FIG. 1 is a top, front and right side perspective view of the casing for wireless remote control device, showing our new design;

FIG. 2 is a front, left side and bottom perspective view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevational view thereof;

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a rear elevational view thereof; and,

FIG. 7 is a bottom plan view thereof.

The uniform broken lines shown in the drawings illustrate portions of the casing for wireless remote control device that form no part of the claimed design.

In FIGS. 1-7, the stippled shading represents contrasting appearances.

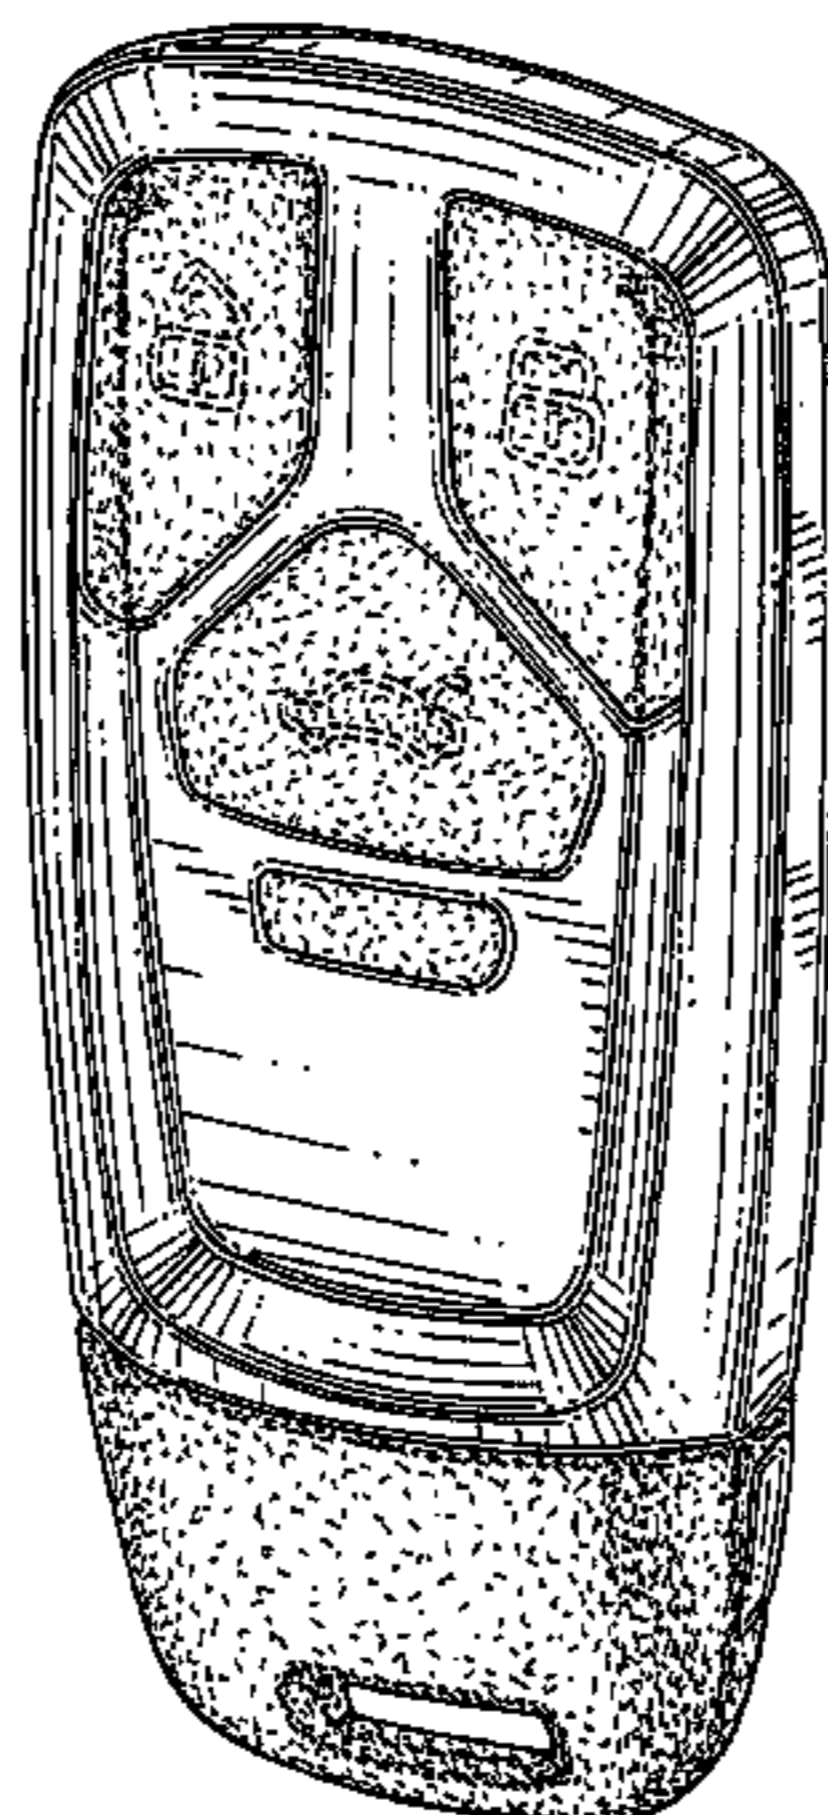

See application file for complete search history.
