(57) **CLAIM**

We claim the ornamental design for a multiple frame display, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a three-frame embodiment of the multiple frame display showing our new design; FIG. 2 is a front view thereof; FIG. 3 is a back view thereof; FIG. 4 is a top side view thereof; and, FIG. 5 a left side view thereof. The multiple frame display is shown with a symbolic break in its length, represented by a curved break line. The appearance of any portion of the article beyond the break line forms no part of the claimed design.
