**DESCRIPTION**

FIG. 1 is a first image in a sequence of images for a mobile phone display screen with transitional graphical user interface in accordance with our new design; FIG. 2 is a second image in the sequence; FIG. 3 is a third image in the sequence; FIG. 4 is a top view of the mobile phone; and, FIG. 5 is a right-side elevation view of the mobile phone.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another image forms no part of the claimed design.

The broken line showing of the mobile phone is included for the purpose of illustrating environment and forms no part of the claimed design.
