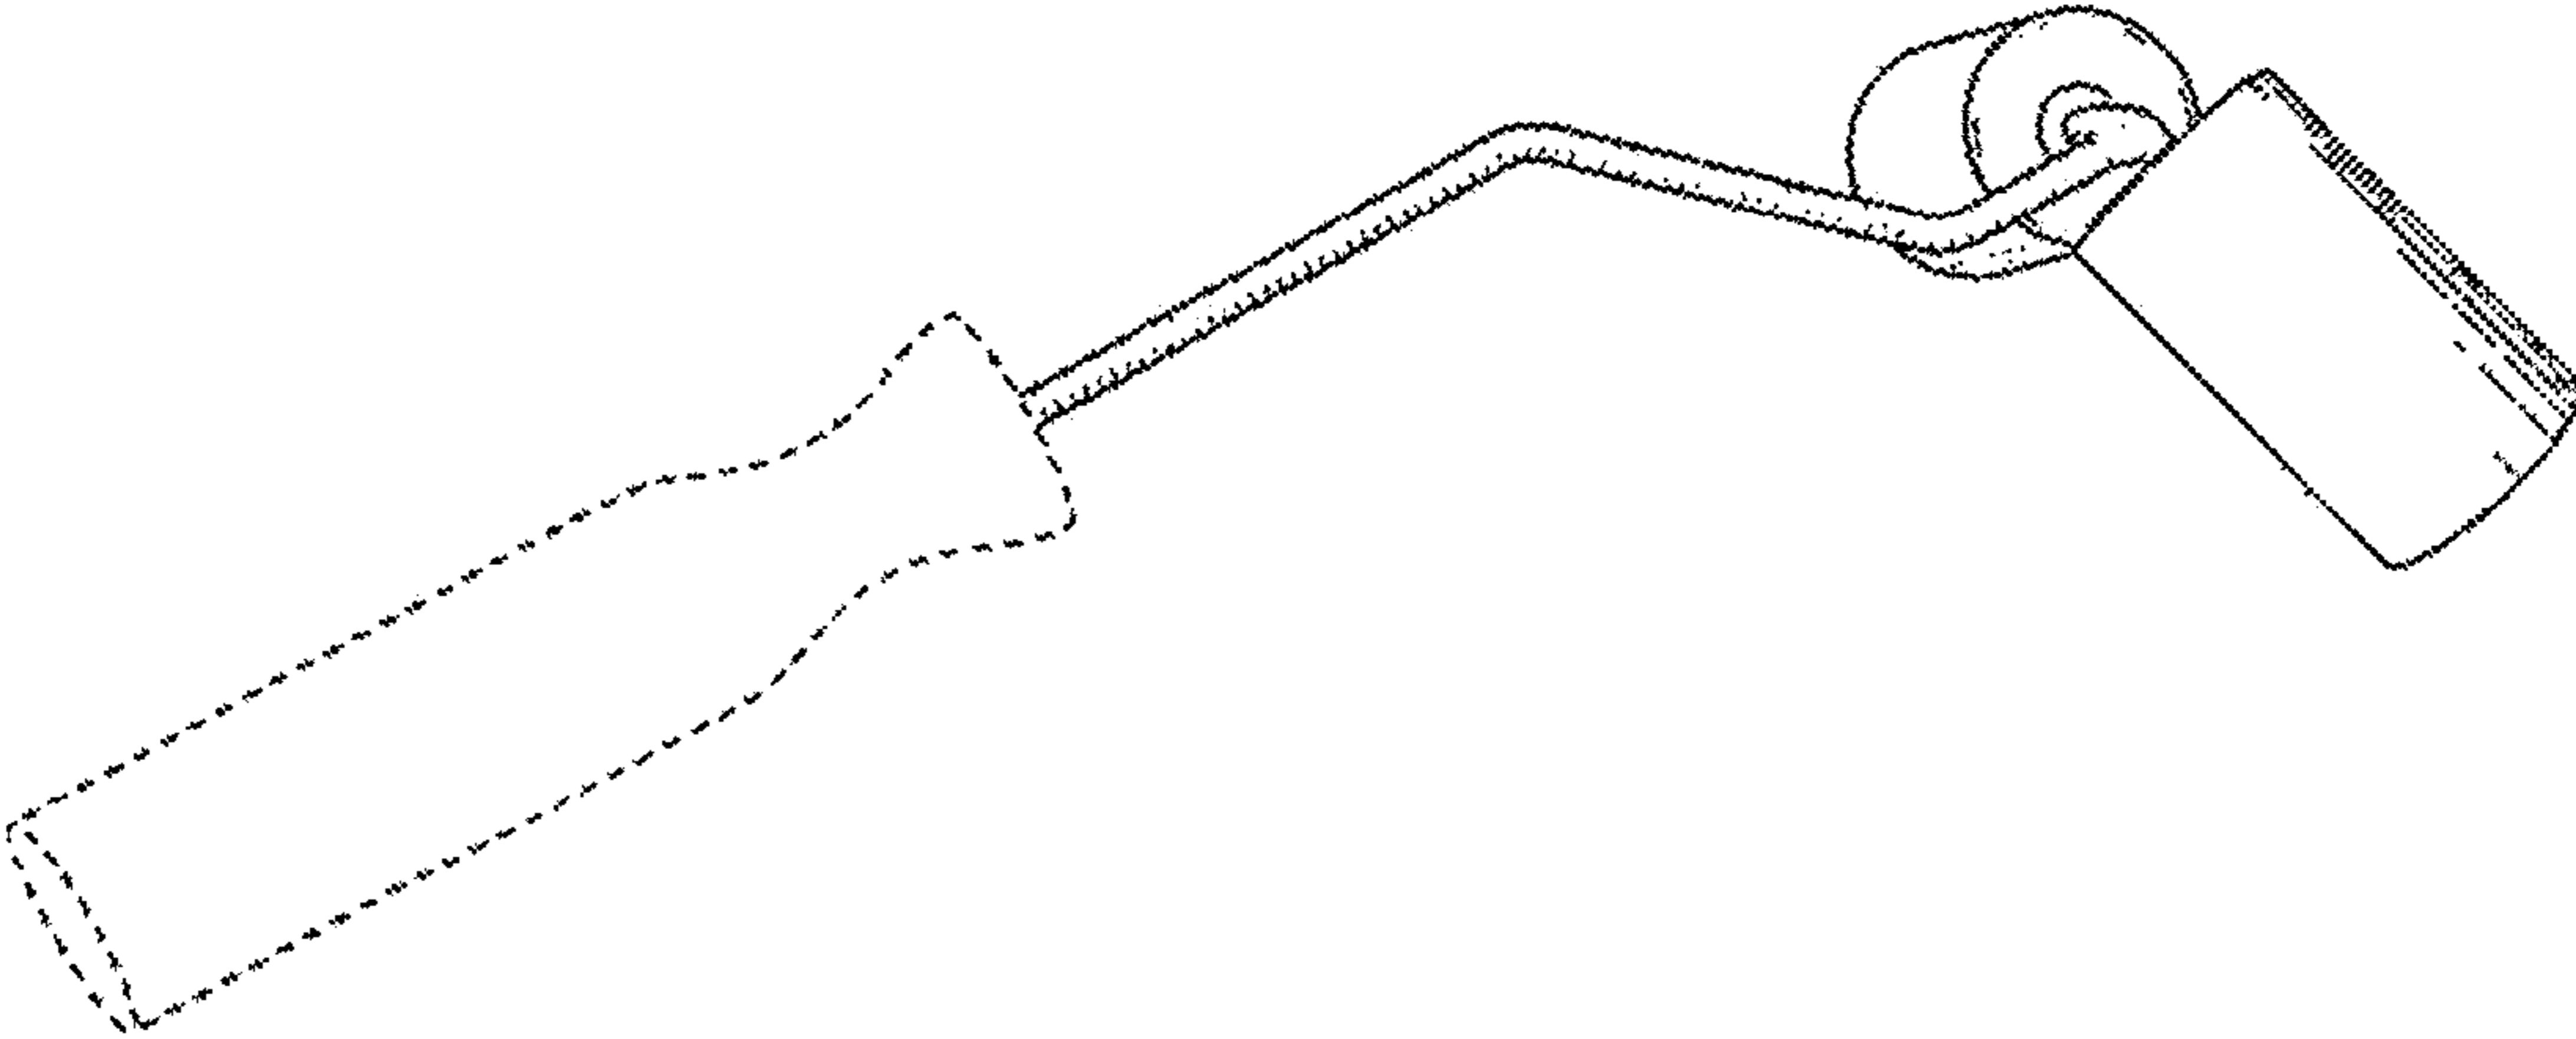

The ornamental design for an angled paint roller, as shown and described.

