(57) **CLAIM**

The ornamental design for a combined pill cutter and crusher, as shown and described.

DESCRIPTION

FIG. 1 is a top, front left side perspective view of a combined pill cutter and crusher.

FIG. 2 is a front elevation view of the combined pill cutter and crusher.

FIG. 3 is a rear elevation view of the combined pill cutter and crusher.

FIG. 4 is a right side elevation view of the combined pill cutter and crusher (the left side elevation view being a mirror image).

FIG. 5 is a top plan view of the combined pill cutter and crusher (the bottom plan view being a mirror image).

FIG. 6 is a top, front, left side perspective view of the combined pill cutter and crusher in an open position with the pill cutter exposed; and,

FIG. 7 is a top, front, left side perspective view of the combined pill cutter and crusher in an open position with the pill crusher positioned for use and covering the pill cutter.
