(57) **CLAIM**

The ornamental design for a massager container, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of the massager container of the present invention.

FIG. 2 is a top view of the massager container of the present invention.

FIG. 3 is a bottom view of the massager container of the present invention.

FIG. 4 is an elevation view of the massager container of the present invention.

FIG. 5 is another elevation view of the massager container of the present invention.

FIG. 6 is another elevation view of the massager container of the present invention.

FIG. 7 is another elevation view of the massager container of the present invention.

FIG. 8 is a rear isometric view of the massager container of the present invention with its bottom component removed.

FIG. 9 is a bottom view of the massager container of the present invention with its bottom component removed; and,

FIG. 10 is a perspective view of the massager container showing the present invention in use.

The broken lines of the hand and other elements shown in the drawings are for illustrative purposes only and form no part of the claimed design.
