The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen or portion thereof with animated graphical user interface showing a first image in the sequence showing our new design;

FIG. 2 is a second view thereof;

FIG. 3 is a front view of the display screen or portion thereof with animated graphical user interface showing a first image in the sequence of a second embodiment showing our new design; and,

FIG. 4 is a second view thereof.

The broken lines around the Figures show a display screen or portion thereof, and form no part of the claimed design.

The appearance of the animated images sequentially transitions between the images shown in FIGS. 1-2 and 3-4. The process or period in which one image transitions to another forms no part of the claimed design.
