(57) **CLAIM**

We claim the ornamental design for a compressor for vehicles, as shown herein.

DESCRIPTION

FIG. 1 is a perspective view of a compressor according to the present design;

FIG. 2 is a front view of the compressor according to the present design;

FIG. 3 is a rear view of the compressor according to the present design;

FIG. 4 is a left side view of the compressor according to the present design;

FIG. 5 is a right side view of the compressor according to the present design;

FIG. 6 is a plan view of the compressor according to the present design; and,

FIG. 7 is a bottom view of the compressor according to the present design.
