(57) **CLAIM**

What is claimed is the ornamental design of an outdoor memorial display case, as shown and described.

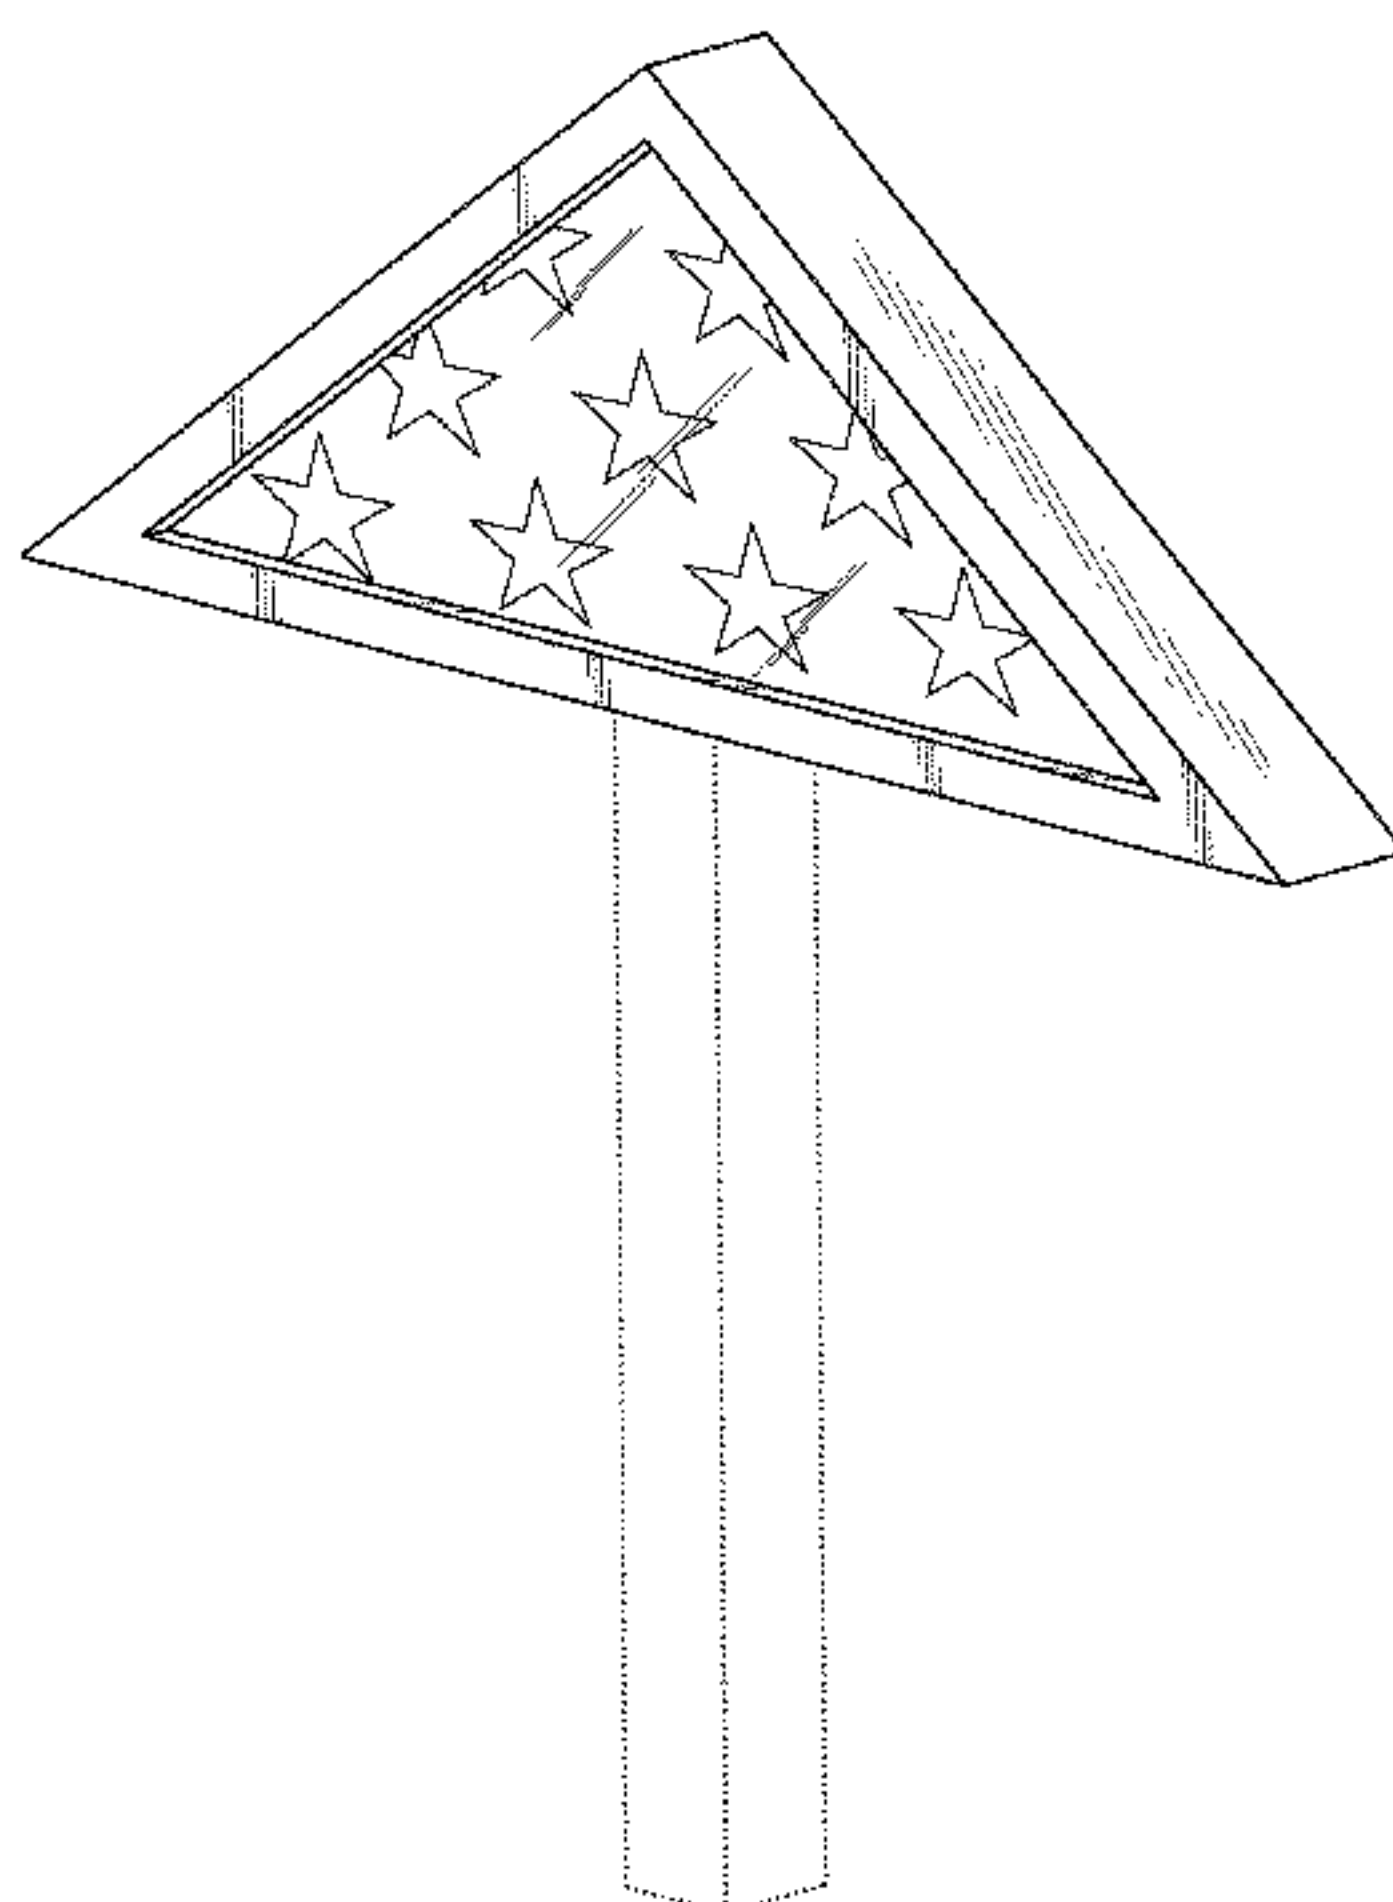

DESCRIPTION

FIG. 1 is a front perspective view of an outdoor memorial display case constructed in accordance with this disclosure; FIG. 2 is a rear perspective view thereof; FIG. 3 is a front perspective view of an outdoor memorial display case constructed in accordance with this disclosure with a cedar frame; and, FIG. 4 is a rear perspective view thereof. The surfaces and features of the illustrated outdoor memorial display case that are shown in broken lines are for illustrating environmental structure and form no part of the claimed design.

A grid pattern on the frame of FIGS. 3 and 4 indicates that the frame is constructed of red cedar.

More generally, the disclosure pertains to an ornamental design for an article of manufacture. The article is not limited to the scale shown herein. As indicated in the title, the article of manufacture to which the ornamental design has been applied is and outdoor memorial display case, an outdoor sign display, and an outdoor display in general.
