(57) **CLAIM**
I claim the ornamental design for an electrical device holder, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the electrical device holder. FIG. 2 is a bottom view of the claimed design. FIG. 3 is a left side view of the claimed design. FIG. 4 is a right side view of the claimed design. FIG. 5 is a front view of the claimed design; and, FIG. 6 is a perspective view of the claimed design. The fabric pattern is fragmentarily shown for convenience of illustration. It is understood that the pattern is uniformly continuous over the surface of the electrical device holder. The broken lines shown in the drawings illustrate portions of the electrical device holder and form part of the claimed design.