**DESCRIPTION**

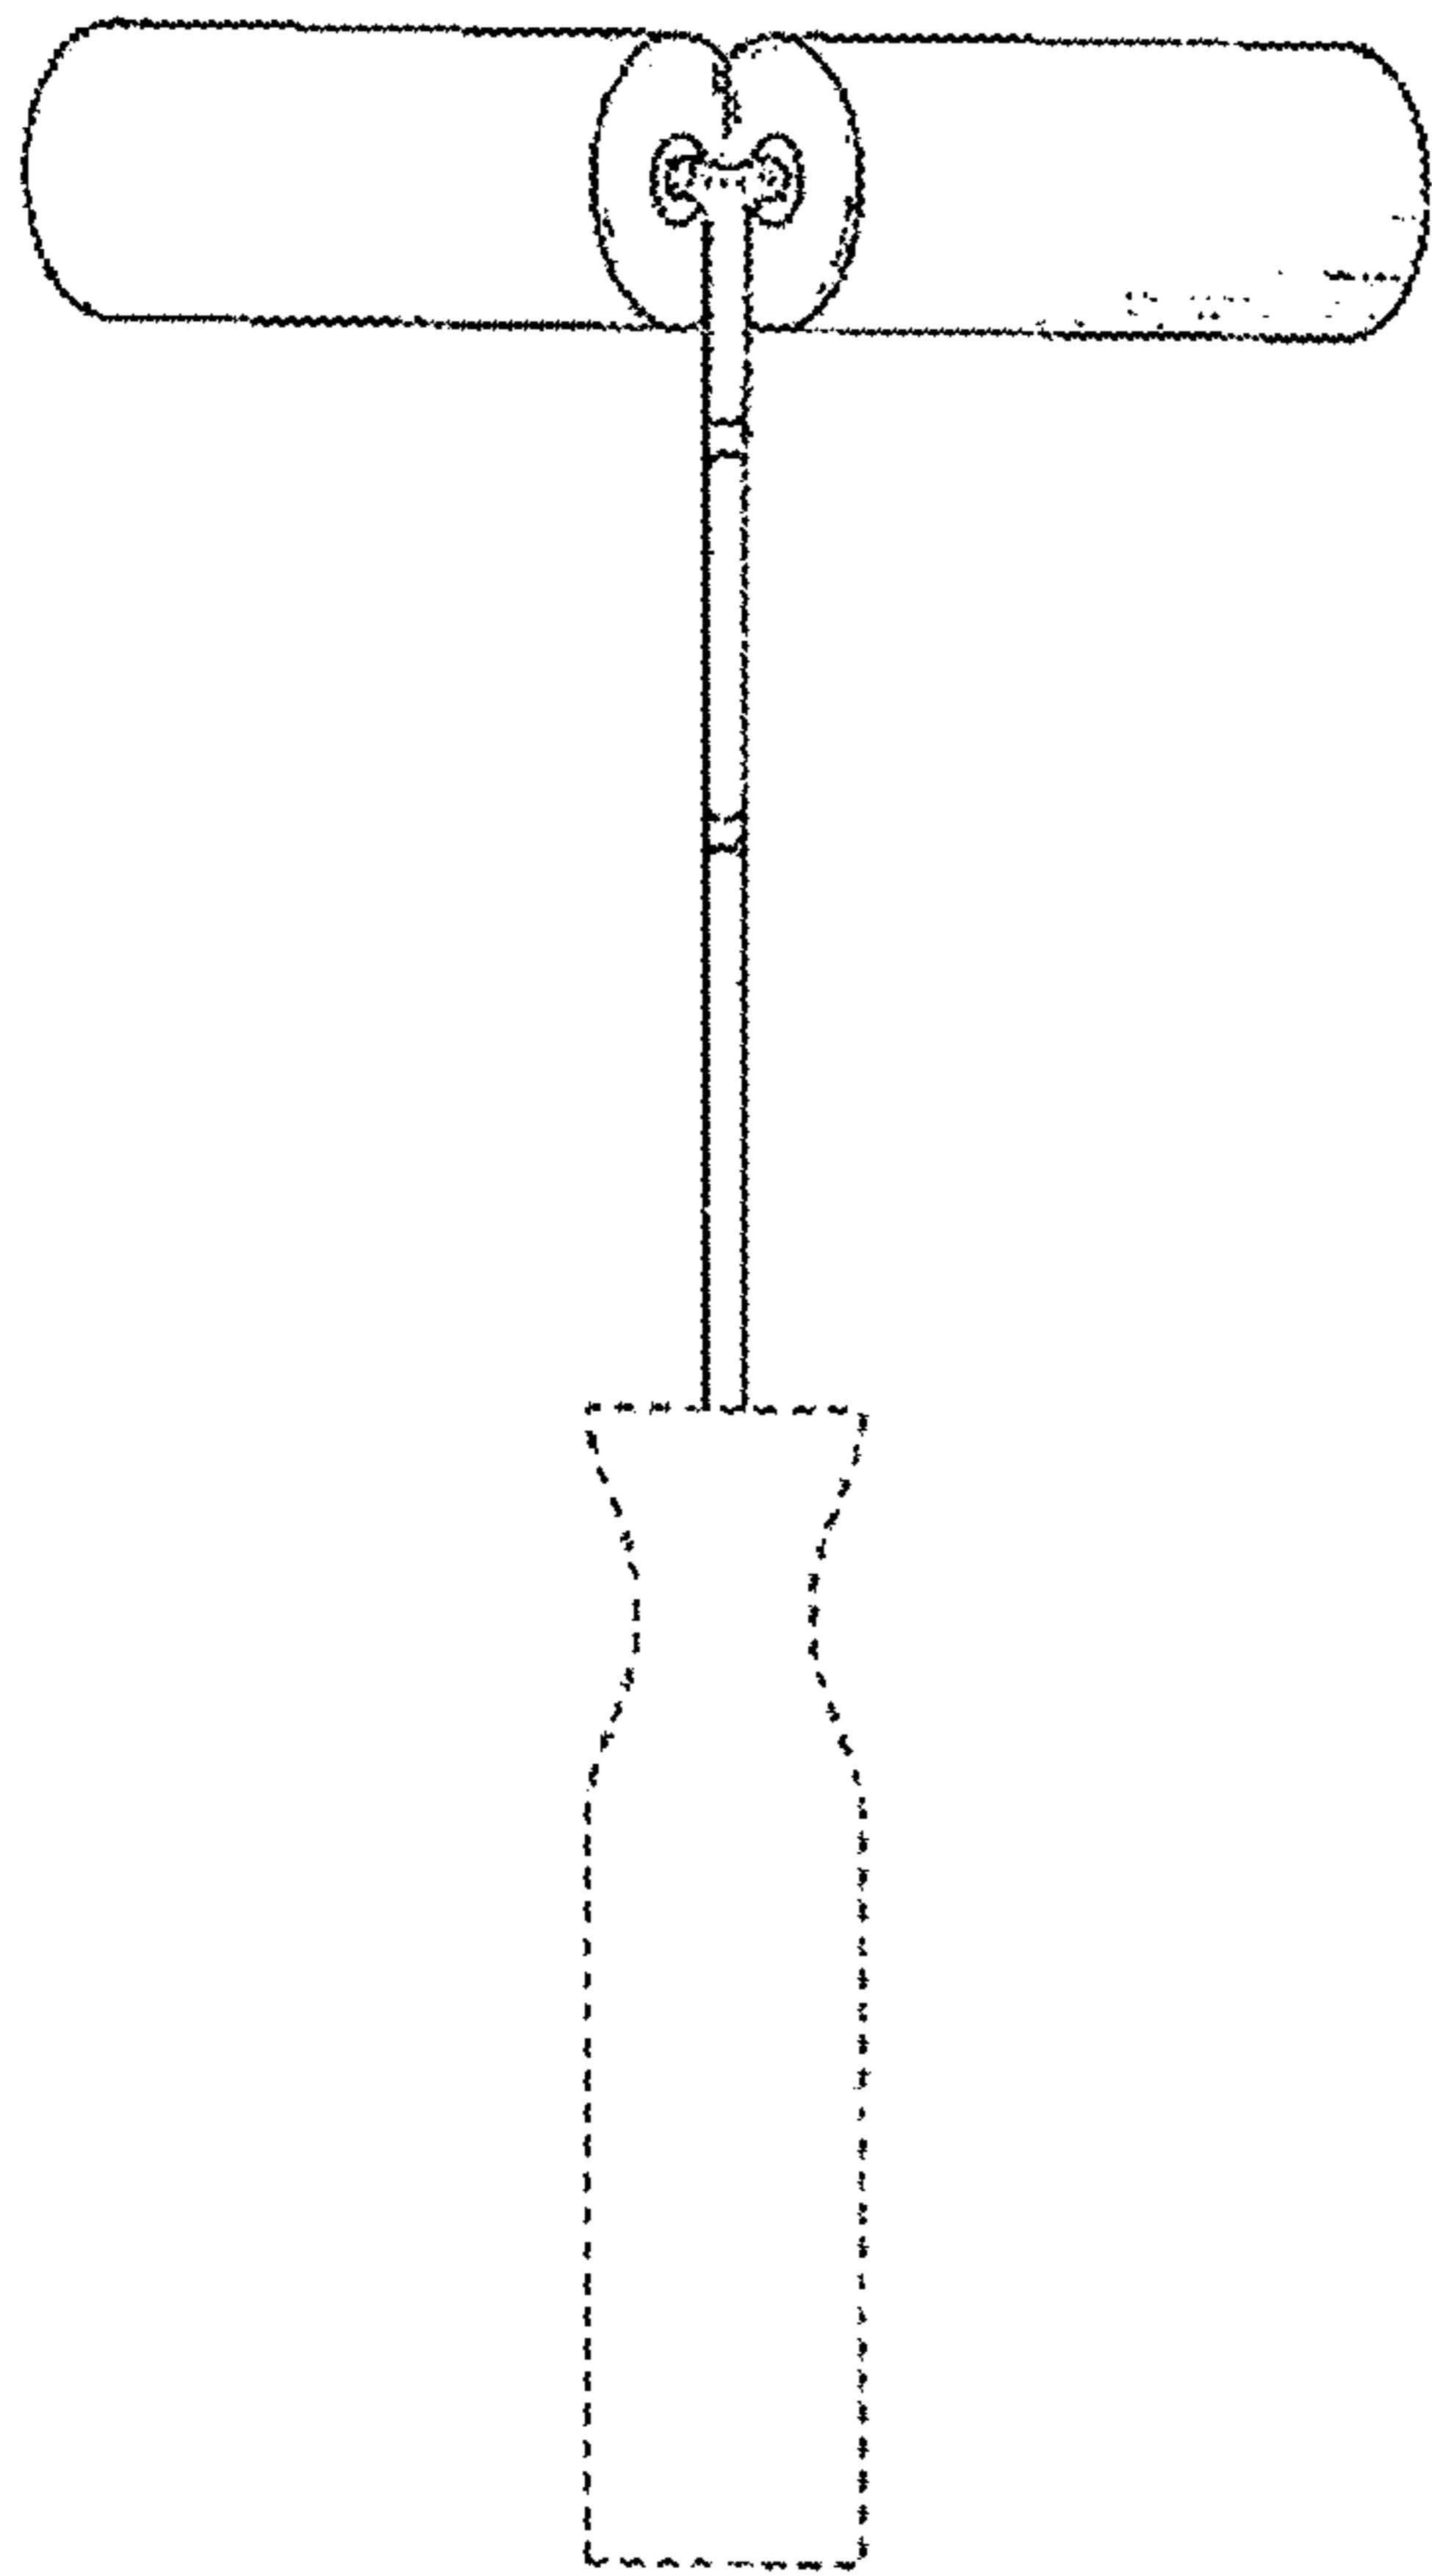

FIG. 1 is a side perspective view of the angled paint roller; FIG. 2 is a top view of the angled paint roller; FIG. 3 is a bottom view of the angled paint roller; FIG. 4 is a left side view of the angled paint roller, the right side view of the angled paint roller being a mirror image of the left side view; and, FIG. 5 is a front view of the angled paint roller. The broken line showing of a handle in FIGS. 1-5 is included for the purpose of illustrating only and forms no part of the claimed design.
